

Argument in Favor of Measure C  
Bayshore Elementary School District

Our schools are the most important assets in our community and should be our number one priority. From higher achieving students, to greater neighborhood safety and improved property values, quality schools make a difference. While our teachers and staff do a great job in educating our children, many classrooms and school facilities at the Bayshore Elementary School District are outdated and inadequate to provide students with the facilities they need to succeed. This is why our children need your **YES vote on Measure C!**

Although our schools have been well maintained over the years, aging classrooms and facilities must be upgraded since many do not meet 21st century standards. Many of the buildings our children use are between 30-50 years old! Measure C would allow the District to improve our schools and the quality of education provided to local students. By investing in our schools, we can meet today's safety, technological, and educational standards and better our community.

Measure C makes financial sense and protects taxpayers.

- All funds must be spent locally and cannot be taken by the State.
- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee.
- Funds can only be spent to improve local elementary schools, not for teacher or administrator salaries.
