No more than five signatures shall appear with any argument. If more than five signatures are submitted, the first five listed shall be printed. Names and titles listed will be printed in the order that they are listed below. Place a checkmark in the author column if the signer is the author of the argument. A signer can only list one title.

If the signers are part of a bona fide association, there is no requirement that they be eligible to vote on the measure. However, for each such signing individual, the title under the signer's name must list the name of that bona fide association and may include their position within that association.

By signing below, the undersigned state that they have read the argument and believe it not to be false or misleading.

Print information clearly.

Check if the signer is the author of the argument. Authors must be signers. (For official use only) Staff check once the eligibility of the signer is verified.
ARGUMENT IN FAVOR OF MEASURE X

Vote Yes on X: help maintain our high quality of life, strengthen city services, and keep Burlingame strong — without increasing taxes on local residents. (24)

Burlingame is a great place to live, do business, and raise a family, with safe neighborhoods, high-quality local schools, and beautiful parks. The pandemic took its toll on Burlingame, but our city fared better than most. We were able to maintain strong community partnerships, protect the health and safety of our neighbors and keep businesses open and thriving. (59)

Tourism is growing again, and more visitors are shopping in Burlingame and using our services, putting a strain on roads and public safety services. That is why we need Measure ___. (30)

Measure ___ reforms Burlingame’s Business Licensing, which currently charges all businesses the same flat rate — whether a coffee shop or Facebook — and has not been updated in nearly 30 years. Without increasing taxes for residents, Measure ___ will provide critical funds to help repair streets and sidewalks, underground hazardous powerlines and enhance crime prevention programs. (53)

Measure ___ ensures all locally owned businesses are treated fairly, with small businesses paying the lowest rates. It also adds a new rate for non-storefront cannabis delivery businesses (retail storefronts are prohibited in Burlingame). (34)

Vote Yes on ___ — A Simple Fix Provides Real Results (10)
- Maintain city streets and sidewalks before they become more expensive to repair
- Underground powerlines and support fire prevention programs
- Enhance neighborhood police patrols and crime prevention programs
- Repair storm drains to reduce flooding of neighborhood streets (36)

All funds from Measure ___ must stay in Burlingame. The state or federal government cannot touch one dime. Annual audits are required. (21)

Small and large businesses alike support Measure ___ because it is a modest, common-sense update to support our economic recovery. Please join business leaders, emergency responders and neighbors in voting Yes on ___. (33)
