Rebuttal to Argument Against Measure Q

We value and support our local nonprofits. Our community collaborates to provide needed activities and services. The Fog Fest, silent and live auctions, and business sponsorships are just a few examples.

There are many ways to raise money. Nonprofits elsewhere are able to fundraise without selling the fireworks that make our neighborhoods resemble war zones.

Danger from fireworks will only increase with drier weather in the future. Our climate is changing.

Our eucalyptus trees are highly flammable. For everyone south of Sharp Park Road, Highway One is the only way out of town in case of a big fire.

For weeks each year, fireworks injure people, terrorize our pets and wild animals, and stress people needing sleep. We don’t have to endure this any more.

For Quality of Life, public safety and peaceful, quiet neighborhoods,

vote Yes on Q.
