Project Title: 2021-22 Street Reconstruction Project

Project Location: various roadways in San Bruno

Description of Nature, Purpose, and Beneficiaries of the Project: The proposed project consists of nine streets. The streets are in failed condition with PCI's less than 25. The Project will evaluate the nine streets and prioritize design and replace or reconstruct existing pavement to fit into the fiscal year's budget. Streets that will not be included in this fiscal year's design will be considered in subsequent paving projects based on available budget. The installation of accessible curb ramps within project limits will be included in this project.
