Rebuttal Argument Signers Form

No more than five signatures shall appear with any argument. If more than five signatures are submitted, the first five listed shall be printed.

Names and titles listed will be printed in the order that they are listed below.

If the signers are part of a bona fide association/organization, there is no requirement that they be eligible to vote on the measure. However, for each such signing individual(s), the title under the signer’s name shall list the name of that bona fide association/organization and may include their position within that association/organization.

By signing below, the undersigned state that they have read the argument and believe it not to be false or misleading.

Rebuttal to Argument in Favor of Measure CC

So we voters are not qualified to elect the Belmont City Clerk? Why not? We choose the City Council, don't we? Maybe Belmont should just have an emperor to appoint everybody and avoid all those bothersome elections.

The voters have reelected the same Clerk and Treasurer for nearly 15 years. Are they not qualified? The current system is working. Why change it?

Minor officials are part of the checks and balances of democracy. Somebody has to watch the people with the most power and be sure they answer to the voters.

Don't vote to give up your right to vote for City Clerk.
