PRIMARY ARGUMENT IN FAVOR OF MEASURE FF

Measure FF will allow the City of South San Francisco to increase its hotel tourist tax, also known as the transient occupancy tax (TOT). The TOT is a tax paid by visitors to local hotels and helps pay for essential municipal services in the City of South San Francisco like police and fire protection services, traffic circulation, parks and recreation programs, public roads, and rising pension employee costs.

The City has not increased its TOT rate in almost ten years. Measure FF would increase the TOT to a rate comparable to neighboring cities so hotels in the City would continue to offer competitive hotel rates to visitors.

Measure FF will produce an estimated $5.9 million in additional unrestricted revenue for the General Fund, which can be used to help fund public safety programs, youth programs, improve our parks, and repair our roads. This tax revenue will grow over time as more visitors stay at new hotels that open in the City. By law, all funds from Measure FF will stay in South San Francisco.

Measure FF is NOT a tax on your home or property. Hotel visitors who pay the increased tax will also benefit from City services.

We urge you to vote “YES” on Measure FF to increase the TOT rate paid by hotel visitors that will have a significant positive impact on the quality of life for local residents and our economy.
