Argument in Favor of Measure \\n\nMeasure \_\_\_ would allow San Carlos to impose a 10% excise tax on cannabis businesses operating within the city. Late last year San Carlos passed zoning and regulatory changes to enable it to issue permits for medical and recreational cannabis businesses and prohibited retail cannabis establishments. Currently, there are no cannabis businesses in San Carlos.

This measure only concerns the imposition of a tax on cannabis businesses. It does not authorize retail cannabis businesses in San Carlos. Retail establishments are not allowed under the newly updated City Zoning Ordinance. Measure \_\_\_ simply enables the City to impose up to a tax on permitted cannabis businesses, up to 10% of their gross receipts.

Measure \_\_\_ provides financial protection from the impact of cannabis businesses. A number of California cities (such as Berkeley, Oakland, Richmond, San Jose and Santa Cruz) have already passed similar taxes on cannabis businesses to respond to the impact on their cities’ budgets for public safety and code compliance. Measure \_\_\_ will bring San Carlos in alignment with the best practices of other California cities. Measure \_\_\_ ensures that any cannabis business operating in San Carlos, should one open, pay its fair share of taxes.

Each allowed cannabis business could potentially generate approximately $200,000 in tax dollars annually. These dollars will fund increasing costs of public safety and code compliance and will also allow for investment in street and traffic improvements, additional free public parking in the downtown, community development, parks and recreation.

ALL of Measure \_\_\_ revenue will stay here in San Carlos and cannot be taken away by the State.

We respectfully urge residents to Vote “Yes” on Measure \_\_\_ on Tuesday, November 6\textsuperscript{th}.
