Fall 2019 to Spring 2020

Dear Candidate:

I commend you for your decision to seek public office. The success of our democratic system relies on citizen involvement, both at the ballot box and the rostrum. To participate as a candidate is to commit your time and energy to your community, and this invaluable contribution is deserving of our respect and support.

As a candidate for office, you are now responsible for the legalities of candidacy, campaigning and financial reporting. The process can be confusing, even for the most seasoned candidates.

We have developed this Candidate Guide, and we will hold two Candidate Seminars, to help you understand your responsibilities and resources in the March 3, 2020 Presidential Primary Election. I highly recommend that you attend one of these seminars. Even if you have run for office before, these briefings will ensure your understanding of current laws, forms, reporting rules and campaign management tips. Immediately following each Candidate Seminar, we offer a seminar on Voter Data. This session will inform you on what data is available and how to obtain it.

All seminars will be held at the Registration & Elections Division, 40 Tower Road, San Mateo. The following sessions are scheduled:

**Candidate Seminars (choose one session)**
10 a.m., Wednesday, October 9, 2019
2 p.m., Wednesday, October 30, 2019

**Voter Data Seminars (immediately following the Candidate Seminars)**
11:30 a.m., Wednesday, October 9, 2019
3:30 p.m., Wednesday, October 30, 2019

In addition to the seminars, our website has an abundance of useful information, including an election calendar, “how to request” voter file data, an electronic copy of this Candidate Guide, the specific requirements and steps for including voter registration and/or Vote by Mail information in your campaign materials, Vote Center lookups and voting options for voters. Please explore it at [www.smcacre.org](http://www.smcacre.org).

Lastly, I feel privileged and honored to serve you in my capacity as your Chief Elections Officer. My office is ready to answer your questions and provide assistance. I encourage you to direct your questions regarding candidate filing to our Candidate Services Supervisor, Michael Lui, at 650.312.5238 or mlui@smcacre.org.

Sincerely,

Mark Church
The 2019 to 2020 Candidate Guide is intended to provide general information about the nomination and election of candidates. It does not have the force and effect of law, regulation or rule. Qualifications by Offices

Generally:

Unless otherwise specifically provided, no person is eligible to be elected or appointed to an elective office unless that person is a registered voter and otherwise qualified to vote for that office at the time that Nomination Papers are issued to the person or at the time of the person’s appointment.

EC §201

(a) A person shall not be considered a candidate for, and is not eligible to be elected to, any state or local elective office if the person has been convicted of a felony involving accepting or giving, or offering to give, any bribe, the embezzlement of public money, extortion or theft of public money, perjury, or conspiracy to commit any of those crimes.

(b) For purposes of this section, “conviction of a felony” includes a conviction of a felony in this state and a conviction under the laws of any other state, the United States, or any foreign government or country of a crime that, if committed in this state, would be a felony, and for which the person has not received a pardon from the Governor of this state, the governor or other officer authorized to grant pardons in another state, the President of the United States, or the officer of the foreign government or country authorized to grant pardons in that foreign jurisdiction.

EC §20

(b) The elections official shall attach a certificate to the Declaration of Candidacy showing the date on which the candidate registered as intending to affiliate with the political party the nomination of which he or she seeks, and indicating that the candidate has not been affiliated with any other qualified political party for the period specified in subdivision (a) immediately preceding the filing of the declaration. This section does not apply to a Declaration of Candidacy filed by a candidate of a political party participating in its first direct primary election subsequent to its qualification as a political party pursuant to Elections Code Section 5100 or by a candidate of a political party participating in its first presidential general election subsequent to its qualification as a political party pursuant to Elections Code Section 5151.

Holding Two Offices

The 1999 San Mateo County Grand Jury recommended that all candidates be made aware that individuals cannot hold incompatible offices. If a candidate is elected to an office that is incompatible with the first office, the first office becomes vacant upon the taking of the second office.

This doctrine of incompatible offices precludes public officials from holding two different public offices simultaneously if the offices have overlapping and conflicting public duties. Courts have summarized the doctrine as follows: “[o]ne individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.” (Eldridge v. Sierra View Local Hosp. Dist. (1990) 224 Cal.App.3d 311, 319.)

Government Code Section 1099 provides detailed guidance on incompatible offices and specifies the defining characteristics:

Offices are incompatible when any of the following circumstances are present, unless simultaneous holding of the particular offices is compelled or expressly authorized by law:

(1) Either of the offices may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over the other office or body.

(2) Based on the powers and jurisdictions of the offices, there is a possibility of a significant clash of duties or loyalties between the offices.

(3) Public policy considerations make it improper for one person to hold both offices.

A number of legal opinions issued by the Office of the California Attorney General offer additional guidance in determining whether or not certain offices are incompatible. Here are five examples of offices that the Attorney General’s Office has deemed to be incompatible:

(1) the offices of city councilman and school district board member where the city and the school district have territory in common;

(2) the positions of fire chief of a county fire protection district and member of the board of supervisors of the same county;

(3) the offices of trustee of a high school district and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district;

(4) a water district director and a city council member; and

(5) a water district director and a school district trustee having territory in common.
Filing Fees

Filing Fees Paid to Secretary of State
(a) The following fees for filing Declarations of Candidacy shall be paid to the Secretary of State by each candidate:

(1) Two percent of the first-year salary for the office of United States Senator or for any state office. The fee prescribed in this subdivision does not apply to the office of State Senator, Member of the Assembly, member of the State Board of Equalization, or Justice of the Court of Appeal.

(2) One percent of the first-year salary for the office of Representative in Congress, member of the State Board of Equalization, or Justice of the Court of Appeal.

(3) One percent of the first-year salary for the office of State Senator or Member of the Assembly.

(b) For purposes of this section, “salary” means the annual salary for the office as of the first day on which a candidate may circulate petitions to gather signatures in lieu of filing fees.

EC §8103

Filing Fees Paid to County Elections Official
The filing fees to be paid to the County Elections Official for filing a Declaration of Candidacy for an office to be voted for wholly within one county other than a legislative or congressional office shall be as follows:

(a) No filing fee is required from any candidate for an office for which no fixed compensation is payable, or for which the annual salary is $2,500 or less.

(b) A filing fee of one percent of the annual salary of the office shall be paid to the County Elections Official by each candidate for a judicial office or for a county office. This subdivision shall not apply to any candidate for any office for which the annual salary is $2,500 or less.

The filing fee shall be calculated on the basis of the annual salary for the office on the first day to circulate petitions to gather signatures in lieu of filing fees.

EC §8104

When and Where to Pay Filing Fees
(a) The filing fees for all candidates shall be paid at the time the candidates obtain their nomination forms from the County Elections Official. The County Elections Official shall not accept any papers unless the fees are paid at the time required by this section, or unless satisfactory evidence is given to the County Elections Official or to the Registrar of Voters that the fee has been paid at the time of the Declaration of Candidacy in another county. The County Elections Official shall transmit the appropriate fees to the Secretary of State at the time he or she delivers the Declaration of Candidacy for filing. All filing fees received by the Secretary of State and County Elections Officials are nonrefundable.

(b) The filing fees for candidates required to file Declarations of Intention shall be paid at the time the declarations are filed with the County Elections Official. (Judicial candidates only)

EC §8106(a), (b)(1)-(2).

When a candidate submits a Signatures in Lieu of Filing Fee Petition, the County Elections Official shall examine and validate each signature. All validated signatures on a Signatures in Lieu of Filing Fee Petition can be credited towards the number of voters required to sign the candidate’s Nomination Paper, regardless of each signer’s party preference.

**WARNING:** Every person acting on behalf of a candidate is guilty of a misdemeanor who deliberately fails to file at the proper time and in the proper place any nomination paper in his or her possession that is entitled to be filed under the provisions of the Elections Code. (Elections Code § 18202.)
Guidelines for Gathering Signatures

These guidelines apply to both Signatures in Lieu of Filing Fee Petitions and Nomination Papers

With a prudent regard for strict deadlines and eligibility requirements for signers, we strongly encourage candidates to proceed without delay in gathering signatures and submitting them with the required Signatures in Lieu of Filing Fee Petitions or Nomination Papers to the San Mateo County Registration & Elections Division. By filing in advance of the deadline, you will allow yourself time to gather additional signatures in the event that:

(1) For Signatures in Lieu of Filing Fee Petitions – you have more time to decrease your filing fee.

(2) For Nomination Papers – you may need to obtain additional signatures based on the number that are disqualified during the examination of your papers.

Who can circulate Signatures in Lieu of Filing Fee Petitions and Nomination Papers?
A circulator must be 18 years of age or older. A candidate may serve as a circulator of the candidate’s own Signatures in Lieu of Filing Fee Petition or Nomination Paper. Candidates may also sign their own Petition or Paper, and the signature will be given the same effect as that of any other qualified signer.

EC §§102, 106

Petitions and Papers Must Include Declaration of Circulator
(a) Where any petition or paper is submitted to the Elections Official, each section of the petition or paper shall have attached to it a declaration signed by the circulator of the petition or paper, setting forth, in the circulator’s own hand, the following:

(1) The printed name of the circulator.

(2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.

(3) The dates between which all the signatures to the petition or paper were obtained.

(b) Each declaration submitted pursuant to this section shall also set forth the following:

(1) That the circulator circulated that section and witnessed the appended signatures being written.

(2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.

(3) That the circulator is 18 years of age or older.

(c) The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of his or her name. The circulator shall state the date and the place of execution on the declaration immediately preceding his or her signature.

EC §104
Guidelines for Gathering Signatures (continued)

Who is a Qualified Signer to a Petition or Paper?
Any registered voter may sign a Petition or Paper for any candidate for whom he or she is eligible to vote. Each voter shall at the time of signing the Petition or Paper personally affix his or her signature, printed name and place of residence, giving street and number, and if no street or number exists, then a designation of the place of residence which will enable the location to be readily ascertained. All signers of the same section of a petition must be registered in one county. Different sections must be used in each county where the petitions are circulated and filed with the County Clerk in the affected county.
EC §100, 8068, 8106

Applying Signatures in Lieu towards Nomination Signature Requirement
If a candidate submits a Signatures in Lieu of Filing Fee Petition, the County Elections Official shall count all valid signatures appearing on the petition toward the number of sponsor signatures required for the candidate’s Nomination Paper. All signatures on a Signatures in Lieu of Filing Fee Petition can be counted toward the number of voters required to sign a candidate’s Nomination Paper regardless of party preference.

If a Signatures in Lieu of Filing Fee Petition contains the requisite number of valid signatures required for the Nomination Paper, the candidate shall not be required to file a Nomination Paper, but may request the Elections Official to accept the Petition instead of filing a Nomination Paper.

If a Signatures in Lieu of Filing Fee Petition does not contain the requisite number of valid signatures required for the Nomination Paper, the candidate shall be entitled to file, within the time period allowed for filing Nomination Papers, a Nomination Paper. A candidate who submits a Nomination Paper shall only be required to obtain the number of signatures thereon needed to supplement the Signatures in Lieu of Filing Fee Petition so that the combination of signatures appearing on the Petition and the Nomination Paper equals or exceeds the requisite number of signatures required for the Nomination Paper.
EC §8061

The Nomination Paper shall be delivered to the County Elections Official of the county in which the signer resides and is a voter.
EC §8063

Voters May Sign Only One Paper Per Open Position
No signer shall, at the time of signing a certificate, have his or her name signed to any other Nomination Paper for any other candidate for the same office or, in case there are several places to be filled in the same office, signed to more Nomination Papers for candidates for that office than there are places to be filled.
EC §8069

Circulating within 100 Feet of Polling Place
Signatures for Signatures in Lieu of Filing Fee Petitions and Nomination Papers shall not be obtained within 100 feet of a polling place, satellite location or Elections Official’s office.

Guidelines for Gathering Signatures (continued)

Registering Voters at Time of Signing Signatures in Lieu of Filing Fee Petitions and Nomination Papers
Candidates may register voters at the same time as the voter signs the candidate’s Signatures in Lieu of Filing Fee Petition and/or Nomination Paper. For purposes of verifying signatures on a Petition or Paper, a properly executed affidavit of registration shall be deemed effective for verification purposes if both (a) the affidavit is signed on the same date or a date before the signing of the Petition or Nomination Paper, and (b) the affidavit is received by the County Elections Official on or before the date on which the Petition or Nomination Paper is filed.
EC §2102(b)

Validation of Signatures
The County Elections Official shall verify the signatures of the signers on the Signatures in Lieu of Filing Fee Petition or Nomination Paper with the registration affidavits on file in the office of the County Elections Official. The County Elections Official shall mark “not sufficient” any signature that does not appear in the same handwriting as appears on the affidavit of registration in his or her office, or that is accompanied by a declaration of party preference that is not in accordance with the declaration of party preference in the affidavit of registration. The County Elections Official may cease to verify signatures once the minimum requisite number of signatures has been verified.
EC §8081

No defect in any nomination document presented shall prevent the filing of another nomination document within the period allowed for presenting the nomination document.
EC §8102

The signer must be a registered voter residing at his or her address of registration, at the time of signing any Petition or Nomination Paper.

The following guidelines will be used when validating signatures on Signatures-in-Lieu-of Filing-Fee Petitions and Nomination Papers. A signature can be challenged if the signer:

Extended Filing Period

If the incumbent of a judicial office fails to file a Declaration of Intention by the end of November 6, 2019, persons other than the incumbent may file Declarations of Intention no later than the first day for filing Nomination Papers. EC §8023(b)
Declaration of Candidacy

November 11, 2019 – December 6, 2019

A person shall not be considered a legally qualified candidate for an office, for party nomination for a partisan office, or for nomination to participate in the general election for a voter-nominated office, under the laws of this state unless that person has filed a Declaration of Candidacy or Statement of Write-in Candidacy with the proper official for the particular election or primary, or is entitled to have his or her name placed on a general election ballot by reason of having been nominated at a primary election, or having been selected to fill a vacancy on the general election ballot as provided in Elections Code Section 8807 or having been selected as an independent candidate pursuant to Elections Code Section 8304.

EC §13(a)

EC §13106

If the candidate has changed his or her name within one year prior to the election, the new name will not appear on the ballot unless the change was made by marriage or by Decree of Court.

EC §13107.3

Code of Fair Campaign Practices (Voluntary)
The Legislature encourages every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices. It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

EC §20400

At the time an individual is issued his or her Declaration of Candidacy, Nomination Papers, or any other paper evidencing an intention to be a candidate for public office, the Elections Official shall give the individual a blank form of the Code of Fair Campaign Practices and a copy of Chapter 5, Division 20, of the Elections Code, which can be obtained at https://leginfo.legislature.ca.gov/faces/codes_displayText.xhtml?lawCode=ELEC&division=20.&title=&part=&chapter=5.&article=1.

The Elections Official shall inform each candidate for public office that subscription to the code is voluntary. The Elections Official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election. Every code subscribed to by a candidate for public office pursuant to the Code of Fair Campaign Practices is a public record open for public inspection. In no event shall a candidate for public office be required to subscribe to or endorse the code.

A candidate who does not have a character-based name by birth, but who identifies by a particular character-based name and can demonstrate to the local elections official that the candidate has been known and identified within the public sphere by that name over the past two years, may use that name instead of a phonetic transliteration.”

Candidate Statement of Qualifications Form
If a candidate chooses to publish a candidate statement in the County Sample Ballot & Official Voter Information Pamphlet, the candidate must fill out this form and file it with their statement. The candidate has the option of providing his or her occupation and age on this form. The occupation can be the same or different from the candidate’s chosen Ballot Designation. However, if the length of the occupation exceeds one line, it may need to be modified.

Candidate Statement Word Limit
Local candidates: 200 to 400 words (Decided by the governing body of the jurisdiction.)
Federal and State candidates: 250 words
EC §§13307(a)(1), 13307.5, GC § 85601

Candidate Statement Content
A candidate statement may include the name, age, and occupation of the candidate and a brief description of the candidate’s education and qualifications expressed by the candidate himself or herself. A candidate statement shall not include the party affiliation of the candidate, nor membership or activity in partisan political organizations.
EC §13307(a)(1)

A candidate statement shall be limited to a recitation of the candidate’s own personal background and qualifications and shall not in any way reference other candidates for that office or another candidate’s qualifications, character, or activities.
EC §13308

When and Where to File Candidate Statement
A candidate statement shall be filed in the office of the Elections Official when the candidate’s Nomination Papers are returned for filing. A statement shall be filed in the office of the Elections Official no later than the 88th day before the election, if it is for an election for which Nomination Papers are not required to be filed.
EC §13307(a)(2)

It is strongly recommended that the candidate statement be filed personally by the candidate. If the statement is filed by someone other than the candidate, that person should have the authority to make corrections or deletions to the statement in the event that errors or an excess number of words are detected prior to filing the statement.
Candidate Statement Guidelines (continued)

Withdrawal and Change of Candidate Statement
Any candidate may withdraw his or her candidate statement, either in person or by a signed statement of withdrawal, no later than 5 p.m. on December 9, 2019 (the next business day following the close of the nomination period) or no later than 5 p.m. on December 12, 2019 for extended offices. A candidate statement CANNOT be changed once filed.

EC §13307(a)(3)

Confidentiality of Candidate Statement before End of Filing Period
Candidate statements shall remain confidential until expiration of the filing deadline.

EC §13311

Public Examination of Candidate Statements
Statements are available for public examination in the County Elections Official's office during the 10-calendar-day review period (commencing at 5 p.m. December 6, 2019, or at 5 p.m. December 11, 2019 for extended races) prior to submission for printing. During this period any voter of the jurisdiction in which the election is to be held, or the County Elections Official, may seek a writ of mandate or an injunction requiring any or all of the material in the statement to be amended or deleted. (City candidates’ statements are reviewed at the City Clerk’s Office.)

EC §13313

Format of Candidate Statement
In order to ensure uniformity of all candidates’ statements, each candidate must prepare the statement according to the following guidelines:

- Type the statement exactly as you wish it to appear. Attach a completed copy to the Candidate Statement of Qualifications.
- In addition to a hard copy, please provide the statement on a flash drive or by email to mlu@smcacre.org in plain text format or attachment of a Word document.
- One signed hard copy must be filed by the deadline. If there are any discrepancies between the hard copy and the electronic copy, the hard copy will prevail.
- Do not use formats that are underlined, bolded, italicized or ALL CAPITALIZED.
- Do not use any unusual spacing, punctuation, indentations, bullets or an outline format.
- Check your statement for errors in spelling, punctuation and grammar. Remember, statements cannot be changed once they are filed, and the County Elections Official is not responsible for correcting these errors.
- Do not go over the word number limit. Use the word count guidelines on the following page when counting words.

If a statement is submitted and found non-compliant in format, the County Elections Official will make the necessary changes to create compliance.

Candidate Statement Heading in Sample Ballot & Official Voter Information Pamphlet
The heading includes the candidate’s name (required) as provided on the Declaration of Candidacy, age (optional) and occupation (optional) as provided on the Candidate Statement of Qualifications Form. All statements will be formatted to begin with the words: “Education and Qualifications:” followed by the text filed by the candidate. These words, as well as the heading, are standardized and included in the space provided. The words “Education and Qualifications” do not count toward the number of words allowed for the statement.
Candidate Statement Guidelines (continued)

Final Review and Sign-Off of Candidate Statement
Final copies of how candidate statements will appear in the Sample Ballot & Official Voter Information Pamphlet will be emailed to each candidate for review and “sign-off” approval. Changes will only be made if the finalized version differs from the hard copy submitted or if an error was made on the part of the Registration & Elections Division.

The same “sign-off” process is used for the Chinese and Spanish translations of candidate statements. Statements are translated by certified translators and then proofed against the original English hard copy. Changes will only be made to the Chinese and Spanish versions of a candidate’s statement if the finalized version differs from the hard copy or if an error was made on the part of the translators.

A 24-hour turnaround time is required to meet printing deadlines. Any delay in signing-off jeopardizes the printing schedule. No reply after the 24-hour review period means the statement is approved as emailed to the candidate.

Candidate Statement Guidelines  (continued)

Word Count Guidelines
Pursuant to the interpretation of Section 9 of the Elections Code by the San Mateo County Elections Official, each word in candidate statements, ballot questions, measure arguments and impartial analyses will be counted as one word except as specified below:

- Punctuation is not counted. This refers to the following symbols: , . : ; ! ? ( ) [] ‘ ”
- Symbols such as $, #, *, and % are not counted as separate words.
- All proper nouns, including geographical names, shall be counted as one word. Examples include: City and County of San Francisco, San Mateo County Charter, or John Charles Fremont.
- Each abbreviation or acronym for a word, phrase or expression shall be counted as one word, such as Feb. (February), Wed. (Wednesday), NASA, e.g., i.e., J.D., PhD. and K-8.
- Hyphenated words that appear in any generally available standard reference dictionary published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted shall be counted as one word. Each part of all other hyphenated words shall be counted as a separate word. The Chief Elections Officer retains discretion to determine whether a word is included in a standard reference dictionary for these purposes.
- Dates shall be counted as one word, whether purely numeric (06/14/1846) or otherwise (July 4, 1776; September Eighth, Nineteen Sixty-Six).
- Any number consisting of a digit or digits shall be counted as one word (100; 3; 525,600). Any number which is spelled shall be considered as a separate word or words. Thus, for example, “One” will be counted as one word, while “One Hundred” will be counted as two words and “Five Hundred Thousand” as three words.
- Telephone numbers will be counted as one word.
- Website addresses and email addresses will be counted as one word.
- In an itemized list, headers such as “A.)” or “1)” will be counted as one word. Bullet points will not be counted as a separate word. (Candidate statement does not allow bullet points)
- Name, age and occupation located in the header of a candidate statement only are not counted towards the word count.
- If the text exceeds the word limit, the author will be asked to rewrite the text to bring the total number of words within the required word limit. If the author refuses to alter the text in this manner, the County Elections Official will remove words from the bottom up to meet the word limit requirement.
Candidate Statement Guidelines (continued)

Candidate Statement Costs and Payment
Candidates shall bear the cost of printing, mailing and translating their statements in the Sample Ballot & Official Voter Information Pamphlets unless their jurisdictions agree to pay for the candidates.

All candidates (except those whose statements are paid by jurisdictions) must pay an estimated fee at the time of filing their candidate statements. City candidates should pay the city directly, while other candidates pay the county. Once actual final costs are calculated after the election, all candidates will be either refunded or requested to pay more.

The Registration & Elections Division does its best to provide the most accurate estimated fee, but final costs can vary according to the number of submitted statements appearing on one page, the number of pages required for a particular office, as well as the number of different pamphlets in which your statement will appear.

An Example of How Candidate Statement Estimated Fee is Calculated
Candidate statement fee is based on the printing, mailing and translating costs of the Sample Ballot & Official Voter Information Pamphlets.

The following is a step-by-step example of how the estimated fee is calculated:

1. Estimate the total number of pages ordered for ALL booklets in the election.
2. Estimate the total printing and mailing costs for ALL booklets in the election.
3. Divide the estimated total printing and mailing costs by the estimated total number of pages ordered to calculate the estimated cost per page per booklet.
   
   Example: $280,000.00 / 7,000,000 pages = $0.04 cost per page per booklet

4. Multiply each jurisdiction’s total booklet order (the total number of registered voters) by the estimated cost per page per booklet to get the estimated cost of printing and mailing per page for the jurisdiction.

   Example: 30,041 x $0.04 = $1,201.64 cost per page

5. Divide this cost by the estimated total number of filed statements.

   Example: 3 statements = $1,201.64 / 3 = $400.55 per statement (the amount will be rounded to the nearest cent, i.e., $0.01).

6. Add the estimated cost of translating the candidate statement into Spanish and Chinese.

   Example: Spanish Translation = $60
            Chinese Translation = $70

In this example, the final estimated cost for the three candidates is $530.55 each.

   Example: $400.55 + $60 + $70 = $530.55 final cost estimate

The actual cost may increase or decrease based on the number of statements among other factors. Spanish and Chinese translating costs are subject to change.
Fictitious Samples of Candidate Statements

Below are fictitious samples of 200-word statements as they would appear in the County Sample Ballot & Official Voter Information Pamphlet. Statements will appear in the same order as the candidates’ names appear on the ballot, except for offices elected throughout the county (which are rotated on the ballot by Supervisorial district, but not rotated in the County Sample Ballot & Official Voter Information Pamphlet).

California State Contribution Limits
Effective January 1, 2019 – December 31, 2020

Candidates seeking a state office and committees that make contributions to state candidates are subject to contribution limits from a single source. (Sections 85301 - 85303.) Contributions from affiliated entities are aggregated for purposes of the limits. (Regulation 18215.1.) The chart below shows the current limits per contributor for state offices. The primary, general, special, and special run-off elections are considered separate elections. Contribution limits to candidates apply to each election. Contribution limits to officeholder and other committees apply on a calendar year basis. Contact your city or county about contribution limits for local offices.

The contribution limits are effective for elections held between January 1, 2019 and December 31, 2020. (Regulation 18545.) These limits do not apply to contributions made to elections in previous years. Such contributions are subject to the limits in place for that year - see previous charts.

Legal Defense Funds
Contributions raised for a legal defense fund are not subject to contribution limits or the voluntary expenditure ceiling. However, a candidate or officeholder may raise, in total, no more than is reasonably necessary to cover attorney’s fees and other legal costs related to the proceeding for which the fund is created. (Section 85304; Regulation 18530.4.)

Recall Elections
A state officeholder who is the subject of a recall may set up a separate committee to oppose the qualification of the recall measure and, if the recall petition qualifies, the recall election. Neither contribution limits nor voluntary expenditure ceilings apply to the committee to oppose the recall that is controlled by the officeholder who is the target of the recall attempt. Candidates running to replace an officeholder who is the target of a recall are subject to the contribution limits and the expenditure limits applicable to the election for that office. (Section 85315; Regulation 18531.5.)

Ballot Measure Committees
Contributions to ballot measure committees controlled by a candidate for elective state office are not limited.

Contributions from State Candidates and Officeholders
A state candidate or state officeholder may not contribute more than $4,700 to a committee controlled by another state candidate or state officeholder (including a state or local election committee, legal defense fund, officeholder account, or ballot measure committee). This limit applies on a per election basis and includes, in the aggregate, contributions made from the candidate’s or officeholder’s personal funds and from campaign funds. (Section 85305; Regulation 18535.) This limit does not apply to a committee controlled by a state candidate to oppose his or her recall.

Communications Identifying State Candidates
Any committee that makes a payment or a promise of payment totaling $50,000 or more for a communication that:
1. Clearly identifies a state candidate; but
2. Does not expressly advocate the election or defeat of the candidate; and
3. Is disseminated, broadcast, or otherwise published within 45 days of an election, may not receive a contribution from any single source of more than $38,800 in a calendar year if the communication is made at the behest of the candidate featured in the communication. (Section 85310.)

Officeholder Committees
Officeholder contributions must be cumulated (in full) with any other contributions from the same contributor(s) for any other future elective state office for which the officeholder maintains a controlled committee during the term of office in which the contribution is received. Contributions to candidates for future elections and to their officeholder account are cumulated for purposes of contribution limits. (Regulation 18531.62.)

Contributions from State Lobbyists
A state lobbyist may not contribute to a state officeholder’s or candidate’s committee if the lobbyist is registered to lobby the agency of the elected officer or the agency to which the candidate is seeking election. The lobbyist also may not contribute to a local committee controlled by any such state candidate. (Section 85702; Regulation 18572.) In addition, effective January 1, 2015, lobbyists and lobbying firms may no longer take advantage of the $500 or less home/office fundraiser exception that is available to other individuals and entities. (Section 82015(f).)

Local Elections
Many cities and counties have local contribution limits and other election rules. “Local Campaign Ordinances” are listed on the FPPC’s website. Check with your city or county about contribution limits for local elections.

*EC §18403*
Fall 2019 to Spring 2020

Dear Candidate:

Every campaign season our office receives a number of calls from property owners complaining of uninvited campaign signs being placed on private property. This letter serves as a reminder of California Penal Code Section 556.1, which requires the property owner's prior consent for such advertising activity:

It is a misdemeanor for any person to place or maintain or cause to be placed or maintained upon any property in which he has no estate or right of possession any sign, picture, transparency, advertisement, or mechanical device which is used for the purpose of advertising, or which advertises or brings to notice any person, article of merchandise, business or profession, or anything that is to be or has been sold, bartered, or given away, without the consent of the owner, lessee, or person in lawful possession of such property before such sign, picture, transparency, advertisement, or mechanical device is placed upon the property.

Also, I am enclosing copies of letters from the Department of Transportation describing current regulations for the placement of political signs. For your convenience, you will also find a listing of City Clerks within San Mateo County, whom you may contact about specific city ordinances.

I request that you review these materials, and that you inform anyone who is posting materials on your behalf of these requirements.

Thank you in advance for your attention to this important matter.

Sincerely,

Mark Church
Dear Candidate or Committee Member:

As a candidate or campaign worker for either office or a ballot measure, this reminder about State law governing campaign signs should be helpful to you.

Section 5405.3 of the State Outdoor Advertising Act exempts the placing of Temporary Political Signs from normal outdoor advertising display requirements.

A Temporary Political Sign meets the following criteria:

A. Encourages a particular vote in a scheduled election.

B. Is placed no sooner than 90 days prior to the scheduled election and is removed within 10 days after that election.

C. Is no larger than 32 square feet.

D. Has had a Statement of Responsibility filed with the Department certifying a person who will be responsible for removing the sign (Attached).

A completed Statement of Responsibility must be submitted to:

Division of Traffic Operations
Outdoor Advertising Program
P.O. Box 942874, MS-36
Sacramento, CA 94274-0001

Temporary Political Signs shall not be placed within the right-of-way of any highway, and be visible within 660 feet from the edge of the right-of-way of a classified “Landscaped freeway”.

State law directs the Department of Transportation to remove unauthorized Temporary Political Signs and bill the responsible party for their removal. We are calling these provisions to your attention to avoid possible embarrassment or inconvenience to you and your supporters. Please share this information with those assisting in your campaign.

Should you have any questions, comments or need additional information, please call (916) 654-6473.

California Voter’s Choice Act

Overview
San Mateo County has been selected by the State Legislature as one of 14 pilot counties statewide authorized to conduct All-Mailed Ballot/Vote Center with Ballot Drop-off Locations elections under Senate Bill 450, the California Voter’s Choice Act. On September 12, 2017, the San Mateo Board of Supervisors authorized the Chief Elections Officer to proceed with the implementation of the Act for future elections.

Purpose
The California Voter’s Choice Act, was enacted to increase voter participation, enlist public engagement, and expand voting options for all voters. The law fundamentally changes the manner in which future elections are to be conducted by establishing an All-Mailed Ballot/Vote Center election model, utilizing Vote Centers and Ballot Drop-off Locations strategically placed throughout the county.

Voting Options
Under the Voter’s Choice Act, all voters will be mailed a ballot 29 days before the election with a postage-paid envelope to return the ballot.

Voters will be able to cast their ballots by choosing one of three methods:

Vote by Mail
You can vote and mail your ballot in the postage-paid return envelope on or before Election Day.

Drop off Your Voted Ballot
You can vote and return your ballot into a secure Ballot Drop-off Box. Ballot Drop-off Boxes will be located throughout San Mateo County starting 28 days before the election.

Vote in Person
Vote Centers look and feel like polling places, but provide additional services and options for voters. You can go to any Vote Center in San Mateo County to:

- Vote on an accessible voting machine
- Vote on a paper ballot
- Access multilingual election materials and receive assistance from English, Spanish, Chinese, Filipino or Korean speaking staff
- Drop off your ballot
- Receive a replacement ballot
- Register to vote or update registration information through Election Day

Vote Centers will be located throughout San Mateo County.

- Four Vote Centers will be open 29 days before the election
- An additional five Vote Centers will be open 10 days before the election and at least an additional 31 Vote Centers will be open three days before the election for at least 8 hours daily.
- All Vote Centers will be open on Election Day from 7 a.m. to 8 p.m.

EC §4005
Election Day

Vote Centers are open from 7 a.m. to 8 p.m. on Election Day.

Election Day Observing
The Registration & Elections Division has procedures in place for election observers at the Vote Centers. It is important that activities at the Vote Centers are organized, operationally smooth and hassle-free for both the voters and the Vote Center Representatives.

- Observers are welcome to watch all proceedings at the polls, including Vote Center Representatives while opening up the polls, citizens preparing to vote, and, more commonly, to observe the closing activities.
- Observers have the right to raise questions to the Vote Center Representatives, and may direct their questions about procedures to the Lead, or in the absence of the Lead, to other Vote Center Representatives who are in charge.
- Observers may not go near a voting booth while occupied and may not approach voters during the voting process. Observers may talk to voters outside the Vote Center, beyond the “no-electioneering zone.”
- Observers may not directly challenge a voter. Election law provides that only the Elections Official, and/or Vote Center Representative holds the right to challenge a particular vote.
- Observers may not interfere in any way with the voting process.

Election Night Results: Semi-Official and Official Canvass
The semi-official canvass will commence immediately upon the close of the polls at 8 p.m., March 3, 2020. Votes are cumulated at the secure, central counting location within the Registration & Elections Division at 40 Tower Road, San Mateo, CA 94402.

*EC §15150*

Generally, the election night results will be released as follows:

- **8:05 p.m.**: Vote by Mail Ballots Only
- **9 p.m.**: All Vote Center Votes (*Updated every 30 minutes*)

There are two different ways you may obtain Election Night Semi-Official results:

- View the results as they are posted on our website at [www.smcacre.org](http://www.smcacre.org)
- Subscribe to emailed reports, via subscription form posted on [www.smcacre.org](http://www.smcacre.org) one week prior to the election
Official Canvass and Election Certification

Final Official Canvass
The purpose of the Official Canvass is to thoroughly audit, account for and validate every ballot and vote cast in the election, so that the Elections Official may derive and certify the final vote counts. This process tests the accuracy and validity of partial vote counts derived in the Semi-Official Canvass and goes beyond those preliminary processes to validate and count additional Vote by Mail ballots, provisional ballots and write-in votes, and to account for unused and damaged paper ballots. *EC §15300-15360*

During the Official Canvass, any interested person may choose to observe the Registration & Elections Division procedures. To observe this process, please feel free to contact 650.312.5222 or visit the office during normal business hours, Monday through Friday, from 8 a.m. to 5 p.m.

A press release detailing the Official Canvass will be available on the Registration & Elections Division's website: [www.smcacre.org](http://www.smcacre.org).

Election Certification
Official results must be certified no later than 30 calendar days following an election. A certified “Statement of the Vote” will be available on the Elections website at [www.smcacre.org](http://www.smcacre.org) and for purchase or viewing at the Registration & Elections Division, located at 40 Tower Road in San Mateo. *EC §15372*
