## Impartial Analysis of Measure Q

On March 24, 2020, the San Mateo County Board of Supervisors adopted a resolution to renew the levy of a special tax on property located in County Service Area No. 1 (the “Service Area”) for extended police and fire protection services. Under Government Code Section 50075, a ballot measure for approval of the special tax must be submitted to the voters of the Service Area.

A special tax for police and fire protection services in the Service Area has been levied since 1982, and was most recently renewed by voters in 2016. The Board of Supervisors determines the specific amount of the tax each year, with a maximum rate of $65 per year per parcel. The special tax is currently scheduled to expire on June 30, 2020.

If this Measure is approved by the voters of the Service Area, the special tax would continue to be levied for an additional period of four (4) years, commencing July 1, 2020 and ending June 30, 2024. The Board of Supervisors would continue to set the specific amount of the special tax each year, with a maximum rate of $65 per year per parcel, after a noticed public hearing. The special tax would be collected by the San Mateo County tax collection officials at the same time as, and along with, the general ad valorem taxes. It would be subject to the same penalties as the general ad valorem tax, and the special tax and penalty will bear interest at the same rate as the rate for unpaid ad valorem property taxes until paid.

The proceeds of the special tax may be spent only on extended police and structural fire protection services in the Service Area, and for no other purposes. The County must deposit the proceeds from the tax into a special account and prepare an annual report describing the amount of funds collected and expended.

A “yes” vote on this Measure would allow the continuation of a special tax to be levied on property within the boundaries of the Service Area for extended police and fire protection services at a rate no greater than $65 per parcel per year for an additional four (4) years, from July 1, 2020 through June 30, 2024.

A “no” vote on this Measure would not allow the special tax to be levied, with the current tax supporting extended police and fire protection services in the Service Area ending June 30, 2020.

This Measure passes if two-thirds of those voting on it vote “yes.”

The above statement is an impartial analysis of Measure Q. If you desire a copy of the entire measure as contained in Resolution No. 077299 please call the elections official’s office at 650.312.5222 and a copy will be mailed at no cost to you. You may also access the full text of the measure on the county’s website www.smcacre.org.
Community Service Area 1 (CSA 1) was established in 1955 to provide enhanced fire service for the San Mateo Highlands, Baywood Park, Baywood Plaza, San Mateo Oaks, Polhemus Heights, Hillside Garden and other neighborhoods in the unincorporated area to the east and west of Polhemus Road. When the district was created, a share of the CSA 1 residents’ property taxes was dedicated to paying for enhanced fire service which was provided by Cal Fire. In 1966, extra patrols by the County Sheriff were requested by the community and paid through the CSA 1 property tax allocation.

Today, CSA 1 pays for a 24/7 fire engine located at Fire Station #17, located on Paul Scannell Drive. CalFire staffs the engine with a minimum of three firefighters, at least one of which is a Paramedic. CSA 1 also pays for patrol service by a Deputy Sheriff, 7 days a week, 18 hours a day.

In 1982, CSA 1 residents voted to assess themselves up to $110 a year in additional property taxes to fully fund their enhanced police and fire services. Since 1982, the actual assessment has been $65 a parcel. The $65 tax has been consistently renewed by the voters every four or five years since 1982. The current parcel tax expires on June 30, 2020.

Measure Q on the June ballot extends the $65 CSA 1 parcel tax another four years. To pass, the measure must be supported by 2/3 of the voters in CSA 1.

For over fifty years, the CSA 1 residents have enjoyed the exceptional fire and police services provided by CalFire and the County Sheriff.

We encourage all CSA 1 residents to vote YES on Measure Q to continue to fully fund our enhanced police and fire protection another four years.

Arguments in support of or in opposition to the proposed laws are the opinions of the authors.

<thead>
<tr>
<th><strong>Argument Against Measure Q</strong></th>
<th><strong>Rebuttal to Argument Against Measure Q</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td>Measure Q is a $65 parcel tax that requires a 2/3 vote to pass.</td>
<td>The argument against measure Q is by a tax organization not located in Unincorporated San Mateo County Service Area One (CSA1). It has no basis to evaluate lifesaving services specific to the CSA1 area. The election cost is already paid. If you receive this ballot to vote, then it is your local emergency services that are at risk.</td>
</tr>
<tr>
<td>Does this special election make any sense whatsoever?</td>
<td>This is not a new tax, but a renewal initiated and continued by local taxpayers. Unfortunately, County staff omitted this measure from the March 2020 ballot. Residents insist on no further government disruption to well established CSA1 level of services, neighborhood oversight, and emergency response time.</td>
</tr>
<tr>
<td>According to the San Mateo County Assessors Office there are 1,440 parcels within this “special” district.</td>
<td>This Special Parcel Tax provides CSA1 neighborhood oversight, which has saved specific CSA1 services that would have been lost and are vulnerable without this measure.</td>
</tr>
<tr>
<td>According to the resolution passed by the Board of Supervisors, this special election could cost up to $100,000 to conduit the election.</td>
<td>As wildfires and other costly disasters become more frequent, residents want to continue the quantity and quality of emergency services in CSA1 through this tax renewal. Current services provide a 24/7 fire engine and nearby fire station in our neighborhood on Paul Scannell Dr., staffed by 3 CalFire firefighters, including a paramedic, and patrolled by Sheriff Deputy 18hrs a day/7days a week.</td>
</tr>
<tr>
<td>Does this math make any sense?</td>
<td>CSA1 purchases a fire engine and staffing to assure the quickest response times possible for CSA1 neighborhoods. Since 1982, this longstanding tax has been repeatedly renewed at $65 per year, per parcel to fund CSA1 specific Enhanced Fire, Sheriff and emergency medical response services first established in 1955.</td>
</tr>
<tr>
<td>Let’s see:</td>
<td>Keep our neighborhood voice on emergency services! Vote YES.</td>
</tr>
<tr>
<td>Let’s divide the cost ($100,000) by the number of parcels (1,440) and we get $69.44 per parcel cost to hold the election.</td>
<td></td>
</tr>
<tr>
<td>Just to hold the election is going to cost $69.44 per parcel to raise $65 the first year.</td>
<td></td>
</tr>
<tr>
<td>Yes, it’s a parcel tax for 4 years, but that means the total cost of the election is going to be over 25% of all the revenues.</td>
<td></td>
</tr>
<tr>
<td>What a waste of taxpayers’ money!</td>
<td></td>
</tr>
<tr>
<td>What if this measure is defeated??</td>
<td></td>
</tr>
<tr>
<td>Are police and fire services going to be withheld from people living in the district?</td>
<td></td>
</tr>
<tr>
<td>The answer is an obvious no.</td>
<td></td>
</tr>
<tr>
<td>The responsible thing to do is vote NO on Measure Q and send a message to the San Mateo Board of Supervisors and tell them spending $100,000 to raise $93,600 in 2021 makes no sense.</td>
<td></td>
</tr>
<tr>
<td>Also, why wasn’t this election held in conjunction with the March 3rd election?</td>
<td></td>
</tr>
<tr>
<td>Or, why can’t this ballot measure wait until the Presidential election in November?</td>
<td></td>
</tr>
<tr>
<td>Another way to look at this election is the cost of the election divided by the number of voters (2,925) in the district or $34.19 per voter.</td>
<td></td>
</tr>
<tr>
<td>Lastly, the San Mateo County budget already includes a $12,210,547 reserve fund that could clearly cover the expenses of police and fire protection in the district.</td>
<td></td>
</tr>
<tr>
<td>Just say NO on Measure Q = Quit raising taxes.</td>
<td></td>
