Rebuttal: East Palo Alto TOT Argument Measure V

The City of East Palo Alto imposes a 12% Transient Occupancy Tax (TOT) on hotel guests and now is proposing a 14% tax.

The East Palo Alto City Council wants people who do not live here and largely do not use city services to pay for the services used by those who do live and work here.

In other words, they want a free ride and stick out of towners with the bill.

Would you do that to your friends, family, or co-workers?

No, because that would be immoral. It is a form of theft.

If you use city services, shouldn’t you be the one to pay for them?

Do you go to a restaurant and always expect someone else to pick up the tab?

Those who regularly do that are called grifters. Or petty thieves.

Just because the City Council is looking for a free ride and stick it to out of towners to pay the bill/tax, does not make it right.

Stealing is stealing regardless if a majority approves.

Making East Palo Alto visitors pay for services that they will not or cannot use, is immoral, so vote **NO on Measure V**. Better yet, repeal the existing TOT.

And keeping this tax lower will help local hotels compete for business, encouraging more visitors to stay here, which would help boost the local economy.

To keep our local hotels competitive -- and because stealing from visitors is wrong --

**VOTE NO ON V.**
