Argument in Favor of Measure

Outdoor eating and gathering places where families can experience food, culture, art and music together are the cornerstone of strong communities around the country, and here in Woodside we have an opportunity to make these permanent features of our community as well. Please join us in voting for measure A which provides for 2 exceptions to current zoning restrictions to enable this future.

First, an exception to the zoning rules for Canada Corners to allow for more surface parking behind the retail shops and restaurants. This expanded surface parking would allow the Canada Corners restaurants (Bakery, Buck's etc.) to permanently install outdoor dining facilities along Woodside Road, additional surface parking being a requirement to make these facilities permanent.

Second, an exception to the zoning rules for the land across the parking lot from Town Hall to include an approved use exception to construct a community amphitheater. Many in our community have long hoped for such a gathering place to experience art, music and community events in Woodside, and with this zoning change we can begin to explore this possibility.

To be clear, in both cases this only begins the process. This is NOT a vote to have these projects approved. Rather, this vote would provide for 2 zoning exceptions that, once passed, will enable these ideas to be formally explored and to begin the planning process. In all cases any project that emerges must meet Town building and planning requirements and include the opportunity for community input. But to be clear, without these changes the conversation can't even begin. Please support Measure A so we can make progress towards realizing this vision for our community. We thank you for your support.

Peter Bailey and Alexander Tauber
Woodsiders for Outdoor Dining
