Argument in Favor of Measure

The Special Parcel Tax is an important component of the Town’s financial health – it is not a new tax. It renews an existing parcel tax supported by residents for almost 40 years. Most parcels, 1/2 to 2 acres, are assessed a maximum of $750 annually. Total revenue from all parcels is $1.86M, representing 13% of Town’s total annual revenue. 100% of the Parcel Tax goes to the Town, unlike your basic property tax where only about 9% goes to the Town.

Use of the Parcel Tax is restricted to:

- police/emergency services and critical 9-1-1 capabilities
- front-line law enforcement and school resource officer
- street repairs, maintenance and improvement
- storm drain repairs, maintenance and construction

Recent projects include:

- $4M Marsh Road Channel
- $650K Series Street Light Replacement
- $350K El Camino HAWK signal
- $490K Bike/Ped Routes
- $675K Stockbridge, Euclid/Polhemus, Camino al Lago drainage
- $1M Road Maintenance

Parcel Tax revenue cannot be used for Park or Civic Center projects.

Atherton receives minimal sales tax revenue and has few other local revenue sources. Grants are regularly sought out, but hard to secure. The Parcel Tax is critical for major public work projects.

The Town acts prudently with your money. We consistently receive clean audit reports, and we scrutinize budget expenditures to reduce costs where needed, including the elimination of long-term liabilities. Every year Council has the option to reduce the tax amount based on review of expenditures and available revenues.

The renewal term has been reduced from 4 to 3 years to better align with revenue/expenditure projections and reassess the need for the Parcel Tax.

A 2/3 vote is required to pass.

Vote YES to renew the Parcel Tax and continue important funding for public safety, streets, and drainage to maintain the quality of life Atherton residents expect and enjoy.
