Ballot Measure Primary Argument Submission Form

A ballot argument shall not be accepted unless accompanied by this completed form, which shall contain the printed name(s) and signature(s) of the person(s) submitting it or, if submitted on behalf of a bona fide association of citizens/organization, the name of the association/organization and the printed name and signature of at least one of its principal officers. If the measure is presented to voters pursuant to an initiative petition in a special district election, please contact the Elections Office for special instructions.

Word count limit for Primary Arguments = 300

Burlingame School District
Presidential General Election to be held on November 8, 2016

☑ Primary Argument in Favor of
☐ Primary Argument Against

This argument is submitted by: (check all that apply)

☐ The Governing Body of the County of San Mateo, a School District, or a Special District
If this argument is filed by the governing body of the County of San Mateo, a school district or a special district, fill in the name of the governing body on the line below and complete both sides of this form.

Governing Body:
Contact Person’s Printed Name: ____________________________
Contact Person’s Signature: ____________________________
Title: ____________________________

☑ Individual(s) eligible to vote on the measure
Individual signers must be eligible to vote on the measure.

Contact Person: ____________________________
Phone: ____________________________
Fax: ____________________________

Please complete the reverse side of this form.
Primary Argument Signers Form

No more than five signatures shall appear with any argument. If more than five signatures are submitted, the first five listed shall be printed.

Names and titles listed will be printed in the order that they are listed below.

If the signers are part of a bona fide association/organization, there is no requirement that they be eligible to vote on the measure. However, for each signing individual(s), the title under the signer's name shall list the name of that bona fide association/organization and may include their position within that association/organization.

By signing below, the undersigned state that they have read the argument and believe it not to be false or misleading.

Argument in Favor of Measure __

Vote Yes on Measure __ to repair aging classrooms and labs so that Burlingame students are prepared to excel in the modern world.

Burlingame School District provides an exceptional education for local elementary and middle school students, yet outdated schools — some of which are over 100 years old — are in serious need of repair.

Measure __ provides dedicated, locally controlled funding to support a safe and modern learning environment for local students. Voting Yes on __ will replace deteriorating classrooms and old portables so that teachers can focus on providing students with excellent instruction in core academics like math, science, reading and writing.

We need Measure __ to prepare our students for success in high school, college and beyond. Updated computers and classroom technology will ensure our students take the next step ready to compete for high-demand jobs in science, technology and engineering.

Yes on __ — Necessary Repairs for Modern Burlingame Schools
- Repair classrooms to provide access for students with disabilities
- Fix leaking roofs and remove lead and asbestos where found
- Update classrooms, libraries and educational facilities to meet current earthquake, fire and safety codes
- Protect student safety and security by creating single point entries at all schools
- Ensure hands-on science, technology and engineering labs are up to the same 21st-century standards

Every Penny Stays Here in Burlingame
- All money raised will be controlled locally to support local elementary and middle schools and cannot be taken away by the State
- Independent citizen oversight and annual audits are required
- No money can be used for administrator salaries

While some of our schools have been renovated recently, others have not, and all local students deserve equal access to safe and up to date classrooms. Join us in voting Yes on __ — modern Burlingame schools equipped for 21st-century student success.
