January 2011

Dear Candidate:

I congratulate you on your decision to run for office and offer your leadership to the people of San Mateo County. There are important challenges facing the Board of Supervisors and I salute your willingness to tackle these issues.

As a candidate for office, you are now responsible for legally setting up your campaign, filing for office and submitting all of the necessary forms. It can be confusing even for the most seasoned of candidates.

We have developed this Candidate Guide along with a combined Candidate & Voter Data Seminar to help you understand your responsibilities, reporting requirements, and deadlines as well as how to obtain and use voter data in your campaign. I highly recommend that you attend this seminar. Even if you’ve run before and are familiar with the process, laws change, forms change and reporting requirements change, and the laws governing special elections are slightly different. If you are unable to attend the seminar, I encourage you to read the Candidate Guide carefully.

The Candidate & Voter Data Seminar will be held on January 7 from 2 p.m. to 4 p.m. at the Elections Office at 40 Tower Road in San Mateo. You are welcome to bring your key volunteer(s) or campaign staff member(s) to this seminar. Just let us know who will be coming.

In addition to the seminar, our website, www.shapethefuture.org, has an abundance of useful information for candidates and campaigns, including an interactive election calendar, information on how to request voter file data, an electronic copy of the Candidate Guide for this election, the specific requirements and steps for including voter registration and/or vote by mail information in your campaign materials, polling place lookups, voting options for voters, and much more.

I also want to encourage you to participate in Smart Voter, a nonpartisan, comprehensive voter education resource provided by the League of Women voters (www.smartvoter.org). Their contact info is included.

Lastly, it is a privilege and honor to serve you in my new capacity as your Chief Elections Officer. My office is ready to answer your questions and provide assistance. I encourage you to direct your questions regarding candidate filings to our Filing Officer, Megan Asmus at (650) 312-5293 or email her at masmus@smcare.org.

Sincerely,

Mark Church
The 2011 Candidate Guide is intended to provide general information about the nomination and election of candidates, and does not have the force and effect of law, regulation or rule. It is distributed with the understanding that the Elections Division is not rendering legal advice and, therefore, the guide is not to be a substitute for legal counsel for the individual, organization or candidate using it. Candidate Qualifications for Office

**Member, Board of Supervisors**
Citizen of the United States. Registered voter of District 1 which he or she represents for at least 30 days immediately preceding the deadline for filing nomination documents and shall reside in the district during his or her incumbency. *San Mateo County Charter Article II, §202; GC §§24001, 25041; EC §201*

Term: Remaining term ending on January 3, 2013 (12:00 noon)
Holding Two Offices

The 1999 San Mateo County Grand Jury recommended that all candidates be made aware that individuals cannot hold incompatible offices. If a candidate is elected to an office that is incompatible with the first office, the first office becomes vacant upon the taking of the second office.

While there is no statute that defines what an “incompatible office is,” there is a common law doctrine of incompatible offices. This doctrine precludes public officials from holding two different public offices simultaneously if the offices have overlapping and conflicting public duties. Courts have summarized the doctrine as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.” (Mott v. Horstmann (1950) 36 Cal.2d 388; see also, Chapman v. Rapsey (1940) 16 Cal.2d 636.)

The Attorney General’s Office has issued many opinions as to whether certain offices are incompatible or not. Here are five examples of offices that the Attorney General Offices has opined were incompatible: (1) the offices of city councilman and school district board member where the city and the school district have territory in common; (2) the positions of fire chief of a county fire protection district and member of the board of supervisors of the same county; (3) the offices of trustee of a high school district and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district; (4) water district director and a city council member and (5) a water district director and a school district trustee having territory in common.

Footnotes
13.5. (a) (1) Notwithstanding subdivision (a) of Section 13, no person shall be considered a legally qualified candidate for any of the offices set forth in subdivision (b) unless that person has filed a declaration of candidacy, nomination papers, or statement of write-in candidacy, accompanied by documentation, including, but not necessarily limited to, certificates, declarations under penalty of perjury, diplomas, or official correspondence, sufficient to establish, in the determination of the official with whom the declaration or statement is filed, that the person meets each qualification established for service in that office by the provision referenced in subdivision (b).
(2) The provision of "documentation," for purposes of compliance with the requirements of paragraph (1), may include the submission of either an original, as defined in Section 255 of the Evidence Code, or a duplicate, as defined in Section 260 of the Evidence Code.
(b) This section shall be applicable to the following offices and qualifications therefore:
(1) For the office of county auditor, the qualifications set forth in Sections 26945 and 26946 of the Government Code.
(2) For the office of county district attorney, the qualifications set forth in Sections 24001 and 24002 of the Government Code.
(3) For the office of county sheriff, the qualifications set forth in Section 24004.3 of the Government Code.

The filing fees for all candidates required to file declarations of intention to become a candidate shall be paid at the time such declarations are filed with the county elections official. The filing fees for all other candidates shall be paid at the time the candidates obtain their nomination forms from the county elections official. The county elections official shall not accept any papers unless the fees are paid at the time required by this section, or unless satisfactory evidence is given to the county elections official or to the registrar of voters that the fee has been paid at the time of the declaration of candidacy in another county. Petition In-Lieu of Filing Fee

A candidate may submit a petition containing signatures of registered voters in-lieu of paying the filing fee to run for office. The signatures submitted may cover all, or a pro rata portion of the filing fee. Any registered voter may sign an in-lieu-of-filing-fee petition for any candidate for whom he or she is eligible to vote. “All signers must be registered voters.” If a voter signs more candidates’ petitions than there are offices to be filled, the voter’s signatures shall be valid only on those petitions which, taken in the order they were filed, do not exceed the number of offices to be filled. Elections Code §8060, §8106 (b) (1) (2)

No additional signatures may be filed after the filing date, but supplemental signatures may be filed to replace signatures in the original filing that were found to be insufficient. That portion of the filing fee not covered by the signatures must be paid in full before the nomination documents may be filed. EC §8105, §8106

Where/When Available
The candidate, or his or her representative (with written permission), may obtain the signature in-lieu of filing fee petition from the County of San Mateo’s Registration – Elections Division office beginning December 14, 2010. The forms will not be mailed and must be submitted for verification prior to obtaining nomination documents and no later than January 20, 2011. EC §8061, §8105, §8106
Nomination Petition Forms

All forms required for nomination and election to county offices shall be furnished by the county elections official. At the time of issuing these forms the county elections official shall:

1. Type on the forms the name of the candidate and the office for which he or she is a candidate,
2. Imprint a stamp on the form which reads “Official Filing Form”, and
3. Affix his or her signature on the form.

The forms shall be distributed to all candidates applying for them upon the payment of the filing fee. The county elections official shall not require a candidate to sign, file, or sign and file, a declaration of candidacy as a condition of receiving nomination papers. 
EC §§ 8020 and 8101

Signers (Sponsors) of Nomination Papers

The number of registered voters required to sign a nomination paper for candidacy in a single county or any political subdivision of a county, other than State Senate or Assembly, not less than 20 nor more than 40. EC §§ 8062

No more signers shall be secured for any candidate than the maximum number required. If, however, through miscalculation or otherwise, more signers are secured than the maximum number, the officer with whom the nomination papers are filed shall, with the written consent of the candidate, withdraw the excess number. EC §8067

**WARNING:**
Every person acting on behalf of a candidate is guilty of a misdemeanor who deliberately fails to file at the proper time and in the proper place any nomination paper in his/her possession which is entitled to be filed under the provisions of the Elections Code.

EC 18202
Guidelines for Gathering Signatures

Candidates should obtain the required number of signatures as soon as possible in order for their nomination papers to be returned to the Elections Department for examination and filing.

Petition Circulator Information
Anyone who is circulating a Signatures In-Lieu Petition or Nomination Paper must be a registered voter of the jurisdiction in which the candidate is seeking nomination. A circulator may serve only in the jurisdiction and county in which he/she resides. For offices that extend into another county, the circulator can only obtain signatures of registered voters residing in his or her county of residence. Therefore, a circulator in San Mateo County cannot obtain signatures from voters who reside in Santa Clara. A candidate for any office may obtain signatures to and sign his/her own Nomination Petition or Signatures In-Lieu Petition. His/her signature will be given the same effect as that of any other qualified signer. The candidate may circulate the petitions throughout the jurisdiction regardless of his/her county of residence.

EC §§106, 8065, 8066

Declaration of Circulator
Circulators appointed to circulate nomination petitions shall be voters in the district or political subdivision in which the candidate is to be voted on and shall serve only in that district or political subdivision. The candidate may appoint circulators to serve, within the county in which they reside, for purposes of securing signatures to the candidate’s nomination paper. The elections official shall not accept for filing any nomination papers unless all blanks in the certificate are filled. EC §§ 8065 - 8066

All petition circulators must complete, in his/her own hand:

1) The printed name of the circulator.
2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.
3) The dates between which all the signatures to the petition or paper were obtained. Each declaration submitted pursuant to this section shall also set forth the following:
   a. That the circulator circulated that section and witnessed the appended signatures being written.
   b. That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.

The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of his or her name at length, including given name, middle name or initial, or initial and middle name. The circulator shall state the date and the place of execution on the declaration immediately preceding his or her signature. EC §104
Qualified Signers
Only a person who is a registered qualified voter at the time he/she signs the Nomination Petition or Signatures In-Lieu Petition is entitled to sign it. Each voter shall at the time of signing the petition or paper personally affix his or her signature, printed name and place of residence, giving street and number, and if no street or number exists, then a designation of the place of residence which will enable the location to be readily ascertained. All signers of the same section of a petition must be registered in one county. Different sections must be used in each county where the petitions are circulated and filed with the County Clerk in the affected county. EC §100

Signers of nomination petitions shall be voters in the district or political subdivision in which the candidate is to be voted on and shall be affiliated with the party, if any, in which the nomination is proposed. No signer shall, at the time of signing a certificate, have his or her name signed to any other nomination paper for any other candidate for the same office or, in case there are several places to be filled in the same office, signed to more nomination papers for candidates for that office than there are places to be filled. EC §§8068 - 8069

Nomination Paper
Signers of the Nomination Paper shall be voters in the district or political subdivision in which the candidate is to be voted. EC §8068

Signature In-Lieu Petition
Any registered voter may sign an In-Lieu petition for any candidate for whom he or she is eligible to vote.

Applying Signatures In-Lieu toward Nomination Signature Requirement
If a candidate submits a petition in-lieu of filing fee, the county elections official shall count all valid signatures appearing on the petition toward the number of sponsor signatures required for the candidate’s nomination paper. If the petition in-lieu of filing fee contains the requisite number of valid signatures required for the nomination paper, the candidate is not required to circulate and file a nomination paper, but may request the county elections official to accept the petition in-lieu of filing fee as a nomination paper instead of filing separate additional nomination papers. If the petition in-lieu of filing fee does not contain the requisite number of valid signatures required for the nomination paper, the candidate shall be entitled to file, within the time period allowed for filing nomination papers, a nomination paper in order to obtain the requisite number of valid signatures required to be submitted to the elections official on a nomination paper. The nomination paper shall be delivered to the county elections official of the county in which the signer resides and is a voter.

NOTE: The candidate is still required to file a declaration of candidacy during the nomination period. EC §8061, §8062, §8106

Circulating Within 100 Feet of a Polling Place/Voting Center
Signatures to a Nomination Paper or any other petition shall not be obtained within 100 feet of any election booth or polling place. EC §18370

Voters May Sign Only One Paper; Exceptions
No signer shall, at the time of signing the petition, have his or her name signed to any other Nomination Paper for any other candidate for the same office or, in case there are
several places to be filled in the same office, signed to more Nomination Papers for candidates for that office than there are places to be filled. EC §8069

Registering Voters at time of Signing Petition
Candidates may register voters at the same time as the voter signs the candidate’s petition (signature in-lieu or nomination). For purposes of verifying signatures on a petition, a properly executed affidavit of registration shall be deemed effective for verification purposes if both (a) the affidavit is signed on the same date or a date prior to the signing of the petition, and (b) the affidavit is received by the county elections official on or before the date on which the petition is filed. EC §2102(b)

Validation of Signatures
The county elections official shall verify the signatures of the signers on the nomination paper with the registration affidavits on file in the office of the county elections official. The county elections official shall mark “not sufficient” any signature that does not appear in the same handwriting as appears on the affidavit of registration in his or her office. The county elections official may cease to verify signatures once the minimum requisite number of signatures has been verified. EC §8081

No defect in any nomination document presented shall prevent the filing of another nomination document within the period allowed for presenting the nomination document. EC §8102

The sponsor must be a registered voter residing at his or her address of registration, at the time of signing any signature in-lieu or nomination petition.

The following guidelines will be used when validating signatures on nomination petitions or signature-in-lieu of filing fee petitions. A signature can be challenged if the signer:

- is not registered to vote;
- provides a signature on the petition that does not compare to the signature on the voter’s affidavit of registration;
- does not reside in the appropriate district;
- uses a P.O. Box number for residence;
- omits his/her residence address;
- uses a mail drop number for residence address;
- provides an address that is different from the voter’s residence address on the affidavit of registration on record;
- prints his or her name for the signature, unless registered as such;
- lists and signs her name using spouse’s name, such as “Mrs. John Jones”;
- uses ditto marks for an address previously listed
Declaration of Candidacy Form

No person shall be considered a legally qualified candidate for any office under the laws of this state unless that person has filed a declaration of candidacy or statement of write-in candidacy with the proper official for the particular election or primary, or is entitled to have his or her name placed on a general election ballot by reason of having been nominated at a primary election, or having been selected to fill a vacancy on the general election ballot as provided in Section 8806, or having been selected as an independent candidate pursuant to Section 8304.

Nothing in this section shall be construed as preventing or prohibiting any qualified voter of this state from casting a ballot for any person by writing the name of that person on the ballot, or from having that ballot counted or tabulated, nor shall any provision of this section be construed as preventing or prohibiting any person from standing or campaigning for any elective office by means of a "write-in" campaign. However, nothing in this section shall be construed as an exception to the requirements of Section 15341.

It is the intent of the Legislature, in enacting this section, to enable the Federal Communications Commission to determine who is a "legally qualified candidate" in this state for the purposes of administering Section 315 of Title 47 of the United States Code. 

EC §13

No candidate’s name shall be printed on the ballot unless a declaration of candidacy and nomination papers are delivered for filing with the county elections official. The candidate is to execute the declaration of candidacy in the office of the county elections official unless the candidate has signed and dated a written statement designating a person to receive a declaration of candidacy form from the county elections official for the candidate or, upon request of a candidate, the county elections official shall provide the candidate with a declaration of candidacy and nomination papers. Such statement shall include language explaining that the candidate is aware that the declaration of candidacy must be properly executed and delivered to the county elections official of the county of the candidate’s residence by 5 p.m., February 4, 2011.

EC §§8020, 8028, 8040, 8041, and 8060

Name On Ballot
The candidate’s name as provided by the candidate on the Declaration of Candidacy is the way it will appear on the ballot. The Declaration of Candidacy cannot be changed after the nomination process is complete.

No title or degree shall appear on the same line on a ballot as a candidate’s name, either before or after the candidate’s name, in the case of any election to any office.

EC §13106

If the candidate has changed his or her name within one year prior to the election, the new name will not appear on the ballot unless the change was made by marriage or by Decree of Court. EC §13104
Ballot Designation

Candidates have the option of using a ballot designation. The ballot designation is the word, or group of not more than three (3) words, which will appear on the ballot under the candidate’s name, designating the current principal profession, vocation, or occupation of the candidate.

The ballot designation that a candidate may use is governed by Election Code §13107 which states the following:

(a) With the exception of candidates for Justice of the State Supreme Court or court of appeal, immediately under the name of each candidate, and not separated from the name by any line, may appear at the option of the candidate only one of the following designations:

1. Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or to which he or she was appointed, in the case of a superior court judge.

2. The word "incumbent" if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or, in the case of a superior court judge, was appointed to that office.

3. No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.

4. The phrase "appointed incumbent" if the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word "appointed" and the title of the office. In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed." However, the phrase "appointed incumbent" shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326 and 5328 of the Education Code or Section 7228, 7423, 7673, 10229, or 10515 of this code.

(b) Neither the Secretary of State nor any other election official shall accept a designation of which any of the following would be true:

1. It would mislead the voter.

2. It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.

3. It abbreviates the word "retired" or places it following any word or words which it modifies.

4. It uses a word or prefix, such as "former" or "ex-," which means a prior status. The only exception is the use of the word "retired."
(5) It uses the name of any political party, whether or not it has qualified for the ballot.

(6) It uses a word or words referring to a racial, religious, or ethnic group.

(7) It refers to any activity prohibited by law.

(c) If, upon checking the nomination documents, the election official finds the designation to be in violation of any of the restrictions set forth in this section, the election official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address appearing on the candidate’s nomination documents.

(1) The candidate shall, within three days from the date of receipt of the notice, appear before the election officer or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide an alternate designation.

(2) In the event the candidate fails to provide an alternate designation, no designation shall appear after the candidate’s name.

(d) No designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (c) or as provided in subdivision (e).

(e) The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days prior to the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request.

(f) In all cases, words so used shall be printed in 8-point roman uppercase and lowercase type except that, if the designation selected is so long that it would conflict with the space requirements of Sections 13207 and 13211, the elections official shall use a type size for the designation for each candidate for that office sufficiently smaller to meet these requirements.

(g) Whenever a foreign language translation of a candidate’s designation is required under the Voting Rights Act of 1965 (42 U.S.C.A. Sec. 1971), as amended, to appear on the ballot in addition to the English language version, it shall be as short as possible, as consistent as is practicable with this section, and shall employ abbreviations and initials wherever possible in order to avoid undue length. Amended by Stats. 1998, c. 931, §138; 1999 c. 312; 2002, c. 784, §98

A ballot designation worksheet must be completed at the time of filing. Election Code 13107.3 states:

(a) Each candidate who submits a ballot designation pursuant to subdivision (a) of Section 13107 shall file, in addition to the nomination documents filed pursuant to Section 8020, a ballot designation worksheet that supports the use of that ballot designation by the candidate, in a format prescribed by the Secretary of State.

(b) The ballot designation worksheet shall be filed with the elections official at the same time that the candidate files his or her declaration of candidacy.

(c) In the event that a candidate fails to file a ballot designation worksheet in accordance with subdivision (a), no designation shall appear under the candidate’s name on the ballot.
Use of the term “Community Volunteer” as a Ballot Designation
13107.5. (a) A candidate's ballot designation as "community volunteer" shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:

1. A candidate's community volunteer activities constitute his or her principal profession, vocation, or occupation.
   a. A candidate is not engaged concurrently in another principal profession, vocation, or occupation.
   b. A candidate may not use the designation of "community volunteer" in combination with any other principal profession, vocation, or occupation designation.
   c. The Secretary of State shall by regulation define what constitutes a community volunteer for purposes of this section.

Code of Fair Campaign Practices (Optional)
The Legislature declares that the purpose of this chapter [Chapter 5, Division 20 of the California Elections Code] is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices. It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions. EC §20400

At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official, shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary. The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election. Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection. In no event shall a candidate for public office be required to subscribe to or endorse the code. EC §§20440 – 20444

Chinese Transliteration Form (Required)
As of July 2002, all election information that is provided in English about voter registration, elections and voting, including information provided in polling places and the voting booths, must be provided in Chinese and Spanish to the extent needed to allow effective participation of all individuals in the electoral process and all voting related activities. Section 203 of the Voting Rights Act, 42 U.S.C. 1973aa-1a

The Voting Rights Act applies to all elections conducted by San Mateo County, which includes cities, special districts and school districts. This is a federal mandate that is not funded; therefore the election costs will be divided amongst the jurisdictions holding elections and the candidates submitting candidate statements. As a result of these requirements, costs for printing and handling of candidate statements have increased. Further information can be found through the Department of Justice website at www.usdoj.gov/crt/voting/sec_203/activ_203.htm

Candidate names are listed in English along with a Chinese transliteration in the Chinese version of the Sample Ballot and Official Ballot. Each candidate must complete a Chinese Transliteration form designating one of three options with respect to how their name appears on the Chinese version of the
Sample Ballot and Official Ballot. The candidate can choose to provide his/her own Chinese transliteration of their name, have a court certified translator determine the Chinese transliteration of their name, or choose not to have their name printed only in English.

If an in-lieu-filing-fee petition does not contain the requisite number of valid signatures as set forth in Section 8062, the candidate shall be entitled to file, within the time period allowed for filing nomination papers, a nomination paper in order to obtain the requisite number of valid signatures required to be submitted to the elections official on a nomination paper. A candidate who submits a nomination paper pursuant to this paragraph shall only be required to obtain the number of signatures thereon needed to supplement the in-lieu-filing-fee petition so that the combination of signatures appearing on the in-lieu-filing-fee petition and the nomination paper equals or exceeds the requisite number of signatures set forth in Section 8062.

(d) Do any electioneering.
As used in [this] section (Elections Code §18370) 100 feet of a polling place or an election official’s office means a distance 100 feet from the room or rooms in which voters are signing the roster and casting ballots. Any person who violates any of the provisions of this section is guilty of a misdemeanor. EC §§18370
Corruption of Voting and Intimidation of Voters

Elections Code §18540 states:
(a) Every person who makes use of or threatens to make use of any force, violence, or tactic of coercion or intimidation, to induce or compel any other person to vote or refrain from voting at any election or to vote or refrain from voting for any particular person or measure at any election, or because any person voted or refrained from voting at any election or voted or refrained from voting for any particular person or measure at any election is guilty of a felony punishable by imprisonment in the state prison for 16 months or two or three years.

(b) Every person who hires or arranges for any other person to make use of or threaten to make use of any force, violence, or tactic of coercion or intimidation, to induce or compel any other person to vote or refrain from voting at any election or to vote or refrain from voting for any particular person or measure at any election, or because any person voted or refrained from voting at any election or voted or refrained from voting for any particular person or measure at any election is guilty of a felony punishable by imprisonment in the state prison for 16 months or two or three years.

Elections Code §18541 states:
(a) No person shall, with the intent of dissuading another person from voting, within 100 feet of a polling place:

1. Solicit a vote or speak to a voter on the subject of marking his or her ballot.
2. Place a sign relating to voters’ qualifications or speak to a voter on the subject of his or her qualifications except as provided in Section 14240.
3. Photograph, videotape, or otherwise record a voter entering or exiting a polling place.

   (a) Any violation of this section is punishable by imprisonment in a county jail for not more than 12 months, or in the state prison. Any person who conspires to violate this section is guilty of a felony.
   (b) For purposes of this section, 100 feet means a distance of 100 feet from the room or rooms in which voters are signing the roster and casting ballots."

For purposes of §18541 (a)(3), the photographing, videotaping, or recording of a voter must be in order to dissuade the person from voting. This does not apply to situations where newspaper photographers are photographing a polling place for journalistic purposes.

Elections Code §18543 states:
(a) Every person who knowingly challenges a person’s right to vote without probable cause or on fraudulent or spurious grounds, or who engages in mass, indiscriminate, and groundless challenging of voters solely for the purpose of preventing voters from voting or to delay the process of voting, or who fraudulently advises any person that he or she is not eligible to vote or is not registered to vote when in fact that person is eligible or is registered, or who violates Section 14240, is punishable by imprisonment in the county jail for not more than 12 months or in the state prison.

(b) Every person who conspires to violate subdivision (a) is guilty of a felony.

In addition, §18403 also states:
(a) Any person other than an elections official or a member of the precinct board who receives a voted ballot from a voter or who examines or solicits the voter to show his or her voted ballot is punishable by a fine not exceeding ten thousand dollars ($10,000), by imprisonment in the state prison for 16 months or two or three years or in a county jail not exceeding one year, or by both the fine and imprisonment. This section shall not apply to persons returning an Vote by Mail ballot pursuant to Sections 3017 and 3021 or persons assisting a voter pursuant to Section 14282.
Candidate Statements

Each candidate for nonpartisan elective office has the option to submit a candidate’s statement. This statement is incorporated into the sample ballot, generally at the candidate’s expense, and will be mailed to all registered voters in the district eligible to vote for that particular candidate. Elections Code §13307 governs the preparation and form of the candidate statement.

Elections Code §13307:
(a) (1) Each candidate for nonpartisan elective office in any local agency, including any city, county, city and county, or district, may prepare a candidate's statement on an appropriate form provided by the elections official. The statement may include the name, age and occupation of the candidate and a brief description, of no more than 200 words, of the candidate's education and qualifications expressed by the candidate himself or herself. However, the governing body of the local agency may authorize an increase in the limitations on words for the statement from 200 to 400 words. The statement shall not include the party affiliation of the candidate, nor membership or activity in partisan political organizations.

(2) The statement authorized by this subdivision shall be filed in the office of the elections official when the candidate's nomination papers are returned for filing, if it is for a primary election, or for an election for offices for which there is no primary. The statement shall be filed in the office of the elections official no later than the 88th day before the election, if it is for an election for which nomination papers are not required to be filed. If a runoff election or general election occurs within 88 days of the primary or first election, the statement shall be filed with the elections official by the third day following the governing body's declaration of the results from the primary or first election.

(3) Except as provided in Section 13309, the statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5 p.m. of the next working day after the close of the nomination period.

(b) The elections official shall send to each voter, together with the sample ballot, a voter's pamphlet which contains the written statements of each candidate that is prepared pursuant to this section. The statement of each candidate shall be printed in type of uniform size and darkness, and with uniform spacing. The elections official shall provide a Spanish translation to those candidates who wish to have one, and shall select a person to provide that translation from the list of approved Spanish language translators and interpreters of the superior court of the county or from an institution accredited by the Western Association of Schools and Colleges.

(c) The local agency may estimate the total cost of printing, handling, translating, and mailing the candidate's statements filed pursuant to this section, including costs incurred as a result of complying with the federal Voting Rights Act of 1965, as amended. The local agency may require each candidate filing a statement to pay in advance to the local agency his or her estimated pro rata share as a condition of having his or her statement included in the voter's pamphlet. In the event the estimated payment is required, the receipt for the payment shall include a written notice that the estimate is just an approximation of the actual cost that varies from one election to another election and may be significantly more or less than the estimate, depending on the actual number of candidates filing statements. Accordingly, the elections official is not bound by the estimate and may, on a pro rata basis, bill the candidate for additional actual expense or refund any excess paid depending on the final actual cost. In the event of underpayment, the elections official may require the candidate to pay the balance of the cost incurred. In the event of overpayment, the elections official shall prorate the excess amount among the candidates and refund the excess amount paid within 30 days of the election. Nothing in this section shall be deemed to make any statement or the authors thereof
free or exempt from any civil or criminal action or penalty because of any false, slanderous, or libelous statements offered for printing or contained in the voter’s pamphlet.

(e) Before the nominating period opens, the local agency for that election shall determine whether a charge shall be levied against that candidate for the candidate’s statement sent to each voter. This decision shall not be revoked or modified after the seventh day prior to the opening of the nominating period. A written statement of the regulations with respect to charges for handling, packaging, and mailing shall be provided to each candidate or his or her representative at the time he or she picks up the nomination papers.

(f) For purposes of this section and Section 13310, the board of supervisors shall be deemed the governing body of judicial elections.

Guidelines for Preparation of Candidate Statements
The text of the statement shall not exceed 200 words. Word count standards shall be pursuant to Elections Code §9.

Elections Code, Division §9. (a)
Counting of words, for purposes of this code, shall be as follows:
(1) Punctuation is not counted.
(2) Each word shall be counted as one word except as specified in this section.
(3) All geographical names shall be considered as one word; for example, "County of San Mateo" shall be counted as one word.
(4) Each abbreviation for a word, phrase, or expression shall be counted as one word.
(5) Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.
Examples: "mother-in-law", "first-rate", "one-time" will be counted as one word. "one-half", "local-area", "home-page" will be counted as two words.
(6) Dates consisting of a combination of words and digits (April 22, 2011) shall be counted as two words. Dates consisting only of a combination of digits (4/22/2011 or 1999-2000) shall be counted as one word.
(7) Any number consisting of a digit or digits shall be considered as one word. Any number which is spelled, such as "one," shall be considered as a separate word or words. "One" shall be counted as one word whereas "one hundred" shall be counted as two words. "100" shall be counted as one word.
(8) Telephone numbers shall be counted as one word.
(9) Internet web site addresses shall be counted as one word.
(a) This section shall not apply to counting words for ballot designations under Section 13107.

Additional Practices
- Characters used in place of a word or number, such as “$” or “&” shall be counted as one word.
- Name, age, occupation, and punctuation are not counted toward the word limit.
- If the text exceeds the word limit, the author will be asked to rewrite the text in order to bring the total number of words within the required word limit. If the author is not available at the time of filing to bring the total number of words within the required word limit, the elections official will remove words from the end of the document accordingly.

All statements must be submitted on, or attached to, the form provided by the county election official. Statements must be formatted pursuant to the guidelines provided by the county. Statements not submitted in the appropriate format will be reformatted by the county election official. The county election official bears no responsibility for the correct typesetting of statements that must be reformatted.
Statements shall not, in any way, make reference to other candidates for office or to another candidate’s qualifications, character or activities. Moreover, no statement shall contain any demonstrably false, slanderous or libelous statements nor any obscene or profane language.

*It is strongly recommended that the statement be filed personally by the candidate.* If the statement is filed by someone other than the candidate, that person should have the authority to make corrections or deletions to the statement in the event that errors or an excess number of words are detected prior to filing the statement. Statements received by mail prior to the deadline will be filed provided that they meet the statutory requirements and county policies regarding candidates’ statements. **Statements may not be changed after filing.**

Candidates’ statements are available for public examination in the county election official’s office during the 10-day calendar review period (commencing at 5 p.m. on Tuesday, February 4, 2011) prior to submission for printing. During this period any voter of the jurisdiction in which the election is to be held, or the county election official, may seek a writ of mandate or an injunction requiring any or all of the material in the statement to be amended or deleted. Venue for such a proceeding shall be the county in which the statement is filed. If the statement is filed in more than one county, the writ or injunction must be sought in each county in which amendments or deletions to the statement are sought.

**Time Period**
The filing period for local non-partisan candidate’s statement is January 10, 2011 to February 4, 2011 at 5 p.m. The statement shall be filed, along with payment, when the candidate’s nomination papers are returned for filing. Once filed, statements cannot be changed.

**Withdrawal**
Any candidate may withdraw his/her statement of qualifications, either in person or by a signed statement of withdrawal, no later than 5 p.m. of the next business day following the close of nominations (February 7, 2011).

**Confidentiality**
Notwithstanding the California Public Records Act, the statements filed pursuant to Section 13307 of the Elections Code shall remain confidential until expiration of the filing deadline.

*EC §13311*

**Public Review**
Candidates’ statements are available for public examination in the county election official’s office during the 10-day calendar review period (commencing at 5 p.m. on Tuesday, February 4, 2011) prior to submission for printing. During this period any voter of the jurisdiction in which the election is to be held, or the county election official, may seek a writ of mandate or an injunction requiring any or all of the material in the statement to be amended or deleted. *EC §13313*

**Preparation of Candidate Statement**
In order to insure uniformity of all candidates’ statements, each candidate must prepare his/her statement according to the following guidelines:

1. Type statement exactly as you wish it to appear. Attach the printed copy to the form provided to you. When prepared in accordance with these standards, statements are printed exactly as submitted.
2. Use of typographic marks or styling such as bullets, lists, italicization, and bolding is not permitted.
3. Use of font color other than 100% black is not permitted.
4. In addition to hard copy, please provide the statement on a CD or through email in an editable text file such as Microsoft Word, plain text, or similar format. Statements can be emailed to masmus@smcare.org. Electronic copies should be submitted on the same day as the filing of the original hard copy.
Important Note: If there are discrepancies between the hard copy and the electronic copy, the hard copy will prevail.

Conduct a final proof of your statement by:

1. Checking your statement for spelling, punctuation and grammar errors. Remember, statements cannot be changed once they are filed.
2. Confining the statement to the limitation on the number of words (200).
3. Do not include any party affiliation (applies to non-partisan offices)
4. Do not include membership or activity in partisan political organizations. (applies to non-partisan offices)

Format
All statements, therefore, will be set in a format so as to fit within a 1/4-page space. If a Candidate’s Statement is submitted and found not to be in compliance with these guidelines, the Elections Division will make the necessary changes to bring said statement into compliance.

Candidate statements are to discuss the education and qualifications of the candidate filing the statement only. The Elections Division will not accept any candidate statement that specifically discusses the education, qualifications, record (or lack thereof) of any opponents.

Heading
The heading includes the candidate’s name (required), age (optional), and occupation (optional). All statements will be formatted to begin with the words: “Education and Qualifications:” followed by the text filed by the candidate. These words, as well as the heading, are standardized and included in the space provided. The words “Education and Qualifications,” however, do not count toward the number of words allowed for the statement.

Occupation
The “Occupation” field in the Candidate’s Statement is NOT governed by the laws and regulations pertaining to the ballot designation that appears underneath the candidate’s name on the ballot. Therefore, it may be different from the candidate’s ballot designation. However, if its length exceeds one line, the candidate may be asked to modify words.

Candidate Statement Fee Calculations

The estimated fee for candidate statement fees is based on the estimates of actual cost of making statements available to all registered voters in the appropriate jurisdictions, including printing, required translations, and handling charges. Actual costs are shared by all candidates, and estimates are calculated using an average of three (3) 200-word statements per page.

The Elections Office does its best to provide an accurate estimated fee, but this estimate can vary due to a number of factors, including the number of statements submitted appearing on one page in the Sample Ballot & Voter Information Pamphlet, the number of pages required for a particular office, and the number of different pamphlets in which your statement will appear. The estimated fee will be provided during the nomination period, at which time the fees will be based upon the most current voter registration data. Final costs will be determined after the election is certified. Checks for payment of candidate statement fees should be made payable to “San Mateo County Elections.”
Fictitious Samples of Candidate Statements

Fictitious samples of 200 word statements as they would appear in the voter information portion of the sample ballot pamphlet. Statements will appear in the same order as the candidates' names appear on the ballot, except for offices elected throughout the county (rotated on ballot by supervisorial district, but not rotated in sample ballot pamphlet).

Dear Candidates:

Every campaign season, our office receives a number of complaint calls regarding the placement of campaign signs on private property. This serves as a reminder of California Penal Code §556.1, which requires prior consent before placing advertising on private property:

“It is a misdemeanor for any person to place or maintain or cause to be placed or maintained upon any property in which he has no estate or right of possession any sign, picture, transparency, advertisement, or mechanical device which is used for the purpose of advertising, or which advertises or brings to notice any person, article of merchandise, business or profession, or anything that is to be or has been sold, bartered, or given away, without the consent of the owner, lessee, or person in lawful possession of such property before such sign, picture, transparency, advertisement, or mechanical device is placed upon the property.”

Also, I am enclosing copies of letters from the Department of Transportation describing current regulations for the placement of political signs. For your convenience, you will also find a listing of City Clerks in San Mateo County, whom you may contact about specific city ordinances.

I request that you review these materials, and that you inform anyone who is posting materials on your behalf of these requirements.

Thank you in advance for your attention to this important matter.

Sincerely,

Mark Church
Dear Candidate or Committee Member:

As a candidate or campaign worker for either an office or a ballot measure, this reminder about state law governing campaign signs should be helpful to you.

Section 5405.3 of the State Outdoor Advertising Act (California Business & Professions Code §§5200) exempts the placing of temporary political signs from normal outdoor advertising display requirements.

A temporary political sign meets the following criteria:

A. Encourages a particular vote in a scheduled election.

B. Is placed not sooner than 90 days prior to the schedule election and is removed within 10 days after that election.

C. Is no larger than 32 square feet.

D. Has had a Statement of Responsibility filed with the department certifying a person who will be responsible for removing the sign (attached).

A completed Statement of Responsibility must be submitted to the appropriate district office according to the county location of the temporary political sign(s).

Temporary political signs shall not be placed within the right-of-way of any highway, or be visible within 660 feet from the edge of the right-of-way of a classified “landscaped freeway”.

State law directs the Department of Transportation to remove unauthorized temporary political signs and bill the responsible party for their removal. We are calling these provisions to your attention to avoid possible embarrassment to you and your supporters. Please pass this information along to those assisting in your campaign.

If you have any questions, feel free to contact us at the Outdoor Advertising Office.

Election Day
Election Results

Semi-Official Canvass (Election Night Results)
The semi-official canvass will commence immediately upon the close of the polls at 8 p.m., May 3, 2011. (EC §15150) The counting of ballots will commence at 8:00p.m. (EC §15152) It is anticipated that the first report of semi-official results will be released at 8:05 p.m., with cumulative updates scheduled every 30 minutes until completion.

Generally, a schedule of election night results is as follows:

8:05 p.m. - Will include all VBM ballots scanned up until 2:30 p.m., Election Day.
8:30 p.m. - Will include Tower Road voting center votes
9:00 p.m. - Will include any other voting center data received to that point
9:30 p.m. - Results releases will continue on the half hour until all voting center data has been received by the Elections Office

Ballots are cumulated at the following central counting location:

Elections Office
40 Tower Road
San Mateo, CA  94402

There are two different ways you may inquire about Election Night Semi-Official results:

1. View the results as they are posted on our website www.shapethefuture.org.
2. Request an email of the Election Night Report.  Please contact our office no later than 7 days prior to the election to make your request.

Upon completion of the regular vote count, we publish a Precinct Turnout Report. This report will provide you with a precinct-by-precinct summary of vote totals.  The Election Night Report will NOT provide votes cast for write-in candidates.  Those totals are only available in the Statement of the Vote, which is released when the election is certified.

Final Official Canvass
Election results are not final until the canvass is complete (refer to Division 15 of the Elections Code for procedural requirements and timeframes).  It typically takes about 28 days to complete the Official Canvass and certify the official results of the election.  The official Statement of the Vote, showing the official final results (totals, precinct-by-precinct results, and votes for qualified write-in candidates) is available upon certification.  Please call our office for further details.  This document will be made available on our website at www.shapethefuture.org once the election is certified.
The Official Canvass & Election Certification
After the Election

Official Canvass

As described by the California Association of Clerks & Election Officials, the purpose of the Official Canvass is to verify the accuracy and validity of the votes counted, to resolve any discrepancies through review of the official election materials and unused ballots, and to complete the official vote count including write-in votes, Vote by Mail ballots, unused paper ballots and provisional ballots not included in the Semifinal Official Vote Count as distributed on Election Night.

During the Official Canvass, interested parties may choose to observe the Elections Office procedures. To observe this process, please feel free to contact 650-312-5222 or visit the office during normal business hours, Monday – Friday, from 8 a.m. to 5 p.m.

A press release detailing the Official Canvass will be available on the Elections website at www.shapethefuture.org.

Election Certification

Official results must be certified no later than 28 calendar days following an election. A certified “Statement of the Vote” will be available on the Elections website at www.shapethefuture.org and for purchase or viewing at the Elections Office, located at 40 Tower Road in San Mateo.
