Dear Central Committee Candidate:

I want to congratulate you on your decision to run for Central Committee. Now that you’ve made the decision to run, you face the responsibilities of setting up a campaign, filing for office and submitting all of the necessary forms. It can be confusing even for the most seasoned candidates especially with the competing demands for your time and attention.

That is the impetus for this Candidate Seminar — to help you better understand a candidate’s responsibilities. I highly recommend that you make the time to attend. If you’ve run before and are familiar with the process, I encourage you read through this material carefully and take the course as a refresher. Laws change, forms change, and reporting requirements change. Reading this booklet and attending a seminar will help you in your bid for a Central Committee seat. If you are a newcomer to the political process, this is a must do.

A Candidate Seminar will be held at the Elections Office at 40 Tower Road in preparation for the June 2010 Primary Election on:

- Thursday, February 18, 2010  2:00 p.m. – 3:30 p.m.

A Data Seminar will also be held at the Elections Office at 40 Tower Road to help candidates and/or their staff understand how to obtain and use voter file information on:

- Wednesday, March 3, 2010  2:00 p.m. – 3:30 p.m.

Our website, www.shapethefuture.org, is loaded with useful information for candidates and campaigns, including an interactive election calendar, information on how to request voter file data, how to include voter registration and/or vote by mail information in your campaign materials, polling place lookups, voting options for voters, and much more.

I also want to encourage you to participate in Smart Voter, a comprehensive nonpartisan voter education resource provided by the League of Women Voters (www.smartvoter.org). The site provides enhanced candidate information and election information to voters. It was a joint effort by the League and Election Officials in California; we co-sponsor it today.

Feel free to contact my office if you have questions or need assistance, you can call (650) 312-5222 or email registrar@smcare.org.

Best,

Warren Slocum

_Elections Code §8001_

(a) No declaration of candidacy for a partisan office or for membership on a county central committee shall be filed, by a candidate unless 1) at the time of presentation of the declaration and continuously for not less than three months immediately prior to that time, or for as long as he/she has been eligible to register to vote in the state, the candidate is shown by his/her affidavit of registration to be affiliated with the political party the nomination of which he seeks, and

This section shall not apply to declarations of candidacy filed by a candidate of a political party participating in its first direct primary election subsequent to its qualification as a political party pursuant to the provisions of Elections Code §5100.

1099. (a) A public officer, including, but not limited to, an appointed or elected member of a governmental board, commission, committee, or other body, shall not simultaneously hold two public offices that are incompatible. Offices are incompatible when any of the following circumstances are present, unless simultaneous holding of the particular offices is compelled or expressly authorized by law:

1. Either of the offices may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over the other office or body.

2. Based on the powers and jurisdiction of the offices, there is a possibility of a significant clash of duties or loyalties between the offices.

3. Public policy considerations make it improper for one person to hold both offices.

(b) When two public offices are incompatible, a public officer shall be deemed to have forfeited the first office upon acceding to the second. This provision is enforceable pursuant to Section 803 of the Code of Civil Procedure.

(c) This section does not apply to a position of employment, including a civil service position.

(d) This section shall not apply to a governmental body that has only advisory powers.

(e) For purposes of paragraph (1) of subdivision (a), a member of a multimember body holds an office that may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over another office when the body has any of these powers over the other office or over a multimember body that includes that other office.

(f) This section codifies the common law rule prohibiting an individual from holding incompatible public offices.

Senate Bill 274 further states that “Nothing in this act is intended to expand or contract the common law rule prohibiting an individual from holding incompatible public offices. It is intended that courts interpreting this act shall be guided by judicial and administrative precedent concerning incompatible public offices developed under the common law.”

He is also ineligible as a candidate named by a party central committee to fill a vacancy on the ballot for a general election.

WARNING: Every person acting on behalf of a candidate is guilty of a misdemeanor who deliberately fails to file at the proper time and in the proper place any nomination paper in his/her possession which is entitled to be filed under the provisions of the Elections Code. (Elections Code section 18202)
Guidelines for Gathering Signatures

Candidates should try to obtain the required number of signatures as soon as possible. By doing so, there will be adequate time to correct any defect or insufficiency in the petition before the filing deadline.

Petition Circulator Information

Anyone who is circulating a Signatures In-Lieu Petition or Nomination Paper must be a registered voter of the jurisdiction in which the candidate is seeking nomination. A circulator may serve only in the jurisdiction and county in which he/she resides. For offices that extend into another county, the circulator can only obtain signatures of registered voters residing in his/her county of residence. Therefore, a circulator in San Mateo County cannot obtain signatures from voters who reside in Santa Clara or San Francisco. A candidate for any office may obtain signatures to and sign his/her own nomination petition or signatures in-lieu petition. His/her signature will be given the same effect as that of any other qualified signer. The candidate may circulate the petitions throughout the jurisdiction regardless of his/her county of residence. 

Elections Code §§106, 8066

Declaration of Circulator

All petition circulators must complete, in his/her own hand:

1) The printed name of the circulator.
2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.
3) The dates between which all the signatures to the petition or paper were obtained. Each declaration submitted pursuant to this section shall also set forth the following:
   a) That the circulator circulated that section and witnessed the appended signatures being written.
   b) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.

The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of his/her name at length, including given name, middle name or initial, or initial and middle name. The circulator shall state the date and the place of execution on the declaration immediately preceding his/her signature. Notarization is not required. Elections Code §104

Registering Voters at time of Signing Petition

Candidates may register voters at the same time as the voter signs the candidate’s petition (signature in-lieu or nomination). For purposes of verifying signatures on a petition, a properly executed affidavit of registration shall be deemed effective for verification purposes if both (a) the affidavit is signed on the same date or a date prior to the signing of the petition, and (b) the affidavit is received by the county elections official on or before the date on which the petition is filed. Elections Code §2102(b)

Validation of Signatures

For purposes of verifying signatures on any initiative, referendum, recall, nomination, or other election petition or paper, the elections official shall determine that the residence address on the petition or paper is the same as the residence address on the affidavit of registration. If the addresses are different, or if the petition or paper does not specify the residence address, the affected signature shall not be counted as valid. Any signature invalidated pursuant to this section shall not affect the validity of other valid signatures on the particular petition or paper. Elections Code §§100, 100.5, 105, 106, 354.5
The following are examples of circumstances in which a signer may be deemed invalid:
  • signer is not registered to vote
  • signature on petition does not match signature on the voter’s affidavit of registration
  • signature appears as voter’s mark but is not witnessed thereto
  • signer is not eligible to vote for the candidate listed on petition
  • signer did not personally affix their name, residence, and signature or residence address is omitted
  • P.O. Box number or mailing address listed instead of residence address
  • address on petition differs from the voter’s residence address on the affidavit of registration on record
  • a female signer’s name is listed and signed using spouse’s name, such as “Mrs. John Jones”

Qualified Signers

Only a person who is a registered qualified voter at the time he/she signs the nomination petition or signatures in-lieu petition is entitled to sign it. Each voter shall at the time of signing the petition or paper personally affix his/her signature, printed name and place of residence, giving street and number, and if no street or number exists, then a designation of the place of residence which will enable the location to be readily ascertained. All signers of the same section of a petition must be registered in the same county. Different sections must be used in each county where the petitions are circulated and filed with the County Clerk in the affected county. Elections Code §100

Nomination Paper

Signers of the Nomination Paper shall be voters in the district or political subdivision in which the candidate is to be voted on and shall be affiliated with the political party, if any, in which the nomination is proposed. Elections Code §8068

Circulating Within 100 Feet of a Polling Place

Signatures to a Nomination Paper or any other petition shall not be obtained within 100 feet of any election booth or polling place. Elections Code §18370

Voters May Sign Only One Paper; Exceptions

No signer shall, at the time of signing the petition, have his/her name signed to any other Nomination Paper for any other candidate for the same office. Or, in case there are several places to be filled in the same office, signed to more Nomination Papers for candidates for that office than there are places to be filled. Elections Code §8069
Declaration of Candidacy Form

No person shall be considered a legally qualified candidate for any office or party nomination for a partisan office under the laws of this state unless that person has filed a declaration of candidacy or statement of write-in candidacy with the proper official for the particular election or primary, or is entitled to have his/her name placed on a general election ballot by reason of having been nominated at a primary election, or having been selected to fill a vacancy on the general election ballot as provided in Sec. 8806, or having been selected as an independent candidate pursuant to Section 8304.

Nothing in this section shall be construed as preventing or prohibiting any qualified voter of this state from casting a ballot for any person by writing the name of that person on the ballot, or from having that ballot counted or tabulated, nor shall any provision of this section be construed as preventing or prohibiting any person from standing or campaigning for any elective office by means of a "write-in" campaign. However, nothing in this section shall be construed as an exception to the requirements of Section 15351.

It is the intent of the Legislature, in enacting this section, to enable the Federal Communications Commission to determine who is a "legally qualified candidate" in this state for the purposes of administering Section 315 of Title 47 of the United States Code. *Elections Code §13*

No candidate’s name shall be printed on the ballot to be used at the direct primary unless a Declaration of Candidacy and nomination papers are delivered for filing with the county elections official. The candidate is to execute the Declaration of Candidacy in the office of the county elections official unless the candidate has signed and dated a written statement designating a person to receive a Declaration of Candidacy form from the county elections official for the candidate. Such statement shall include language explaining that the candidate is aware that the Declaration of Candidacy must be properly executed and delivered to the county elections official of the county of the candidate’s residence by 5:00 p.m., March 12, 2010. *Elections Code §§8020, 8028, 8040, 8041, and 8060*

All code section references are to the California Elections Code unless stated otherwise.
Candidates have the option of using a ballot designation. The ballot designation is the word, or group of not more than three (3) words, which will appear on the ballot under the candidate’s name, designating the current principal profession, vocation, or occupation of the candidate.

The ballot designation that a candidate may use is governed by Election Code §13107 which states the following:

(a) With the exception of candidates for Justice of the State Supreme Court or court of appeal, immediately under the name of each candidate, and not separated from the name by any line, may appear at the option of the candidate only one of the following designations:
   (1) Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or to which he or she was appointed, in the case of a superior court judge.
   (2) The word "incumbent" if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or, in the case of a superior court judge, was appointed to that office.
   (3) No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.
   (4) The phrase "appointed incumbent" if the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word "appointed" and the title of the office. In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed." However, the phrase "appointed incumbent" shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326 and 5328 of the Education Code or Section 7228, 7423, 7673, 10229, or 10515 of this code.

(b) Neither the Secretary of State nor any other election official shall accept a designation of which any of the following would be true:
   (1) It would mislead the voter.
   (2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
   (3) It abbreviates the word "retired" or places it following any word or words which it modifies.
   (4) It uses a word or prefix, such as "former" or "ex-," which means a prior status. The only exception is the use of the word "retired."
   (5) It uses the name of any political party, whether or not it has qualified for the ballot.
   (6) It uses a word or words referring to a racial, religious, or ethnic group.
(7) It refers to any activity prohibited by law.

(c) If, upon checking the nomination documents, the election official finds the designation to be in violation of any of the restrictions set forth in this section, the election official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address appearing on the candidate’s nomination documents.

(1) The candidate shall, within three days from the date of receipt of the notice, appear before the election officer or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide an alternate designation.

(2) In the event the candidate fails to provide an alternate designation, no designation shall appear after the candidate’s name.

(d) No designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (c) or as provided in subdivision (e).

(e) The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days prior to the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request.

(f) In all cases, words so used shall be printed in 8-point roman uppercase and lowercase type except that, if the designation selected is so long that it would conflict with the space requirements of Sections 13207 and 13211, the elections official shall use a type size for the designation for each candidate for that office sufficiently smaller to meet these requirements.

(g) Whenever a foreign language translation of a candidate’s designation is required under the Voting Rights Act of 1965 (42 U.S.C.A. Sec. 1971), as amended, to appear on the ballot in addition to the English language version, it shall be as short as possible, as consistent as is practicable with this section, and shall employ abbreviations and initials wherever possible in order to avoid undue length. Amended by Stats. 1998, c. 931, §138; 1999 c. 312; 2002, c. 784, §98

A ballot designation worksheet must be completed at the time of filing. Election Code 13107.3 states:

(a) Each candidate who submits a ballot designation pursuant to subdivision (a) of Section 13107 shall file, in addition to the nomination documents filed pursuant to Section 8020, a ballot designation worksheet that supports the use of that ballot designation by the candidate, in a format prescribed by the Secretary of State.

(b) The ballot designation worksheet shall be filed with the elections official at the same time that the candidate files his or her declaration of candidacy.

(c) In the event that a candidate fails to file a ballot designation worksheet in accordance with subdivision (a), no designation shall appear under the candidate’s name on the ballot.

Use of the term “Community Volunteer” as a Ballot Designation
13107.5. (a) A candidate’s ballot designation as “community volunteer” shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:

(1) A candidate’s community volunteer activities constitute his or her principal profession, vocation, or occupation.

(b) A candidate is not engaged concurrently in another principal profession, vocation, or occupation.

(c) A candidate may not use the designation of "community volunteer" in combination with any other principal profession, vocation, or occupation designation.

(d) The Secretary of State shall by regulation define what constitutes a community volunteer for purposes of this section. Added by Stats. 2002, c. 364, §1

You may attach any documents or exhibits that you believe support your proposed ballot designation. These documents will not be returned to you, so do not submit originals.
For your reference, the relevant provisions of Elections Code §13107 are reproduced below:

13107. (a) With the exception of candidates for Justice of the State Supreme Court or court of appeal, immediately under the name of each candidate, and not separated from the name by any line, may appear at the option of the candidate only one of the following designations:

1. Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or to which he or she was appointed, in the case of a superior, municipal, or justice court judge.

2. The word "incumbent" if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or, in the case of a superior, municipal, or justice court judge, was appointed to that office.

3. No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word.

4. The phrase "appointed incumbent" if the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word "appointed" and the title of the office. In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed." However, the phrase "appointed incumbent" shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326 and 5328 of the Education Code or Section 7228, 7423, 7673, 10229, or 10515 of this code.

(b) Neither the Secretary of State nor any other election official shall accept a designation of which any of the following would be true:

1. It would mislead the voter.

2. It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.

3. It abbreviates the word "retired" or places it following any word or words which it modifies.

4. It uses a word or prefix, such as "former" or "ex-," which means a prior status. The only exception is the use of the word "retired."

5. It uses the name of any political party, whether or not it has qualified for the ballot.

6. It uses a word or words referring to a racial, religious, or ethnic group.

7. It refers to any activity prohibited by law.

(c) If, upon checking the nomination documents, the election official finds the designation to be in violation of any of the restrictions set forth in this section, the election official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address appearing on the candidate's nomination documents. The candidate shall, within three days from the date of receipt of the notice, appear before the election officer or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide an alternate designation.

(d) In the event the candidate fails to provide an alternate designation, no designation shall appear after the candidate's name.

(e) No designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (c) or as provided in subdivision (e).

(f) The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days prior to the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request.

13107.5. (a) A candidate's ballot designation as "community volunteer" shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:

1. A candidate's community volunteer activities constitute his or her principal profession, vocation, or occupation.

2. A candidate is not engaged concurrently in another principal profession, vocation, or occupation.

3. A candidate may not use the designation of "community volunteer" in combination with any other principal profession, vocation, or occupation designation.

(b) The Secretary of State shall by regulation define what constitutes a community volunteer for purposes of this section.

**Code of Fair Campaign Practices (optional)**
The Legislature declares that the purpose of this chapter [Chapter 5, Division 20 of the California Elections Code] is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices. It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions. *EC §20400*

At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official, shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary. The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election. Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection. In no event shall a candidate for public office be required to subscribe to or endorse the code. *EC §§20440 – 20444*
As of July 2002, all election information that is provided in English about voter registration, elections, and voting, including information provided in polling places and the voting booths, must be provided in Chinese and Spanish to the extent needed to allow effective participation of all individuals in the electoral process and all voting related activities. Section 203 of the Voting Rights Act, 42 U.S.C. 1973aa – 1a

The Voting Rights Act applies to all elections conducted by San Mateo County, which includes cities, special districts, and school districts. This is a federal mandate that is not funded; therefore the election costs will be divided amongst the jurisdictions holding elections and the candidates submitting candidate statements. As a result of these requirements, costs for printing and handling of candidate statements have increased.

California Elections Code  
Division 20. Election Campaigns  
Chapter 5. Fair Campaign Practices  

(Elections Code §20440 continued)

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold, in order that, after vigorously contested, but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammeled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

(1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties which merit such criticism.

(2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.

(3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on race, sex, religion, national origin, physical health status, or age.

(4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice which tends to corrupt or undermine our American system of free elections, or which hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.

(5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.

(6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group which resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics which I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.

(7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.

- **Period Covered:** The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1, if no previous statement has been filed.
- A controlled committee of a candidate may not make an independent expenditure to support or oppose another candidate.
- Local jurisdictions may impose contribution limits and additional filing requirements.
- **Primarily Formed Ballot Measure Committees:** Prior to the semi-annual period in which the measure(s) supported or opposed is being voted on, committees must file quarterly campaign statements in addition to semi-annual statements. Following the election, quarterly statements may also be required. Contact the FPPC for specific information.
- **Form 470:** Candidates that did not have a committee or raise/spend $1,000 in 2009, may file Form 470 on February 1, 2010. Form 470 can not be filed for other deadlines if the candidate has a committee or has raised/spent $1,000 or more in 2010. After filing a Form 470, if the candidate raises/spends $1,000 or more in 2010, see **Campaign Manual 2**, Chapter 4 for additional required filings.
- **Candidates:** Contact the FPPC for revised reporting deadlines in the event of a runoff election. After an election, reporting requirements will depend on whether the candidate is successful and whether a campaign committee is maintained.
- **Late Statements:** Except for deadlines that fall on a Saturday, Sunday, or an official state holiday, filing deadlines may not be extended. Late statements are subject to a $10 per day late fine.
- All statements are public documents. Paper reports may be mailed by first class mail unless otherwise noted.
- For important information refer to [www.fppc.ca.gov](http://www.fppc.ca.gov) and click on the Candidates and Committees section. Use **Campaign Manual 2** and **Campaign Manual 3**.

Important Things to Remember
(Excerpted from FPPC Website)

1. **Be Informed:** Study FPPC Manual “2” and the Addendum. Ask your election official about any local campaign restrictions. Attend a campaign workshop in your area. Contact your filing officer or the FPPC if you have any questions.

2. **Before Raising or Spending Any Money:** File Form 501 (Candidate Intention). Then open a campaign bank account. Once $1,000 is raised or spent, get an identification number by filing Form 410.

3. **Mark Your Calendar:** Know the due dates for campaign statements and file on time.

4. **Keep Good Records:** Maintain details on contributions and expenditures of $25 or more. Refer to recordkeeping guidelines in Manual A.

5. **$100 or More in Cash?** Never accept or spend $100 or more in cash.

6. **Using Personal Funds For Campaign Expenses:** All personal funds of the candidate must first be deposited in the campaign bank account, except for filing fee/ballot statement fee.

7. **Report Late Contributions:** If $1,000 or more is received from one contributor during the last 16 days before the election, disclose receipt within 24 hours, even if the contribution is from your personal funds.

8. **Itemize Contributors:** For contributions of $100 or more, including loans and in-kind contributions, you must disclose the contributor's name, address, occupation and employer.

9. **Agent or Consultant Buys Goods or Services for the Campaign:** Itemize expenditures of $500 or more made by the agent or consultant.

10. **Identify Candidate/Committee on Mailings:** Include your name and campaign address in at least 6-point type on the outside of all mass mailings (more than 200 pieces). Your committee's name may be used if it includes your name. If your name is not part of the committee's name, you may use just your name, or both your name and the name of the committee.

11. **No Personal Use of Campaign Funds:** Use campaign funds only for political, legislative, or governmental purposes.

**Proposition 34**
Proposition 34, passed in 2000, contains many regulations on campaign contributions and expenditures that apply to candidates and committees for local office.

The full text of Proposition 34 and many useful support documents are available on the FPPC's website, at http://www.fppc.ca.gov/index.html?id=243.
Optional Forms for Candidates
Spring 2010

Dear Candidate:

The League of Women Voters has a long history of providing voters with nonpartisan and easily accessible information at election time. In that tradition, we invite you to participate in Smart Voter, the League’s comprehensive online guide, for the June 8, 2010 election.

All candidates in San Mateo County are offered space on the Smart Voter web site and the service is free of charge to both candidates and the public. Smart Voter allows you to submit material about your candidacy to the voters, including a biography, endorsements, and positions on issues, a photo, and a link to your own website. Smart Voter also provides candidate ballot statements, information about ballot measures, polling place locations, events, and links to online news articles and to other web sites. Using Smart Voter will help you reach the increasing number of voters who use the Internet to aid in their decision making at election time.

You may view the site at www.smartvoter.org. Candidates will be allowed to begin entering information during the first week in April. A letter confirming the date and complete instructions for accessing the secure candidate input area will be sent to you shortly after we receive the certified list of candidates. Please feel free to contact me if you have questions.

We look forward to working with you to make Smart Voter a success for you and for voters in San Mateo County. Feedback from candidates and the public in past elections has been enthusiastic. Don’t miss this opportunity to get your message out!

Sincerely,

/s/

Voter Registration Information

Important Information On
• WHERE forms are available
• WHEN the registration deadline is for the election, and
• HOW to register voters

In January 2001, a new law took effect extending the deadline for voter registration in California. To vote in any election, a citizen must be properly registered **15 days** prior to the election date. San Mateo County Elections Division encourages all voters to be properly registered well before that 15 day deadline to ensure enough time for our office to mail voters their correct election materials prior to an election.

For the June 8, 2010 election, **voters must be registered at their current residence address not later than Monday, May 24, 2010.**

For Your Information
In order to remain eligible to vote, voters must re-register whenever they:
• Change their residence address
• Change their name (first, middle or last name) and/or signature
• Change their political party affiliation

Postage-paid voter registration forms are available at these locations:
• U.S. Post Offices
• Public libraries, and colleges
• City Halls
• Department of Motor Vehicles offices
• County Elections Office in San Mateo
• County Offices in Redwood City

You may also find a link to the Secretary of State’s interactive form by visiting us on the web at www.shapethefuture.org.

In order to register to vote in California, a person must be:
• A citizen of the United States and a resident of California
• At least 18 years of age by Election Day
• Not in prison or on parole for the conviction of a felony

If you have any questions about voter registration or wish to launch a voter registration drive during the upcoming election season, please call 650.312.5222. Forms for distribution (at no cost) are available at the Elections office.

5. When does a voter need to re-register?
   A voter must re-register when his/her residential address, name, or party affiliation changes.

6. When is the last day a voter can register before an election?
   The last day a voter can register to vote in an election is 15 days before that election.

7. Where can people find voter registration cards?
   Individuals can obtain a voter registration card at any library, city hall, or post office. The form can also be completed online at www.sos.ca.gov. People conducting a voter registration drive should come to the Elections Office at 40 Tower Road in San Mateo and county-specific voter registration cards will be issued accordingly.

   No. Use a black or blue ink pen. Do not use pencil or highlighters.

9. What kind of help can a voter receive when filling out the voter registration card?
   Help the voter by giving step-by-step instructions for filling out the voter registration card or answering questions about registration rules and requirements. 10. How quickly do cards have to be turned in?
     By law, completed voter registration cards must be returned to the Elections Office within three business days.

12. What happens to the voter’s personal information?
     A voter’s driver’s license or state identification number, social security number, and signature are confidential. Non-confidential information is available to qualifying individuals for political, election, scholarly, governmental, or journalistic purposes. Public Safety employees and people who qualify under the Safe-at-Home program can file with the Superior Court to make all personal information confidential. The Jury Commission does compile voter registration data with DMV information. Using the same name with DMV and with the Election’s Office will prevent duplication of your record with the Jury Commission.

2. Elections Code §3006 specifically permits preprinting only the voter’s name, residence address, date of birth, and the name and date of the election for which the application is being made.

3. The portion of the application which asks the address to which the voter wishes the Vote by Mail ballot to be mailed must, if different from the voter’s residence address, be completed by the voter. This mailing address may not be the address of any political party, candidate, or political campaign headquarters.

4. The application shall provide the voters with information concerning the process for establishing permanent Vote by Mail voter status. EC §3006

5. An application containing preprinted information must contain a conspicuously placed notice stating that: “You have the legal right to mail or deliver this application directly to the local elections official of the county where you reside.”

6. Only the voter may sign the application.

7. If applications are distributed through the mail, they must be non-forwardable. EC §3008

8. Bar-coded voter identification numbers on applications must meet approval of the Elections Division prior to distribution. To avoid possible problems with affidavit numbers, candidates and committees are advised to obtain voter information directly from the Elections Division.

9. Applications for Vote by Mail ballots must be made in writing and be received by the Elections Division through June 1, 2010 (until the 7th day before the election). (Note: We can accept Vote by Mail applications from voters prior to E-29.)

10. Online Vote by Mail applications are also available at www.shapethefuture.org/apps/vabr/default.asp.

Candidates and committees may receive applications for Vote by Mail ballots. Applications must be submitted to the Elections Division within 72 hours of receipt or by June 1, 2010, whichever is sooner. EC §3008

Candidates and committees may not collect, receive or handle voted-by-mail ballots. Electronic applications are available on the Elections Division web site at www.shapethefuture.org. Only local elections officials are permitted to provide this application electronically. A person may NOT submit a Vote by Mail ballot application electronically for another registered voter. EC §§3007.7, 3008
Vote by Mail Ballots

Ballots must be received by the Elections Office by 8 p.m. on Election Day.

Voted ballots may be delivered by a spouse, child, parent, grandparent, grandchild, brother or sister, or a person residing in the same household only if the absent voter is unable to return the ballot personally because of illness or other physical disability. The name and relationship to the voter of the person returning the voted ballot must be entered on the Vote by Mail ballot return envelope. EC §3017 and Calif. Supreme Court

No person shall solicit the vote of a Vote by Mail voter, or do any electioneering while in the residence of or immediate presence of the voter during the time the Vote by Mail voter is voting. Violations may result in criminal penalties. EC §18371

Examples of persons who DO NOT HAVE ACCESS to voter registration:

The following are selected laws from Divisions 18 and 20 of the California Elections Code, Title 9 of the Government Code (Political Reform Act) and accompanying regulations regarding campaign activities. For a complete listing of restrictions on campaign practices and accompanying regulations, please refer to the Divisions and Titles in their entirety.

Campaign Literature and Simulation of the Ballot
Candidate Statement of Qualifications
Elections Code §18351 states, “Any candidate in an election or incumbent in a recall election who knowingly makes a false statement of a material fact in a candidate's statement, prepared pursuant to Section 11327 or 13307, with the intent to mislead the voters in connection with his or her campaign for nomination or election to a nonpartisan office is punishable by a fine not to exceed one thousand dollars ($1,000).”

Simulated Ballot
Elections Code §20009 states, “(a) Every simulated ballot or simulated sample ballot shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the statement or words or in 10-point roman type, whichever is larger, in a printed or drawn box and set apart from any other printed matter, the following statement:

NOTICE TO VOTERS
(Required by Law)

‘This is not an official ballot or an official sample ballot prepared by the county elections official or the Secretary of State.’

‘This is an unofficial, marked ballot prepared by _____ (insert name and address of the person or organization responsible for preparation thereof).’

Nothing in this section shall be construed to require this notice in any editorial or other statement appearing in a regularly published newspaper or magazine other than a paid political advertisement.

(b) No simulated ballot or simulated sample ballot referred to in subdivision (a) shall bear any official seal or the insignia of any public entity, nor shall that seal or insignia appear upon the envelope in which it is mailed or otherwise delivered.”

Campaign Advertising or Communication
As defined by election law, “means a communication authorized by a candidate or a candidate's controlled committee, . . . or by a committee making independent expenditures, . . . or by a committee formed primarily to support or oppose a ballot measure, . . . for the purpose of advocating the election or defeat of a qualified candidate or ballot measure through any broadcasting station, newspaper, magazine, outdoor advertising facility, direct mailing, or any other type of general, public, political advertising.” EC §304
Mass Mailing

Government Code §84305
“(a) Except as provided in subdivision (b), no candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type which shall be in a color or print which contrasts with the background so as to be easily legible. A post office box may be stated in lieu of a street address if the organization’s address is a matter of public record with the Secretary of State.
(b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.
(c) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision (a).”

Mass mailing, as defined in Government Code §82041.5, means over two hundred substantially similar pieces of mail, but does not include a form letter or other mail which is sent in response to an unsolicited request, letter or other inquiry.

Political Advertising

Elections Code §20008 states, “Any paid political advertisement that refers to an election or to any candidate for state or local elective office and that is contained in or distributed with a newspaper, shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the advertisement or in 10-point roman type, whichever is larger, the words "Paid Political Advertisement." The words shall be set apart from any other printed matter.

As used in this section "paid political advertisement" shall mean and shall be limited to, published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office."

Libel and Slander

“The provisions of Part 2 (commencing with Section 43) of Division 1 of the Civil Code, relating to libel and slander, are applicable to any campaign advertising or communication.” EC §20500
“(a) A candidate or state measure proponent is liable for any slander or libel committed by a committee that is controlled by that candidate or state measure proponent as defined by Section 82016 of the Government Code if the candidate or state measure proponent willfully and knowingly directs or permits the libel or slander.
(b) A person who is a sponsor of a sponsored committee, as defined by Section 82048.7 of the Government Code, is liable for any slander or libel committed by the sponsored committee if the sponsor willfully and knowingly directs or permits the libel or slander.” EC §20501

Electioneering on Election Day

No person, on election day, or at any time that a voter may be casting a ballot, shall, within 100 feet of a polling place or an elections official’s office:
(a) Circulate an initiative, referendum, recall, or nomination petition or any other petition.
(b) Solicit a vote or speak to a voter on the subject of marking his ballot.
(c) Place a sign relating to voters’ qualifications or speak to a voter on the subject of his qualifications except as provided in Section 14240.
(d) Do any electioneering.

As used in [this] section (Elections Code §18370) “100 feet of a polling place or an election official’s office” means a distance 100 feet from the room or rooms in which voters are signing the roster and casting ballots. Any person who violates any of the provisions of this section is guilty of a misdemeanor. EC §§18370
Corruption of Voting and Intimidation of Voters
Elections Code §18540 states,

“(a) Every person who makes use of or threatens to make use of any force, violence, or tactic of coercion or intimidation, to induce or compel any other person to vote or refrain from voting at any election or to vote or refrain from voting for any particular person or measure at any election, or because any person voted or refrained from voting at any election or voted or refrained from voting for any particular person or measure at any election is guilty of a felony punishable by imprisonment in the state prison for 16 months or two or three years.

(b) Every person who hires or arranges for any other person to make use of or threaten to make use of any force, violence, or tactic of coercion or intimidation, to induce or compel any other person to vote or refrain from voting at any election or to vote or refrain from voting for any particular person or measure at any election, or because any person voted or refrained from voting at any election or voted or refrained from voting for any particular person or measure at any election is guilty of a felony punishable by imprisonment in the state prison for 16 months or two or three years.”

Elections Code §18541 states, “(a) No person shall, with the intent of dissuading another person from voting, within 100 feet of a polling place:

(1) Solicit a vote or speak to a voter on the subject of marking his or her ballot.
(2) Place a sign relating to voters’ qualifications or speak to a voter on the subject of his or her qualifications except as provided in Section 14240.
(3) Photograph, videotape, or otherwise record a voter entering or exiting a polling place.
   (a) Any violation of this section is punishable by imprisonment in a county jail for not more than 12 months, or in the state prison. Any person who conspires to violate this section is guilty of a felony.
   (b) For purposes of this section, 100 feet means a distance of 100 feet from the room or rooms in which voters are signing the roster and casting ballots.”

For purposes of §18541 (a)(3), the photographing, videotaping, or recording of a voter must be in order to dissuade the person from voting. This does not apply to situations where newspaper photographers are photographing a polling place for journalistic purposes.

Elections Code §18543 states, “(a) Every person who knowingly challenges a person's right to vote without probable cause or on fraudulent or spurious grounds, or who engages in mass, indiscriminate, and groundless challenging of voters solely for the purpose of preventing voters from voting or to delay the process of voting, or who fraudulently advises any person that he or she is not eligible to vote or is not registered to vote when in fact that person is eligible or is registered, or who violates Section 14240, is punishable by imprisonment in the county jail for not more than 12 months or in the state prison.

(b) Every person who conspires to violate subdivision (a) is guilty of a felony.”

In addition, §18403 also states, “Any person other than an elections official or a member of the precinct board who receives a voted ballot from a voter or who examines or solicits the voter to show his or her voted ballot is punishable by a fine not exceeding ten thousand dollars ($10,000), by imprisonment in the state prison for 16 months or two or three years or in a county jail not exceeding one year, or by both the fine and imprisonment. This section shall not apply to persons returning an Vote by Mail ballot pursuant to Sections 3017 and 3021 or persons assisting a voter pursuant to Section 14282.”
The following are excerpts from the Education Code referring to school district elections, and are provided for informational purposes only. For a complete listing of restrictions on campaign practices and accompanying regulations, please refer to the Code’s Divisions and Titles in their entirety.

Consideration for Vote
“No one who holds, or who is seeking election or appointment to, any office or employment in a local agency shall, directly or indirectly, use, promise, threaten or attempt to use, any office, authority, or influence, whether then possessed or merely anticipated, to confer upon or secure for any person, or to aid or obstruct any person in securing, or to prevent any person from securing, any position, nomination, confirmation, promotion, change in compensation or position, within the local agency upon consideration or condition that the vote or political influence or action of such person or another shall be given or used in behalf of, or withheld from, any candidate, officer, or party, or upon any other corrupt condition or consideration. The prohibitions of this section shall apply to either urging or discouraging any political action of an employee.”  Ed. C. §7053

Use of District Funds/Supplies
“(a) No school district or community college district funds, services, supplies, or equipment shall be used for the purpose of urging the support or defeat of any ballot measure or candidate, including, but not limited to, any candidate for election to the governing board of the district.

(b) Nothing in this section shall prohibit the use of any of the public resources described in subdivision (a) to provide information to the public about the possible effects of any bond issue or other ballot measure if both of the following conditions are met:
   (1) The informational activities are otherwise authorized by the Constitution or laws of this state.
   (2) The information provided constitutes a fair and impartial presentation of relevant facts to aid the electorate in reaching an informed judgment regarding the bond issue or ballot measure.

(c) A violation of this section shall be a misdemeanor or felony punishable by imprisonment in the county jail not exceeding one year or by a fine not exceeding one thousand dollars ($1,000), or by both, or imprisonment in a state prison for 16 months, or two or three years.”  Ed. C. §7054
Spring 2010

To Candidates:

Every campaign season, our office receives a number of complaint calls regarding the placement of campaign signs on private property. This serves as a reminder of California Penal Code §556.1, which requires prior consent before placing advertising on private property:

“It is a misdemeanor for any person to place or maintain or cause to be placed or maintained upon any property in which he has no estate or right of possession any sign, picture, transparency, advertisement, or mechanical device which is used for the purpose of advertising, or which advertises or brings to notice any person, article of merchandise, business or profession, or anything that is to be or has been sold, bartered, or given away, without the consent of the owner, lessee, or person in lawful possession of such property before such sign, picture, transparency, advertisement, or mechanical device is placed upon the property.”

Also, I am enclosing copies of letters from the Department of Transportation describing current regulations for the placement of political signs. For your convenience, you will also find a listing of City Clerks in San Mateo County, whom you may contact about specific city ordinances.

I request that you review these materials, and that you inform anyone who is posting materials on your behalf of these requirements.

Thank you in advance for your attention to this important matter.

Sincerely,

Warren Slocum
Dear Candidate or Committee Member:

As a candidate or campaign worker for either an office or a ballot measure, this reminder about state law governing campaign signs should be helpful to you.

Section 5405.3 of the State Outdoor Advertising Act (California Business & Professions Code §§5200) exempts the placing of temporary political signs from normal outdoor advertising display requirements.

A temporary political sign meets the following criteria:

A. Encourages a particular vote in a scheduled election.

B. Is placed not sooner than 90 days prior to the schedule election and is removed within 10 days after that election.

C. Is no larger than 32 square feet.

D. Has had a Statement of Responsibility filed with the department certifying a person who will be responsible for removing the sign (attached).

A completed Statement of Responsibility must be submitted to the appropriate district office according to the county location of the temporary political sign(s).

Temporary political signs shall not be placed within the right-of-way of any highway, or be visible within 660 feet from the edge of the right-of-way of a classified “landscaped freeway”.

State law directs the Department of Transportation to remove unauthorized temporary political signs and bill the responsible party for their removal. We are calling these provisions to your attention to avoid possible embarrassment to you and your supporters. Please pass this information along to those assisting in your campaign.

If you have any questions, feel free to contact us at the Outdoor Advertising Office.

Election Day Observing & Procedure for Posting Results at the Polling Place

The Elections Division has procedures in place for election observers at the polling place. It is important that activities at the polling places are organized, operationally smooth, and hassle-free for both the voters and the Election Officers.

- Observers are welcome to watch all proceedings at the polls, including poll workers while opening up the polls, citizens preparing to vote, and, more commonly, to observe the closing activities.
- Observers have the right to raise questions to the Inspector or Judge, and may direct their questions about procedures to the Inspector; or, in the Inspector’s absence, to the Judge in charge.
- Observers may not go near a voting booth while occupied and may not approach voters during the voting process. Observers may talk to voters outside the polling place, beyond the “no-electioneering zone.”
- Observers may not directly challenge a voter – election law maintains it is only the poll worker’s right to challenge a particular voter.
- Observers may not interfere in any way with the voting process.

Elections law specifies procedures for the posting of the street index of voters at each polling place. This information is provided to you in order to assist you and your campaign on Election Day when seeking information on voters. Candidates and members of their election campaign team should be aware of the following procedures and should not interfere with or request the Election Officers to handle additional tasks on behalf of your campaign.

Election Code §14202 states: “(a) Before opening the polls, the precinct board shall post in separate, convenient places at or near the polling place, and of easy access to the voters, not less than two of the copies of the index to the affidavits of registration for that precinct. (b) In any county in which tabulating equipment is used to produce the index of registration, the copies of the index posted pursuant to this section shall be by street addresses in numerical order, unless otherwise provided by Section 2192.”

Election Code §14294 states: “At all elections, a member of the precinct board shall mark, on one of the copies of the index posted at or near the polling place, the name of each person who has voted, by drawing a line through the name of the voter, with a pen or indelible pencil. The board member shall mark off the names at least once each hour, to and including 6 p.m. In all counties not using the index roster, the board member shall draw a line under the last name signed in the roster at 6 p.m. or at the time of discontinuation of this procedure, whichever occurs last.”

For purposes of clarification, the Election Officers are directed to cross off only names of voters who voted in the polling place at that precinct on a precinct ballot. Election Officers shall not track other precincts, Vote by Mail voters, or anything other than the prescribed duties as indicated in the Elections Code, Poll Workers Handbook, the Poll Worker Digest, and/or the poll worker training classes.

County Election Officers will not comply with requests from campaigns to cross voters’ names off the street index who:

   a) may have dropped off a Vote by Mail Ballot on Election Day,
   b) have “Ballot Returned by Mail” noted on the Roster-Index, or
   c) are on a list provided by the campaigner to the Election Officers.
Election Code §14298 states: “(a) The precinct board shall maintain the copies of the index posted during the whole time of voting. These copies shall not be marked in any manner except by a member of the precinct board acting pursuant to Section 14294.

(b) A member of the precinct board shall post a notice on each index which reads as follows: ‘This index shall not be marked in any manner except by a member of the precinct board acting pursuant to Section 14294. Any person who removes, tears, marks, or otherwise defaces this index with the intent to falsify or prevent others from readily ascertaining the name, address, or political affiliation of any voter, or the fact that a voter has or has not voted, is guilty of a misdemeanor.’"

Semi-Official Canvass (Election Night Results)
The semi-official canvass will commence immediately upon the close of the polls at 8 p.m., June 8, 2010. (EC §15150) The counting of ballots will commence when all polls are closed within the County of San Mateo. (EC §15152) It is anticipated that the first report of semi-official results (Vote by Mail ballots only) will be released at 8:05 p.m., with cumulative updates scheduled every 30 minutes until completion.

Generally, a schedule of election night results is as follows:

- **Vote by Mail Ballots Only** 8:05 p.m.
- **All-Mail Ballot Precinct Results** 8:30 p.m.
- **Voting Center Results** 9:00 p.m.
- **Live Precinct Results** 9:30 p.m.
- **Live Precinct Results** every 30 minutes on the half-hour until complete

Ballots are cumulated at the following central counting location:

Elections Office
40 Tower Road
San Mateo, CA 94402

There are three different ways you may inquire about Election Night Semi-Official results:

1. View the results as they are posted on our website www.shapethefuture.org.
2. Request a fax or email of the Election Night Report. Please contact our office no later than 7 days prior to the election to make your request. The Elections Division will test this system prior to the election.
3. Call our main phone number; our staff is available to read results over the phone (650.312.5222)

Upon completion of the regular vote count, we publish a Precinct Turnout Report. This report will provide you with a precinct-by-precinct summary of vote totals. The Election Night Report will NOT provide votes cast for write-in candidates. Those totals are only available in the Statement of the Vote, which is released when the election is certified.

Final Official Canvass
Election results are not final until the canvass is complete (refer to Division 15 of the Elections Code for procedural requirements and timeframes). It typically takes about 28 days to complete the Official Canvass and certify the official results of the election. The official Statement of the Vote, showing the official final results (totals, precinct-by-precinct results, and votes for qualified write-in candidates) is available upon certification. Please call our office for further details. This document will be made available on our website at www.shapethefuture.org once the election is certified.
The Official Canvass & Election Certification
After the Election

Official Canvass

As described by the California Association of Clerks & Election Officials, the purpose of the Official Canvass is to verify the accuracy and validity of the votes counted, to resolve any discrepancies through review of the official election materials and unused ballots, and to complete the official vote count including write-in votes, Vote by Mail ballots, unused paper ballots from the polls and provisional ballots not included in the Semifinal Official Vote Count as distributed on Election Night.

During the Official Canvass, interested parties may choose to observe the Elections Office procedures. To observe this process, please feel free to contact 650-312-5222 or visit the office during normal business hours, Monday – Friday, from 8 a.m. to 5 p.m.

A press release detailing the Official Canvass will be available on the Elections website at www.shapethefuture.org.

Election Certification

Official results must be certified no later than 28 calendar days following an election. A certified “Statement of the Vote” will be available on the Elections website at www.shapethefuture.org and for purchase or viewing at the Elections Office, located at 40 Tower Road in San Mateo. Additionally, a certified statement of the results will be submitted to each appropriate district or jurisdiction by the county elections official.
