Don’t be fooled by the title of this measure. This measure is about the transfer of our money to a special interest group that most of us have never heard of: The San Francisco Bay Restoration Authority.

Most of the funds raised by this tax will enable a massive new and burdensome bureaucracy, with high paying salaries and fat pension plans.

And like all bureaucracies, they will never accomplish their stated goal: the restoration of the San Francisco Bay wetlands.

They will, however, work in fancy office buildings, travel around on generous per diem expense accounts, enjoy expensive “business meeting” luncheons and dinners, and otherwise spend every last cent this parcel tax acquires straight out of our family budgets.

And when that isn’t enough, they’ll come back to us taxpayers for more.

They always do.

If they were truly concerned about restoring the San Francisco Bay wetlands, there are many existing federal, state, and local funds that can be utilized without creating a whole new, bloated and expensive bureaucracy.

Don’t be fooled; this has virtually nothing to do with the environment — unless you consider the plush, air-conditioned offices of the bureaucrats as part of the “environment.” Ditto for the company cars they will be provided at our expense.

The measure purports to spend $25,000,000 for the next 20 years, or more than a half billion dollars of our money.

And will San Francisco Bay be restored in 20 years? You already know the answer to that question: NO.
Vote NO to send the clear message that existing taxes we already pay can restore the San Francisco Bay wetlands, and that it can be done without creating yet another wasteful bureaucracy.
