Primary Argument Signers Form

No more than five signatures shall appear with any argument. If more than five signatures are submitted, the first five listed shall be printed.

Names and titles listed will be printed in the order that they are listed below.

If the signers are part of a bona fide association/organization, there is no requirement that they be eligible to vote on the measure. However, for each such signing individual(s), the title under the signer’s name shall list the name of that bona fide association/organization and may include their position within that association/organization.

By signing below, the undersigned state that they have read the argument and believe it not to be false or misleading.

Argument in Favor of Measure I

Vote YES on Measure I to prevent classroom overcrowding and continue the excellent education we expect for local elementary and middle school students.

Belmont-Redwood Shores School District provides a top-notch education for local children. Student test scores are consistently well above the state standard for excellence and five of our schools have been named California Distinguished Schools.

Our excellent schools have attracted families to our community, causing student enrollment to surge. Student enrollment has increased by 42% over the last 7 years and is projected to grow by 20% in the next 6 years.

Without Measure I, our elementary schools and Ralston Middle School will become seriously overcrowded, threatening the quality of education in local classrooms. With enrollment increasing by nearly double the size of an average elementary school and Ralston’s student population increasing to over 1,400 students, Measure I is needed now to preserve the quality of education in our community.

Every penny of Measure I will benefit our Belmont and Redwood Shores schools, be controlled locally and cannot be taken away by the State.

Vote YES on Measure I:
- Provide classrooms for core academics, including science, math, reading and writing
- Add classrooms throughout the District to reduce overcrowding
- Add middle school science labs
- Provide up-to-date classroom computers and technology at all schools

Measure I requires strict fiscal accountability provisions.
- All funds will benefit local schools and cannot be taken by the State
- Independent citizens’ oversight and annual audits will ensure funds are spent as promised
- No funds can be used for administrators’ salaries
- Measure I qualifies our schools for future state matching funds that would otherwise be unavailable

We all know our outstanding local schools help keep our community and property values strong. Please join Belmont and Redwood Shores community leaders, parents, teachers and senior citizens—vote YES on I.
