Rebuttal to Argument Against Measure L

It's a shame that this lone opponent—who doesn't even live in Burlingame—is misleading voters to the detriment of local elementary and middle school students. This naysayer submitted arguments against every education measure in San Mateo County.

We know the facts and that's why we're voting Yes on L.

**Measure L is not a tax increase.** It simply continues existing funding for our schools to support critical academic programs and top-quality classroom instruction. It will expire in 14 years and cannot be renewed without voter approval.

Burlingame School District students achieve top scores on statewide exams. In fact, Burlingame schools are among the top 10% in the state in student achievement. Measure L will continue this success.

Measure L continues essential funding for basic academics in reading, writing, science and math, technology and excellent classroom instruction from top-notch teachers.

Members of the Burlingame School District Citizens' Oversight Committee and Fiscal Advisory Body agree: Measure L is fiscally sound. It supports students, not administrators. Ongoing oversight, annual third-party audits and reports to the community ensure wise spending.

Measure L continues a senior citizen exemption to protect those on fixed incomes.

We simply can't rely on the state to continue the excellent education we expect from Burlingame schools. Measure L is a local solution: every single penny goes straight to our schools for specific academic programs and cannot be taken by the state.

As Burlingame community leaders, we know our schools keep our neighborhoods and property values strong. Vote Yes on L.

David Harris, Member, Burlingame School District Fiscal Advisory Body
Jennifer Slaboda, Member, Burlingame School District Citizens' Oversight Committee
Jim Cannon, Trustee, San Mateo County Board of Education
Francine Hanna, Burlingame Business Owner
Kristin Andersen, Burlingame CPA
