Measure O is for Opportunity— the opportunity to protect what we all want for Half Moon Bay: modern learning facilities, improved roads, great parks, economic prosperity, enhanced property values and a vibrant future for our City.

The City of Half Moon Bay has worked hard in recent years to be fiscally responsible while maintaining essential city services. But, city facilities and infrastructure have deteriorated over the past four decades due to aging and constant use. By Voting YES on Measure O and renewing the ½ cent sales tax for an additional 3 years you will help fund important infrastructure projects, facility upgrades and city programs such as:

- Substantially funding a new library
- Upgrading Smith Field and other Recreational Facilities
- Improving City Parks
- Repairing additional City Streets
- Investing in youth and senior programs
- Tourism Promotion
- Economic Development support

Measure O includes tough accountability standards by requiring oversight by a Citizens Finance Advisory Committee.

All Measure O funds (100%) will stay locally controlled in Half Moon Bay.

These Funds will be reinvested into the community for the advancement and benefit of the community.

Basic necessities, like groceries and prescription medication, will not be taxed.

Visitors to Half Moon Bay will pay their fair share, so residents will not shoulder the entire cost.

Great things are happening in Half Moon Bay— keep the City on its positive trajectory by Voting YES on Measure O.
