I. ABBREVIATION OF THE MEASURE

(This summarizes, in 75 words or less, the full text of the measure which appears below.)

"To maintain our community commitment to existing small class sizes, high quality teachers and comprehensive academic programs, and renew the expiring educational special tax, shall the Menlo Park City Elementary School District continue to levy at the current annual rate of $201.38 per parcel, spent only on teachers and educational programs, beginning July 1, 2016, adjusted annually for inflation, with an exemption available to individuals 65 and over?"
II. FULL TEXT OF THE MEASURE

BEGINNING OF FULL TEXT OF MEASURE

MENLO PARK CITY ELEMENTARY SCHOOL DISTRICT
EXCELLENCE IN EDUCATION ACT OF 2016

This Proposition may be known and referred to as the “Menlo Park City Elementary School District Excellence in Education Act” or as “Measure A”.

FINDINGS

The Board of Education of the Menlo Park City Elementary School District (the “District”) has established the goals of preserving class sizes, retaining and employing its exemplary teachers, and maintaining high quality educational programs for all students.

The District will experience steep reductions in local revenue for the 2017-18 school year and thereafter in subsequent years with the expiration of a local educational special tax (“Measure C”) on June 30, 2017.

The District’s enrollment is significantly above the levels projected when Measure C was originally approved in 2010 and is projected to continue to remain significantly above those levels for the foreseeable future.

The Board of Education does not expect additional continuing funds from state, local or other sources to become available in an amount sufficient to maintain the small class sizes, high quality teachers and comprehensive educational programs currently provided by Measure C.

The Board of Education determined that in order to meet these extraordinary challenges and to maintain excellent schools in the District, it is necessary to replace Measure C and continue levying a special tax through Measure A.

TERMS

Upon approval of two-thirds of those voting on this Proposition, the District shall be authorized to levy a qualified special tax annually on each parcel of taxable real property in the District. The qualified special tax shall be known and referred to as the “Excellence in Education Tax”. The amount of the Excellence in Education Tax shall be no more than $201.38 per year per parcel of taxable property.

To account for the impact of inflation on the cost of delivering the classroom programs and student services supported by the Excellence in Education Tax, the tax rate shall be adjusted annually, commencing with the 2016-17 fiscal year, for inflation by the change in the “Consumer Price Index for all Urban Consumers San Francisco–Oakland–San Jose (1982-84=100)” published by the U.S. Department of Labor, Bureau of Labor Statistics. In the event this index is no longer published, the Board of Education shall adopt a comparable index of
general price levels, as it shall reasonably determine. The Board of Education shall cause the tax to be levied at the adjusted amount, or at such lesser amount in any year in which the Board deems such reduced amount sufficient and appropriate to meet the District’s budgetary needs, or believes such reduced amount is appropriate in reaction to State budget changes.

PURPOSES

Proceeds of the Excellence in Education Tax shall be authorized to be used to provide financial support to school programs directly benefiting students, as follows:

- to employ and retain classroom teachers;
- to maintain low student to teacher ratios;
- to preserve comprehensive educational programs; and
- to provide other supplemental financial support to the extent of the available funds to purchase instructional equipment, supplies, and materials for classroom instruction.

No proceeds shall be spent on direct or indirect costs of District administration.

Proceeds shall be fairly and equitably distributed, as the Board of Education of the District shall determine.

SENIOR CITIZEN EXEMPTION

In order to provide tax relief to senior citizens in the community, any parcel owned and occupied by a person 65 years of age or older shall be exempt from the Excellence in Education Tax upon proper application to the District. The exemption shall be available pursuant to procedures to be prescribed by the Board of Education or otherwise as required by law or by the San Mateo County Tax Collector. Senior citizens with a current valid exemption from any of the District’s special taxes shall be exempt from the Excellence in Education Tax and not be required to reapply, subject to those procedures.

ACCOUNTABILITY PROVISIONS

Independent Citizens’ Oversight Committee. The Board of Education shall establish an independent Citizens’ Oversight Committee (which may be the existing Measure C oversight committee) to review the Annual Audit and other records of how moneys raised under this Proposition have been spent in order to ensure that such moneys have been spent wisely and only for the purposes named in this Proposition. The Board of Education shall provide by resolution for the composition, duties, funding and other necessary information regarding the Committee’s formation and operation.

Annual Audit. Upon the levy and collection of the education parcel tax, the Board of Education shall cause an account to be established for deposit of the proceeds, pursuant to Government Code Section 50075.1. For so long as any proceeds remain unexpended, the Superintendent or the chief financial officer of the District shall cause a report to be filed with the Board of Education no later than December 31 of each year, commencing December 31, 2017, stating (1) the amount collected and expended in such year, and (2) the status of any projects or description of any programs funded. The costs of preparing the annual report may be paid from the proceeds of the parcel tax. The report may relate to the calendar year, fiscal year,
or other appropriate annual period, as said officer shall determine, and may be incorporated into or filed with the annual budget, audit, or other appropriate routine report to the Board of Education.

Specific Purposes. All of the purposes named in this Proposition shall constitute the specific purposes of the Excellence in Education Tax, and proceeds of the tax shall be applied only for such purposes.

LEVY AND COLLECTION

The Excellence in Education Tax shall be collected by the San Mateo County Treasurer-Tax Collector at the same time and in the same manner and shall be subject to the same penalties as ad valorem property taxes collected by the Treasurer-Tax Collector. Unpaid taxes shall bear interest at the same rate as the rate for unpaid ad valorem property taxes until paid.

"Parcel of taxable real property" shall be defined as any unit of real property in the District which receives a separate tax bill for ad valorem property taxes from the San Mateo County Treasurer-Tax Collector. "Parcel of taxable real property" shall exclude all parcels which are otherwise exempt from or on which are levied no ad valorem property taxes in any year, and all parcels which qualify for the Senior Citizen Exemption provided by this Proposition in any year.

The District shall annually provide a list of parcels to the San Mateo County tax collection officials which the District has approved for a Senior Citizen Exemption from the Excellence in Education Tax as described above. The San Mateo County Assessor's determination of exemption or relief for any reason of any parcel from taxation, other than through the Senior Citizen Exemption, shall be final and binding for the purposes of the Excellence in Education Tax. Taxpayers wishing to challenge the County Assessor's determination must do so under the procedures for correcting a misclassification of property pursuant to Section 4876.5 of the California Revenue and Taxation Code or other applicable procedures. Taxpayers seeking a refund of Excellence in Education Tax paid shall follow the procedures applicable to property tax refunds pursuant to the California Revenue and Taxation Code.

SEVERABILITY

The Board of Education hereby declares, and the voters by approving this Proposition concur, that every section, paragraph, sentence and clause of this Proposition has independent value, and the Board of Education and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this Proposition by the voters, should any part be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts hereof shall remain in full force and effect to the fullest extent allowed by law.
