Rebuttal to Argument Against Measure O

The author of the argument against Measure O does NOT live in Pacifica or even in San Mateo County. In fact, he lives in Morgan Hill and submits misleading negative arguments to all Pacifica education measures. He hasn’t taken the time to visit our schools or understand our needs.

As actual residents of Pacifica, we know the FACTS about why Measure O is so important for local schools:

FACT: Our community’s support for Pacifica schools has made them some of the best in the region, with outstanding teachers and excellent academic programs. Using this designated classroom funding for repairs would take resources away from students and could threaten teaching positions. We need Measure O.

FACT: It has been over 20 years since Pacifica’s last education bond measure. With nearby districts passing measures more recently, our local schools are now falling apart AND falling behind.

FACT: Pacifica schools operate on VERY tight budgets. State funding is STILL below pre-recession levels, and the State currently provides ZERO funding for the facility updates our schools need.

FACT: Measure O has a comprehensive list of projects that are prioritized to effectively repair and maintain local schools.

FACT: Many Pacifica School District schools were constructed almost 60 years ago, and critical repairs are needed that go beyond the scope of annual upkeep.

Measure O provides locally controlled funding that cannot be taken by the State. Citizen oversight and annual audits ensure funds are spent as promised.

WE know what is best for OUR kids. Join our community’s leaders in voting YES on O.
