ARGUMENT IN FAVOR OF MEASURE P

Vote YES on Measure P: help protect San Carlos’ elementary and middle schools’ strong academic programs, including reading, writing, math and hands-on science education, from cuts. Measure P protects locally controlled funds—that can’t be taken by the State—to support outstanding education for our students.

Our local schools are among the best in California, and our students continue to excel. However, our per-student State funding remains among the lowest in San Mateo County.¹

Since 2003, our community has supported San Carlos schools with stable, local funding to offset the gap between the actual cost of providing a high-quality education and the inadequate State funding our schools receive.

Although the State is slowly restoring funding in some districts after a decade of cuts, State officials continue to see our small San Carlos School District as a low priority.

Without passing Measure P, existing local funding will expire this year, and our schools will have to make drastic cuts to academic programs.

Local, voter-approved funds have been used as promised, helping to protect reading, writing and math programs and providing hands-on science curriculum.

Vote YES on Measure P to:
• Maintain hands-on science programs
• Emphasize math, science, reading and writing skills
• Expand programs like design, engineering, music and world languages
• Attract, train and retain highly qualified teachers
• Maintain programs that support bringing all students up to the highest level possible in reading, writing and math

Measure P funds stay in San Carlos classrooms:
• All money is controlled locally and cannot be taken by the State
• No money can be used for administrator salaries

Join us in voting YES on Measure P to continue providing great education in San Carlos schools.
