Ballot Measure Rebuttal Argument Submission Form

If both an argument in favor of and against a measure have been selected for publication in the voter information pamphlet, a rebuttal to the argument in favor of or the argument against the measure may be submitted as outlined in this form.

The author of the argument in favor of the measure may prepare and submit a rebuttal argument to the argument against the measure or may authorize in writing any other person or persons to prepare, submit, or sign the rebuttal argument. Likewise, the author of the argument against the measure may prepare and submit a rebuttal argument to the argument in favor of the measure or may authorize in writing any other person or persons to prepare, submit, or sign the rebuttal argument.

A rebuttal argument shall not be accepted unless accompanied by this completed form, which shall contain the printed name(s) and signature(s) of the person(s) submitting it or, if submitted on behalf of a bona fide association of citizens/organization, the name of the association/organization and the printed name and signature of at least one of its principal officers.

Word count limit for Rebuttal Arguments = 250

The rebuttal arguments shall be submitted to the elections official conducting the election no later than ______________________.

These rules apply to all rebuttal arguments unless a rebuttal argument is otherwise provided by law.

The two opponents of Measure P do not live in Foster City. They live in Morgan Hill and Belmont! They submit arguments like this against virtually every bond measure regardless of the needs or specifics. It's easy for them to oppose this common sense proposal because they don't face flood risk or mandatory flood insurance costing US thousands each year!

While they admit the need to improve the levee to protect Foster City from flooding, they clearly don't understand what makes Measure P different from most bond proposals: Measure P is FAR less expensive than the alternative.

Foster City's residents and most respected leaders support Measure P because of these simple facts:

- Measure P upgrades our levee to keep Foster City safe for about $272 annually for the average homeowner.
- Without Measure P, FEMA will designate Foster City as a flood zone, triggering approximately $2,000-$3,000 in mandatory flood insurance costs.

The choice is that simple: pay less to upgrade the levee and keep our homes, families and businesses safe. Or pay a lot more for expensive, unnecessary flood insurance while remaining at flood risk.

Foster City's respected police, firefighters and paramedics support Measure P because it protects homes, schools, businesses and roads from flooding. Measure P protects our essential city services and infrastructure so emergency services can respond in a disaster.

Foster City business leaders support Measure P because it's fiscally accountable. All funds stay local and can only be used to improve the levee. Mandatory citizen oversight and audits ensure funds are spent as promised.

Protect Our City. Protect Your Savings. Vote YES on P.
