# Primary Argument Signers Form

No more than five signatures shall appear with any argument. If more than five signatures are submitted, the first five listed shall be printed.

Names and titles will be printed in the order that they are listed below. If the signers are part of a bona fide association/organization, there is no requirement that they be eligible to vote on the measure. However, for each such signing individual(s), the title under the signer's name shall list the name of that bona fide association/organization and may include their position within that association/organization.

By signing below, the undersigned state that they have read the argument and believe it not to be false or misleading.

Ballot Argument in Favor of Measure “S” – Ravenswood City School District (031618)

At Ravenswood City School District, we face many challenges – but we continue to overcome them! With our community’s help, we are committed to the goal of providing every one of our students the education they deserve, in a classroom and on a campus they can be proud of.

However, all our schools were built over 50 years ago and have deteriorating classrooms and facilities. We began the process of making them what they should be by developing our Facilities Master Plan more than three years ago, and then took a significant step forward with your overwhelming support for Measure “H” in 2016.

But much more remains to be done. And the repairs continue to be urgent, and our students cannot wait. We must act now – vote YES on Measure “S”!

Beyond repairs, our children must also be ready for the jobs of tomorrow. Measure “S” will provide classrooms, and science and computer labs that expand opportunities in science, engineering, and math. It will improve technology and strengthen career education and college preparation facilities, all to ensure our students are prepared for 21st Century jobs.

So vote YES on Measure “S” to:

- Continue improving classrooms and facilities
- Repair more aging buildings
- Further upgrade safety, technology, science labs, and energy efficiency, AND
- Provide a quality learning environment for current and future students

Measure “S” has strict accountability requirements and can only be used to repair and upgrade our neighborhood schools. Measure “S” requires:

- A Citizens’ Oversight Committee
- NO money for administrators’ salaries
- Annual audits
- All funds spent locally on Ravenswood classrooms and facilities

Measure “S” makes sense. Measure “S” will continue improving Ravenswood schools – and we know that improving our schools makes our community a more desirable place to live, do business, and raise a family.

Vote YES on Measure “S”!
