Fax: 

Please complete the reverse side of this form.
Primary Argument Signers Form

No more than five signatures shall appear with any argument. If more than five signatures are submitted, the first five listed shall be printed.

Names and titles listed will be printed in the order that they are listed below.

If the signers are part of a bona fide association/organization, there is no requirement that they be eligible to vote on the measure. However, for each such signing individual(s), the title under the signer's name shall list the name of that bona fide association/organization and may include their position within that association/organization.

By signing below, the undersigned state that they have read the argument and believe it not to be false or misleading.

Argument in Favor of Measure S
Bayshore Elementary School District

Everyone knows the importance and value of having quality schools. From higher achieving students, to greater neighborhood safety and improved property values, quality schools make a difference. While our teachers and staff do a great job in educating our children, many classrooms and school facilities at the Bayshore Elementary School District are outdated and inadequate to provide students with the facilities they need to succeed. This is why our children need your YES vote on Measure S!

Over the years our District has made improvements to modernize, upgrade, and renovate many of our local classrooms and school facilities. Today, we need to finish the job we started by completing school construction projects and improving access to 21st century classrooms and technology. Measure S will allow us to prepare our children for productive futures by meeting today's safety, technological, and educational standards. This will not only improve our schools, but benefit our community.

If passed, Measure S will provide funding to make facility improvements at Bayshore schools including:

- Constructing classrooms to support math, reading, and writing programs
- Improving student access to computers and modern technology
- Finishing construction of a new school
- Ensuring all classrooms meet health, safety and handicapped accessibility requirements

Measure S makes financial sense and protects taxpayers:

- All funds must be spent locally and cannot be taken by the State.
- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee.
- Funds can only be spent to improve our local schools, not for teacher or administrator salaries.

Measure S upgrades, renovates and constructs school facilities, improves the education of local children, and maintains the quality of our community. That's something we can all support. Please join us and VOTE YES ON MEASURE S!
