Argument in Favor of Measure T

Vote Yes on Measure T to retain the highly qualified teachers and protect the core academic programs that help local elementary and middle school students succeed.

Our local elementary and middle schools in Jefferson Elementary School District are the third lowest funded in San Mateo County. Measure T provides a dedicated source of local education funding so that all local students receive access to a top-quality education, just like children in neighboring communities.

Measure T protects the quality of academic instruction in core subjects like math, science, technology, reading and writing — the keys to student success. It will help struggling students by maintaining and expanding literacy and after-school programs, providing all students the chance to excel.

Measure T is controlled locally to support strong education in the classroom. All funds go directly to our local schools. The state can’t take away a single penny.

Vote Yes on T — Success for Every Child

- Attract, retain and train highly qualified teachers
- Protect core academics in math, science, technology, reading and writing
- Maintain dedicated reading instruction for struggling students
- Expand hands-on science programs
- Keep schools safe, clean and well maintained
- Expand after-school and summer learning opportunities to keep students on the right track

All Funds Will Support Local Students

- All Measure-T funds will be controlled locally and cannot be taken away by the state
- Independent citizens’ oversight and annual audits are required to ensure every penny is spent as promised
- No funds can be used to pay administrators’ salaries or benefits
- Senior citizen homeowners are eligible for an exemption
- Measure T expires in nine years and cannot be renewed without voter approval

All students deserve a great education and equal opportunities to succeed. Your Yes vote on Measure T will support the keys to student success in our community: quality academic programs and highly qualified teachers.
