Argument in Favor of Measure V

Vote Yes on Measure V to save Black Mountain and give our community a new park to enjoy for generations, not 100 more homes and more traffic.

Black Mountain is one of the last remaining undeveloped areas in San Carlos. Now this unprotected open space is threatened because it is up for sale and development.

But we have a choice. Do nothing, and see it lost forever, or vote Yes on Measure V to preserve the land and create a park for all to enjoy.

Measure V allows our community to seize this unique opportunity to protect our last large area of open space, thereby making it accessible to the public and preserving it for all time.

With so much development and traffic congestion on the Peninsula, it is vital to preserve this beautiful open space and maintain a balance we could lose. We must act now to protect one of San Carlos’ few remaining natural areas before it is gone forever.

Measure V – a park, not 100 homes:

- Permanently protect some of the last remaining undeveloped land and open space in San Carlos
- Provide tranquil walking paths, trails and recreation for all ages to enjoy
- Protect a local water source
- Ensure local control of Black Mountain forever – an important legacy for future generations

Measure V protects San Carlos taxpayers:

- All funds must be spent in San Carlos only to create a park on Black Mountain – no funds can be spent for any other purpose
- No money for City administrator salaries
- A volunteer citizens’ committee will participate in an open, public process to design the new Black Mountain Park
- An independent citizens’ oversight committee will ensure that funds are spent as promised

Join your friends and neighbors, and local community and business leaders, to protect Black Mountain from development—vote Yes on V!
