Don’t be misled! Vote Yes on Y for Quality Education!

Don’t be fooled by out-of-town special interests who don’t know or care about our students. Their statements are deceptive and misleading, it’s absurd.

Fact: our elementary and middle schools provide all local students of diverse needs with quality education. Yes on Y maintains and extends educational quality by simply continuing existing, voter-approved local funding with no increase in the current tax rates.

Fact: Yes on Y maintains $7,000,000 annually in local funding. Without Yes on Y, the loss per student is $560 each year.

Fact: Yes on Y helps attract and retain high-quality teachers and educational staff by supporting critical education programs.

Fact: Yes on Y helps protect our property values by maintaining our quality schools, making our neighborhoods more desirable.

Fact: Yes on Y funds local schools only. The State cannot take one penny of Yes on Y funds. Yes on Y funds can’t be used for Administrator salaries or benefits.

Fact: Yes on Y is fiscally accountable, with annual audits, an independent citizen’s oversight committee, and continued exemptions for seniors 65+. Seniors who don’t have an exemption may apply for and receive one.

Again, there’s one thing Measure Y won’t do—it doesn’t increase the tax rates you currently pay.

Our opponents don’t know our local schools’ needs, but we do! Join parents, teachers, educators, civic leaders, realtors, and a unanimous school board in voting Yes on Y!
