Argument in Favor of Measure __

Measure __ will protect academic excellence in Woodside Elementary School without raising taxes. Measure __ simply continues an existing measure to maintain the high quality of education students receive by protecting core academic programs in math, science, reading, writing and the arts and helping to attract and retain the highest quality teachers to educate our students.

Woodside Elementary School is a cornerstone of our community and is part of what makes our neighborhoods exceptional. Our excellent teachers and rigorous math, science and reading curriculum have prepared generations of students to succeed. This measure is critical to help us keep pace with other top school districts.

Specifically, Measure __ will:

- Help attract and retain high quality teachers
- Continue funding for core programs in math, science, reading and writing
- Maintain smaller class sizes
- Continue funding for arts, music and foreign language classes
- Maintain school facilities and athletic fields

Measure __ is a local measure. All funds generated will stay in Woodside for our local students. By law, this money cannot be taken away by the State or spent on administrators’ salaries or pensions. Taxpayer protections are required and an Independent Citizens’ Oversight commission will ensure funds are spent properly.

Measure __ provides an exemption for senior citizens.

Measure __ is a modest, thoughtful proposal that asks for significantly less money than neighboring districts. Great schools make great communities by protecting our property values and keeping ours strong and prosperous. Measure __ is a wise investment that will not increase local tax rates but will protect our local school district.

Join neighbors, parents, teachers and local community leaders to support Woodside Elementary School. PLEASE, VOTE YES on __.
