Dear Candidate:

I congratulate you on your decision to run for office and offer your leadership to the people of San Mateo County. There are important challenges facing the School Districts, Special Districts and Cities of San Mateo County and I salute your willingness to tackle these issues.

As a candidate for office, you are now responsible for legally setting up your campaign, filing for office and submitting all of the necessary forms. It can be confusing even for the most seasoned of candidates.

We have developed this Candidates’ Guide along with Candidate Seminars and a Voter Data Seminar to help you understand your responsibilities, reporting requirements, and deadlines as well as how to obtain and use voter data in your campaign. I highly recommend that you attend these seminars. Even if you’ve run before and are familiar with the process, laws change, forms change and reporting requirements change. If you are unable to attend a seminar, I encourage you to read the Candidate Guide carefully.

The Candidate Seminars will be held on July 13 at 2 p.m. and July 21 at 10 a.m and a Data Seminar will be held July 29 at 2 p.m. at the Elections Office at 40 Tower Road in San Mateo. You are welcome to bring your key volunteer(s) or campaign staff member(s) to this seminar. Just let us know who will be coming.

In addition to the seminars, our website, www.shapethefuture.org, has an abundance of useful information for candidates and campaigns, including an election calendar, information on how to request voter file data, an electronic copy of the Candidates’ Guide for this election, the specific requirements and steps for including voter registration and/or Vote by Mail information in your campaign materials, polling place lookups, voting options for voters, and much more.

I also want to encourage you to participate in Smart Voter, a nonpartisan, comprehensive voter education resource provided by the League of Women voters (www.smartvoter.org). Their contact information is included.

Lastly, it is a privilege and honor to serve you in my new capacity as your Chief Elections Officer. My office is ready to answer your questions and provide assistance. I encourage you to direct your questions regarding candidate filings to our Filing Officer, Megan Asmus at (650) 312-5293 or email her at masmus@smcare.org.

Sincerely,

Mark Church

Candidate Qualifications for Office

Unless otherwise specifically provided, no person is eligible to be elected or appointed to an elective office unless that person is a registered voter and otherwise qualified to vote for that office at the time that nomination papers are issued to the person or at the time of the person's appointment.  _EC §201_

**SCHOOL DISTRICT GOVERNING BOARD MEMBERS:** Any person, regardless of sex, who is 18 years of age or older, a citizen of the state, a resident of the school district, a registered voter, and who is not disqualified by the Constitution or laws of the state from holding a civil office, is eligible to be elected or appointed as a member of a governing board of a school district without further qualifications. An employee of a school district may not be sworn into office as an elected or appointed member of that school district’s governing board unless and until he or she resigns as an employee. If the employee does not resign, the employment will automatically terminate upon being sworn into office.  _Ed Code §§35107_

**SPECIAL DISTRICT BOARD MEMBER:** A candidate must be a resident and qualified elector of the district. For additional requirements consult the specific code or enabling legislation that regulates the district. All 29 California Codes can be accessed at [www.leginfo.ca.gov/calaw.html](http://www.leginfo.ca.gov/calaw.html).

**REGIONAL ADVISORY COUNCIL:** Candidate must be a resident and qualified elector of the District. Any person, regardless of sex, who is 18 years of age or older, a citizen of the state, a resident of the district, a registered voter, and who is not disqualified by the Constitution or laws of the state from holding civil office, is eligible to be elected or appointed a member of the Council of the Regional Advisory Board without further qualifications.

**CITY OFFICES:** A person is not eligible to hold office as councilmember, city clerk, or city treasurer unless he or she is at the time of assuming the office an elector of the city, and was a registered voter of the city at the time nomination papers are issued to the candidate as provided for in Section 10227 of the Elections Code.  _GC §36502(a)_

*Please contact your City Clerk for complete eligibility and filing information.*
Holding Two Offices

The 1999 San Mateo County Grand Jury recommended that all candidates be made aware that individuals cannot hold incompatible offices. If a candidate is elected to an office that is incompatible with the first office, the first office becomes vacant upon the taking of the second office.

While there is no statute that defines what an “incompatible office is,” there is a common law doctrine of incompatible offices. This doctrine precludes public officials from holding two different public offices simultaneously if the offices have overlapping and conflicting public duties. Courts have summarized the doctrine as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.” (Mott v. Horstmann (1950) 36 Cal.2d 388; see also, Chapman v. Rapsey (1940) 16 Cal.2d 636.)

The Attorney General’s Office has issued many opinions as to whether certain offices are incompatible or not. Here are five examples of offices that the Attorney General Offices has opined were incompatible: (1) the offices of city councilman and school district board member where the city and the school district have territory in common; (2) the positions of fire chief of a county fire protection district and member of the board of supervisors of the same county; (3) the offices of trustee of a high school district and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district; (4) water district director and a city council member and (5) a water district director and a school district trustee having territory in common.

Footnotes

13.5. (a) (1) Notwithstanding subdivision (a) of Section 13, no person shall be considered a legally qualified candidate for any of the offices set forth in subdivision (b) unless that person has filed a declaration of candidacy, nomination papers, or statement of write-in candidacy, accompanied by documentation, including, but not necessarily limited to, certificates, declarations under penalty of perjury, diplomas, or official correspondence, sufficient to establish, in the determination of the official with whom the declaration or statement is filed, that the person meets each qualification established for service in that office by the provision referenced in subdivision (b).

(2) The provision of "documentation," for purposes of compliance with the requirements of paragraph (1), may include the submission of either an original, as defined in Section 255 of the Evidence Code, or a duplicate, as defined in Section 260 of the Evidence Code.

(b) This section shall be applicable to the following offices and qualifications therefore:
(1) For the office of county auditor, the qualifications set forth in Sections 26945 and 26946 of the Government Code.
(2) For the office of county district attorney, the qualifications set forth in Sections 24001 and 24002 of the Government Code.
(3) For the office of county sheriff, the qualifications set forth in Section 24004.3 of the Government Code.
(4) For the office of county superintendent of schools, the qualifications set forth in Sections 1205 to 1208, inclusive, of the Education Code.
(5) For the office of judge of the superior court, the qualifications set forth in Section 15 of Article VI of the California Constitution.
(6) For the office of county treasurer, county tax collector, or county treasurer-tax collector, the qualifications set forth in Section 27000.7 of the Government Code, provided that the board of supervisors has adopted the provisions of that section pursuant to Section 27000.6 of the Government Code. (Note: The Board of Supervisors has NOT adopted the qualifications of GC §27000.7) Amended by Stats. 2002, c. 784, §92
Required Forms and Procedures for All Offices

**Declaration of Candidacy Form**
No person shall be considered a legally qualified candidate for any office under the laws of this state unless that person has filed a declaration of candidacy or statement of write-in candidacy with the proper official for the particular election or primary, or is entitled to have his or her name placed on a general election ballot by reason of having been nominated at a primary election, or having been selected to fill a vacancy on the general election ballot as provided in Section 8806, or having been selected as an independent candidate pursuant to Section 8304.

Nothing in this section shall be construed as preventing or prohibiting any qualified voter of this state from casting a ballot for any person by writing the name of that person on the ballot, or from having that ballot counted or tabulated, nor shall any provision of this section be construed as preventing or prohibiting any person from standing or campaigning for any elective office by means of a "write-in" campaign. However, nothing in this section shall be construed as an exception to the requirements of Election Code Section 15341.

It is the intent of the Legislature, in enacting this section, to enable the Federal Communications Commission to determine who is a "legally qualified candidate" in this state for the purposes of administering Section 315 of Title 47 of the United States Code.

EC §13

No candidate’s name shall be printed on the ballot unless a declaration of candidacy and nomination papers are delivered for filing with the county elections official. The candidate is to execute the declaration of candidacy in the office of the county elections official unless the candidate has signed and dated a written statement designating a person to receive a declaration of candidacy form from the county elections official for the candidate or, upon request of a candidate, the county elections official shall provide the candidate with a declaration of candidacy and nomination papers. Such statement shall include language explaining that the candidate is aware that the declaration of candidacy must be properly executed and delivered to the county elections official of the county of the candidate’s residence by 5 p.m., August 12, 2011.

EC §§8020, 8028, 8040, 8041, and 8060

Declaration of Candidacy forms for all district offices shall be obtained from and filed with the office of the county elections official. Candidates seeking elective City office are required to obtain and file all nomination documents with the City Clerk, respective to the office they seek.

**Name on Ballot**
The candidate’s name as provided by the candidate on the Declaration of Candidacy is the way it will appear on the ballot. The Declaration of Candidacy cannot be changed after the nomination process is complete.
No title or degree shall appear on the same line on a ballot as a candidate’s name, either before or after the candidate’s name, in the case of any election to any office.  
EC §13106

If the candidate has changed his or her name within one year prior to the election, the new name will not appear on the ballot unless the change was made by marriage or by Decree of Court.  EC §13104

**Ballot Designation**

Candidates have the option of using a ballot designation. The ballot designation is the word, or group of not more than three (3) words, which will appear on the ballot under the candidate’s name, designating the current principal profession, vocation, or occupation of the candidate.

The ballot designation that a candidate may use is governed by Election Code §13107 which states the following:

(a) With the exception of candidates for Justice of the State Supreme Court or court of appeal, immediately under the name of each candidate, and not separated from the name by any line, may appear at the option of the candidate only **one** of the following designations:

1. Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or to which he or she was appointed, in the case of a superior court judge.

2. The word "incumbent" if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or, in the case of a superior court judge, was appointed to that office.

3. No more than three words designating either, the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.

4. The phrase "appointed incumbent" if the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word "appointed" and the title of the office. In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed." However, the phrase "appointed incumbent" shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326 and 5328 of the Education Code or Section 7228, 7423, 7673, 10229, or 10515 of this code.
(b) Neither the Secretary of State nor any other election official shall accept a designation of which any of the following would be true:

1. It would mislead the voter.
2. It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
3. It abbreviates the word "retired" or places it following any word or words which it modifies.
4. It uses a word or prefix, such as "former" or "ex-," which means a prior status. The only exception is the use of the word "retired."
5. It uses the name of any political party, whether or not it has qualified for the ballot.
6. It uses a word or words referring to a racial, religious, or ethnic group.
7. It refers to any activity prohibited by law.

(c) If, upon checking the nomination documents, the election official finds the designation to be in violation of any of the restrictions set forth in this section, the election official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address appearing on the candidate's nomination documents.

1. The candidate shall, within three days from the date of receipt of the notice, appear before the election officer or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide an alternate designation.
2. In the event the candidate fails to provide an alternate designation, no designation shall appear after the candidate's name.

(d) No designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (c) or as provided in subdivision (e).

(e) The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days prior to the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request.

(f) In all cases, words so used shall be printed in 8-point roman uppercase and lowercase type except that, if the designation selected is so long that it would conflict with the space requirements of Sections 13207 and 13211, the elections official shall use a type size for the designation for each candidate for that office sufficiently smaller to meet these requirements.

(g) Whenever a foreign language translation of a candidate's designation is required under the Voting Rights Act of 1965 (42 U.S.C.A. Sec. 1971), as amended, to appear on the ballot in addition to the English language version, it shall be as short as possible, as consistent as is practicable with this section, and shall employ abbreviations and initials wherever possible in order to avoid undue length. Amended by Stats. 1998, c. 931, §138; 1999 c. 312; 2002, c. 784, §98

A ballot designation worksheet must be completed at the time of filing. Election Code 13107.3 states:

(a) Each candidate who submits a ballot designation pursuant to subdivision (a) of Section 13107 shall file, in addition to the nomination documents filed pursuant to Section 8020, a ballot designation worksheet that supports the use of that ballot designation by the candidate, in a format prescribed by the Secretary of State.

(b) The ballot designation worksheet shall be filed with the elections official at the same time that the candidate files his or her declaration of candidacy.
(c) In the event that a candidate fails to file a ballot designation worksheet in accordance with subdivision (a), no designation shall appear under the candidate’s name on the ballot.

**Use of the term “Community Volunteer” as a Ballot Designation**

13107.5. (a) A candidate's ballot designation as "community volunteer" shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:

1. A candidate's community volunteer activities constitute his or her principal profession, vocation, or occupation.
   a. A candidate is not engaged concurrently in another principal profession, vocation, or occupation.
   b. A candidate may not use the designation of "community volunteer" in combination with any other principal profession, vocation, or occupation designation.
   c. The Secretary of State shall by regulation define what constitutes a community volunteer for purposes of this section.

Ballot Designation Worksheet (Required)
As a supplement to the ballot designation indicated on a candidate’s Declaration of Candidacy, a Ballot Designation Worksheet is required of all candidates. The Ballot Designation Worksheet provides verification and supporting information as to the validity of the candidate’s proposed designation as well as alternate designations, should the Elections Official find the proposed designation to be invalid.

Code of Fair Campaign Practices (Optional)
The Legislature declares that the purpose of this chapter [Chapter 5, Division 20 of the California Elections Code] is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices. It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions. EC §20400

At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official, shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary. The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election. Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection. In no event shall a candidate for public office be required to subscribe to or endorse the code. EC §§20440 – 20444

Chinese Transliteration Form (Required)
As of July 2002, all election information that is provided in English about voter registration, elections and voting, including information provided in polling places and the voting booths, must be provided in Chinese and Spanish to the extent needed to allow effective participation of all individuals in the electoral process and all voting related activities. Section 203 of the Voting Rights Act, 42 U.S.C. 1973aa-1a
The Voting Rights Act applies to all elections conducted by San Mateo County, which includes cities, special districts and school districts. This is a federal mandate that is not funded; therefore the election costs will be divided amongst the jurisdictions holding elections and the candidates submitting candidate statements. As a result of these requirements, costs for printing and handling of candidate statements have increased. Further information can be found through the Department of Justice website at www.usdoj.gov/crt/voting/sec_203/activ_203.htm

Candidate names are listed in English along with a Chinese transliteration in the Chinese version of the Sample Ballot and Official Ballot. Each candidate must complete a Chinese Transliteration form designating one of three options with respect to how their name appears on the Chinese version of the Sample Ballot and Official Ballot. The candidate can choose to provide his/her own Chinese transliteration of their name, have a court certified translator determine the Chinese transliteration of their name, or choose to have their name printed only in English.

Candidate & Campaign Resources and Guidelines
Campaign Disclosure Information

The Political Reform Act requires candidates to file campaign statements disclosing contributions received and expenditures made. The statutory requirements of the Political Reform Act are contained in Sections 81000 through 91015 of the California Government Code. You may contact the Technical Assistance Division of the Fair Political Practices Commission at the following: 428 J Street, Suite 620, Sacramento, CA 95814; phone 916.322.5660 (Toll Free 1-866-ASK-FPPC) or visit their web site at www.fppc.ca.gov.

Form 501 - Candidate Intention
To be filed with the filing officer who will receive your original campaign disclosure statements prior to soliciting or receiving contributions in any election. Must be filed before you solicit or receive any contributions or before making expenditures of personal funds on behalf of your candidacy.

Form 410 - Statement of Organization
Form 410 is used when organizing a committee. A Statement of Organization must be filed within 10 days of receiving $1,000 in contributions. File the original and one copy with the Secretary of State’s Political Reform Division and a copy with the County Clerk. *Form 410 now includes an area to indicate the campaign bank account information. Form 502 is no longer required.

Form 460 - Form/Consolidated Campaign Statement
Form 460 is used for a Recipient Committee Campaign Statement. For use by a candidate or officeholder who has a controlled committee, or who has raised or spent or will raise or spend $1,000 or more during a calendar year in connection with an election to office, or holding office.

Form 465 – Supplemental Independent Expenditure Statement
Officeholders, candidates, recipient committees, major donor committees, and independent expenditure committees that make independent expenditures totaling $1,000 or more in a calendar year to support or oppose a single candidate, a single measure, or the qualification of a single measure. (*Note: Proposition 34 prohibits a controlled committee of a candidate from making independent expenditures and contribution of funds to another committee for the purpose of supporting or opposing another candidate.)

An “independent expenditure” is an expenditure made in connection with a communication (e.g., a billboard, advertisement, mailing) that expressly advocates the nomination, election, or defeat of a clearly identified candidate, or the qualification, passage, or defeat of a clearly identified measure, or taken as a whole and in context, unambiguously urges a particular result in an election but which is not made to—or at the behest of—the affected candidate or committee.

Form 470 - Candidate and Office Holder Campaign Statement - Short Form
This form is used by candidates who do not have a controlled committee, and do not anticipate receiving contributions or making expenditures totaling $1,000 or more in a calendar year. If the Form 470 is filed on or before the filing deadline for the first pre-election campaign statement, no additional campaign statement need be filed in connection with the election so long as total receipts/expenditures remain less than $1,000.

Form 470 Supplement
A candidate who has filed Form 470 in connection with an election and subsequently receives contributions or makes expenditures totaling $1,000 or more is required to file notification within 48-hours. Form 470 Supplement may be used, and must be sent by telegram, guaranteed overnight service, personal delivery or fax to the Secretary of State, the local filing officer, and to each of his or her opponents seeking the same office.
Form 496 – Late Independent Expenditure Report

Outreach and Information

Candidate Statements
Each candidate for nonpartisan elective office has the option to submit a candidate’s statement. This statement is incorporated into the sample ballot and official voter information pamphlet, generally at the candidate’s expense, and will be mailed to all registered voters in the district eligible to vote for that particular candidate. Elections Code §13307 governs the preparation and form of the candidate statement.

Elections Code §13307:
(a) (1) Each candidate for nonpartisan elective office in any local agency, including any city, county, city and county, or district, may prepare a candidate's statement on an appropriate form provided by the elections official. The statement may include the name, age and occupation of the candidate and a brief description, of no more than 200 words, of the candidate's education and qualifications expressed by the candidate himself or herself. However, the governing body of the local agency may authorize an increase in the limitations on words for the statement from 200 to 400 words. The statement shall not include the party affiliation of the candidate, nor membership or activity in partisan political organizations.

(b) The statement authorized by this subdivision shall be filed in the office of the elections official when the candidate's nomination papers are returned for filing, if it is for a primary election, or for an election for offices for which there is no primary. The statement shall be filed in the office of the elections official no later than the 88th day before the election, if it is for an election for which nomination papers are not required to be filed.

(c) Except as provided in Section 13309, the statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5 p.m. of the next working day after the close of the nomination period.

(d) Nothing in this section shall be deemed to make any statement or the authors thereof free or exempt from any civil or criminal action or penalty because of any false, slanderous, or libelous statements offered for printing or contained in the voter's pamphlet.
Before the nominating period opens, the local agency for that election shall determine whether a charge shall be levied against that candidate for the candidate's statement sent to each voter. This decision shall not be revoked or modified after the seventh day prior to the opening of the nominating period. A written statement of the regulations with respect to charges for handling, packaging, and mailing shall be provided to each candidate or his or her representative at the time he or she picks up the nomination papers.

**Guidelines for Preparation of Candidate Statements**

The text of the statement shall not exceed 200 or 400 words, as determined by the district. Word count standards shall be pursuant to Elections Code §9.

**Elections Code, Division §9. (a)**

Counting of words, for purposes of this code, shall be as follows:

1. Punctuation is not counted.
2. Each word shall be counted as one word except as specified in this section.
3. All geographical names shall be considered as one word; for example, "County of San Mateo" shall be counted as one word.
4. Each abbreviation for a word, phrase, or expression shall be counted as one word.
5. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.
   - Examples: "mother-in-law", "first-rate", "one-time" will be counted as one word. "one-half", "local-area", "home-page" will be counted as two words.
6. Dates consisting of a combination of words and digits (April 22, 2011) shall be counted as two words. Dates consisting only of a combination of digits (4/22/2011 or 1999-2000) shall be counted as one word.
7. Any number consisting of a digit or digits shall be considered as one word. Any number which is spelled, such as "one," shall be considered as a separate word or words. "One" shall be counted as one word whereas "one hundred" shall be counted as two words. "100" shall be counted as one word.
8. Telephone numbers shall be counted as one word.
9. Internet website addresses shall be counted as one word.

(a) This section shall not apply to counting words for ballot designations under Section 13107.

**Additional Practices**

- Characters used in place of a word or number, such as "$" or "&" shall be counted as one word.
- Name, age, occupation, and punctuation are not counted toward the word limit.
- If the text exceeds the word limit, the author will be asked to rewrite the text in order to bring the total number of words within the required word limit. If the author is not available at the time of filing to bring the total number of words within the required word limit, the elections official will remove words from the end of the document accordingly.

All statements must be submitted on, or attached to, the form provided by the county election official. Statements must be formatted pursuant to the guidelines provided by the county. Statements not submitted in the appropriate format will be reformatted by the county election official. The county election official bears no responsibility for the correct typesetting of statements that must be reformatted.

Statements shall not, in any way, make reference to other candidates for office or to another candidate’s qualifications, character or activities. Moreover, no statement shall contain any demonstrably false, slanderous or libelous statements nor any obscene or profane language.
It is strongly recommended that the statement be filed personally by the candidate. If the statement is filed by someone other than the candidate, that person should have the authority to make corrections or deletions to the statement in the event that errors or an excess number of words are detected prior to filing the statement. Statements received by mail prior to the deadline will be filed provided that they meet the statutory requirements and county policies regarding candidates’ statements. Statements may not be changed after filing.

Candidates’ statements are available for public examination in the county election official’s office during the 10-day calendar review period (commencing at 5 p.m. on Friday August 12) prior to submission for printing. During this period any voter of the jurisdiction in which the election is to be held, or the county election official, may seek a writ of mandate or an injunction requiring any or all of the material in the statement to be amended or deleted. Venue for such a proceeding shall be the county in which the statement is filed.

Time Period
The filing period for local non-partisan candidate’s statement is July 18, 2011 through August 12, 2011 at 5 p.m. The statement shall be filed, along with payment, when the candidate’s nomination papers are returned for filing. Once filed, statements cannot be changed.

Withdrawal
Any candidate may withdraw his/her statement of qualifications, either in person or by a signed statement of withdrawal, no later than 5 p.m. of the next business day following the close of nominations (Monday, August 15, 2011).

Confidentiality
Notwithstanding the California Public Records Act, the statements filed pursuant to Section 13307 of the Elections Code shall remain confidential until expiration of the filing deadline. EC §13311

Public Review
Candidates’ statements are available for public examination in the county election official’s office during the 10-day calendar review period (commencing at 5 p.m. on Friday, August 12, 2011) prior to submission for printing. During this period any voter of the jurisdiction in which the election is to be held, or the county election official, may seek a writ of mandate or an injunction requiring any or all of the material in the statement to be amended or deleted. EC §13313

Preparation of Candidate Statement
In order to insure uniformity of all candidates’ statements, each candidate must prepare his/her statement according to the following guidelines:

1. Type your Candidate Statement exactly as you wish it to appear. Attach the printed copy to the form provided to you. When prepared in accordance with these standards, statements are printed exactly as submitted.
2. Use of typographic marks or styling such as bullets, lists, italicization, and bolding is not permitted.
3. Use of font color other than 100% black is not permitted.
4. In addition to hard copy, please provide the statement on a CD or through email in an editable text file such as Microsoft Word, plain text, or similar format. Statements can be emailed to masmus@smcare.org. Electronic copies should be submitted on the same day as the filing of the original hard copy.

Important Note: If there are discrepancies between the hard copy and the electronic copy, the hard copy will prevail.

Conduct a final proof of your statement by:
1. Checking your statement for spelling, punctuation and grammar errors. Remember, statements cannot be changed once they are filed.
2. Confine the statement to the limitation on the number of words.
3. Do not include any party affiliation (applies to non-partisan offices.)
4. Do not include membership or activity in partisan political organizations (applies to non-partisan offices.)
5. Do not make reference to fellow candidates.

Format
All statements, therefore, will be set in a format so as to fit within a 1/4-page space. *If a Candidate’s Statement is submitted and found not to be in compliance with these guidelines, the Elections Division will make the necessary changes to bring said statement into compliance.*

Candidate statements are to discuss the education and qualifications of the candidate filing the statement only. The Elections Division will not accept any candidate statement that specifically discusses the education, qualifications, record (or lack thereof) of any opponents.

Heading
The heading includes the candidate’s name (required), age (optional), and occupation (optional). All statements will be formatted to begin with the words: “Education and Qualifications:” followed by the text filed by the candidate. These words, as well as the heading, are standardized and included in the space provided. The words “Education and Qualifications,” however, do not count toward the number of words allowed for the statement.

Occupation
The “Occupation” field in the Candidate’s Statement is NOT governed by the laws and regulations pertaining to the ballot designation that appears underneath the candidate’s name on the ballot. Therefore, it may be different from the candidate’s ballot designation. However, if its length exceeds one line, the candidate may be asked to modify words.

Candidate Statement Fee Calculations

The *estimated* fee for a candidate statement is based on the estimates of actual cost of making statements available to all registered voters in the appropriate jurisdictions, including printing, required translations, and handling charges. Actual costs are shared by all candidates, and estimates are calculated using an average of three (3) 200-word statements per page.

The Elections Office does its best to provide an accurate estimated fee, but this estimate can vary due to a number of factors, including the number of statements submitted appearing on one page in the Sample Ballot & Voter Information Pamphlet, the number of pages required for a particular office, and the number of different pamphlets in which your statement will appear. The estimated fee will be provided during the nomination period, at which time the fees will be based upon the most current voter registration data. Final costs will be determined after the election is certified. Checks for payment of candidate statement fees should be made payable to “San Mateo County Elections.”
Fictitious Samples of Candidate Statements

Fictitious samples of 200 word statements as they would appear in the voter information portion of the sample ballot pamphlet. Statements will appear in the same order as the candidates' names appear on the ballot, except for offices elected throughout the county (rotated on ballot by supervisorial district, but not rotated in sample ballot pamphlet).

Summer 2011

Dear Candidate:

The League of Women Voters has a long history of providing voters with nonpartisan and easily accessible information at election time. In that tradition, we invite you to participate in Smart Voter, the League’s comprehensive online guide, for the November 8, 2011 election.

All candidates in San Mateo County are offered space on the Smart Voter web site and the service is **free of charge** to both candidates and the public. Smart Voter allows you to submit material about your candidacy to the voters, including a biography, endorsements, and positions on issues, a photo, and a link to your own website. Smart Voter also provides candidate ballot statements, information about ballot measures, polling place locations, events, and links to online news articles and to other web sites. Using Smart Voter will help you reach the increasing number of voters who use the Internet to aid in their decision making at election time.

You may view the site at [www.smartvoter.org](http://www.smartvoter.org). Candidates will be allowed to begin entering information during the first week in September. A letter confirming the date and complete instructions for accessing the secure candidate input area will be sent to you shortly after we receive the certified list of candidates. Please feel free to contact me if you have questions.

We look forward to working with you to make Smart Voter a success for you and for voters in San Mateo County. Feedback from candidates and the public in past elections has been enthusiastic. Don’t miss this opportunity to get your message out!

Sincerely,

/s/

Kathee Tyson, San Mateo County Coordinator

Important Information On
- WHERE forms are available
- WHEN the registration deadline is for the election, and
- HOW to register voters

To vote in any election, a citizen must be properly registered **15 days** prior to the election date. For Your Information
In order to remain eligible to vote, voters must re-register whenever they:

Postage-paid voter registration forms are available at these locations:
- U.S. Post Offices
- Public libraries and colleges

**Vote by Mail Ballots**

Ballots must be received by the Elections Office by 8 p.m. on Election Day, November 8.

Voted ballots may be delivered by a spouse, child, parent, grandparent, grandchild, brother or sister, or a person residing in the same household only if the absent voter is unable to return the ballot personally because of illness or other physical disability. The name and relationship to the voter of the person returning the voted ballot must be entered on the Vote by Mail ballot return envelope.

*EC §3017 and Calif. Supreme Court*

No person shall solicit the vote of a Vote by Mail voter, or do any electioneering while in the residence of or immediate presence of the voter during the time the Vote by Mail voter is voting. Violations may result in criminal penalties.

*EC §18371*

**Options for Accessing Voter Information Pamphlet**

The **“Go Green! Get your voter pamphlet online!” Feature.** This feature allows voters the option to sign up to no longer receive an Official Sample Ballot and Voter Information Pamphlets in the mail, and access them online only.

- Voters can sign up to online at [www.shapethefuture.org](http://www.shapethefuture.org) or by placing a check mark on their Vote By Mail Return Envelope right next to “Yes, sign me up to receive my voter pamphlet online.” Both methods ask the voter to provide an email address which will be used to send them a link to access their Sample Ballot and Official Voter Information Pamphlet.

- Once a voter signs up he/she will no longer receive the Sample Ballot and Official Voter Information Pamphlet by mail for all future elections unless they opt back in, which they can do at any time.

The email address provided by the voter will not be added to the voter file, but will be maintained separately for the sole purpose of sending the link to access the Sample Ballot and Official Voter Information Pamphlet. This means that entities that purchase voter information will not have access to a voter’s email address unless the voter had provided the address on their voter registration card.
Dear Candidates:

Every campaign season, our office receives a number of complaint calls regarding the placement of campaign signs on private property. This serves as a reminder of California Penal Code §556.1, which requires prior consent before placing advertising on private property:

“It is a misdemeanor for any person to place or maintain or cause to be placed or maintained upon any property in which he has no estate or right of possession any sign, picture, transparency, advertisement, or mechanical device which is used for the purpose of advertising, or which advertises or brings to notice any person, article of merchandise, business or profession, or anything that is to be or has been sold, bartered, or given away, without the consent of the owner, lessee, or person in lawful possession of such property before such sign, picture, transparency, advertisement, or mechanical device is placed upon the property.”

Also, I am enclosing copies of letters from the Department of Transportation describing current regulations for the placement of political signs. For your convenience, you will also find a listing of City Clerks in San Mateo County, whom you may contact about specific city ordinances.

I request that you review these materials, and that you inform anyone who is posting materials on your behalf of these requirements.

Thank you in advance for your attention to this important matter.

Sincerely,

Mark Church
Dear Candidate or Committee Member:

As a candidate or campaign worker for either an office or a ballot measure, this reminder about state law governing campaign signs should be helpful to you.

Section 5405.3 of the State Outdoor Advertising Act (California Business & Professions Code §§5200) exempts the placing of temporary political signs from normal outdoor advertising display requirements.

A temporary political sign meets the following criteria:

A. Encourages a particular vote in a scheduled election.

B. Is placed not sooner than 90 days prior to the schedule election and is removed within 10 days after that election.

C. Is no larger than 32 square feet.

D. Has had a Statement of Responsibility filed with the department certifying a person who will be responsible for removing the sign (attached).

A completed Statement of Responsibility must be submitted to the appropriate district office according to the county location of the temporary political sign(s).

Temporary political signs shall not be placed within the right-of-way of any highway, or be visible within 660 feet from the edge of the right-of-way of a classified “landscaped freeway”.

State law directs the Department of Transportation to remove unauthorized temporary political signs and bill the responsible party for their removal. We are calling these provisions to your attention to avoid possible embarrassment to you and your supporters. Please pass this information along to those assisting in your campaign.

If you have any questions, feel free to contact us at the Outdoor Advertising Office.

Election Day

**Election Day Observing**

The Elections Division has procedures in place for election observers at the polling place. It is important that activities at the polling places are organized, operationally smooth, and hassle-free for both the voters and the Election Officers.

- Observers are welcome to watch all proceedings at the polls, including Election Officers while opening up the polls, citizens preparing to vote, and, more commonly, to observe the closing activities.
- Observers have the right to raise questions to the Inspector or Judge, and may direct their questions about procedures to the Inspector; or, in the Inspector’s absence, to the Judge in charge.
- Observers may not go near a voting booth while occupied and may not approach voters during the voting process. Observers may talk to voters outside the polling place, beyond the “no-electioneering zone.”
- Observers may not directly challenge a voter – election law maintains it is only the election officer’s right to challenge a particular voter.
- Observers may not interfere in any way with the voting process.

**Procedure for Posting Results at the Polling Place**

Elections law specifies procedures for the posting of the street index of voters at each polling place. This information is provided to you in order to assist you and your campaign on Election Day when seeking information on voters. Candidates and members of their election campaign team should be aware of the following procedures and should not interfere with or request the Election Officers to handle additional tasks on behalf of your campaign.

(a) Before opening the polls, the precinct board shall post in separate, convenient places at or near the polling place, and of easy access to the voters, not less than two of the copies of the index to the affidavits of registration for that precinct. (b) In any county in which tabulating equipment is used to produce the index of registration, the copies of the index posted pursuant to this section shall be by street addresses in numerical order, unless otherwise provided by Section 2192. *EC§14202*

At all elections, a member of the precinct board shall mark, on one of the copies of the index posted at or near the polling place, the name of each person who has voted, by drawing a line through the name of the voter, with a pen or indelible pencil. The board member shall *mark off the names at least once each hour, to and including 6 p.m.* In all counties not using the index roster, the board member shall draw a line under the last name signed in the roster at 6 p.m. or at the time of discontinuation of this procedure, whichever occurs last. *EC §14294*

For purposes of clarification, the Election Officers are directed to cross off only names of voters who voted in the polling place at that precinct on a precinct ballot. Election Officers shall not track other precincts, Vote by Mail voters, or anything other than the prescribed duties as indicated in the Elections Code, Guide for Election Officers, the Election Officer Digest, and/or the Election Officer training classes.

County Election Officers will not comply with requests from campaigns to cross voters’ names off the street index who:

a) may have dropped off a Vote by Mail Ballot on Election Day,

b) have “Ballot Returned by Mail” noted on the Roster-Index, or

c) are on a list provided by the campaigner to the Election Officers.
Election Code §14298 states: (a) The precinct board shall maintain the copies of the index posted during the whole time of voting. These copies shall not be marked in any manner except by a member of the precinct board acting pursuant to Section 14294.

(b) A member of the precinct board shall post a notice on each index which reads as follows: This index shall not be marked in any manner except by a member of the precinct board acting pursuant to Section 14294. Any person who removes, tears, marks, or otherwise defaces this index with the intent to falsify or prevent others from readily ascertaining the name, address, or political affiliation of any voter, or the fact that a voter has or has not voted, is guilty of a misdemeanor.
Election Results

Semi-Official Canvass (Election Night Results)
The semi-official canvass will commence immediately upon the close of the polls at 8 p.m., November 8, 2011.  EC §15150

The counting of ballots will commence when all polls are closed within the County of San Mateo. It is anticipated that the first report of semi-official results (Vote by Mail ballots only) will be released at 8:05 p.m., with cumulative updates scheduled every 30 minutes until completion.  EC §15152

Generally, a schedule of election night results is as follows:

- Vote by Mail Ballots Only 8:05 p.m.
- All Mail Ballot Precinct Results 8:30 p.m.
- Voting Center Results 9:00 p.m.
- Live Precinct Results 9:30 p.m.
- Live Precinct Results every 30 minutes on the Half-hour until complete

Ballots are cumulated at the following central counting location:

Elections Office
40 Tower Road
San Mateo, CA 94402

There are two different ways you may inquire about Election Night Semi-Official results:

1. View the results as they are posted on our website www.shapethefuture.org.
2. Subscribe to email via subscription form posted on www.shapethefuture.org one week prior to the election.

Upon completion of the regular vote count, we publish a Precinct Turnout Report. This report will provide you with a precinct-by-precinct summary of vote totals, including those for Certified Write-In candidates.

Final Official Canvass
Election results are not final until the canvass is complete (refer to Division 15 of the Elections Code for procedural requirements and timeframes). It typically takes about 28 days to complete the Official Canvass and certify the official results of the election. The official Statement of the Vote, showing the official final results (totals, precinct-by-precinct results, and votes for qualified write-in candidates) is available upon certification. Please call our office for further details. This document will be made available on our website at www.shapethefuture.org once the election is certified.
