June 2019

Dear Candidate:

I congratulate you on your decision to run for public office. Your willingness to give your time, energy, mind and heart in service to the residents and best interests of your community, and San Mateo County, is deserving of our respect and support.

As a candidate for office, you are now responsible for the legalities of candidacy, campaigning and financial reporting. The process can be confusing, even for the most seasoned candidates.

We have developed this Candidate Guide, and we will hold two Candidate Seminars, to help you understand your responsibilities and resources in the November 5, 2019 Consolidated Municipal, School and Special District Election. I highly recommend that you attend one of these seminars. Even if you have run for office before, these briefings will ensure your understanding of current laws, forms, reporting rules and campaign management tips. Immediately following each Candidate Seminar, we offer a seminar on Voter Data. This session will inform you on what data is available and how to obtain it.

All seminars will be held at the Registration & Elections Division, 40 Tower Road, San Mateo. The following sessions are scheduled:

**Candidate Seminars (choose one session)**
10 a.m., Tuesday, July 9, 2019
2 p.m., Tuesday, July 23, 2019

**Voter Data Seminars (immediately following the Candidate Seminars)**
11:30 a.m., Tuesday, July 9, 2019
3:30 p.m., Tuesday, July 23, 2019

In addition to the seminars, our website has an abundance of useful information, including an election calendar, “how to request” voter file data, an electronic copy of this Candidate Guide, the specific requirements and steps for including voter registration and/or Vote by Mail information in your campaign materials, Vote Center lookups, and voting options for voters. Please explore it at www.smcacre.org.

Lastly, I feel privileged and honored to serve you in my capacity as your Chief Elections Officer. My office is ready to answer your questions and provide assistance. I encourage you to direct your questions regarding candidate filing to our Candidate Filing Officer, Michael Lui, at 650.312.5238 or mlui@smcacre.org.

Sincerely,

Mark Church

Qualifications by Offices

Generally:

Unless otherwise specifically provided, no person is eligible to be elected or appointed to an elective office unless that person is a registered voter and otherwise qualified to vote for that office at the time that Nomination Papers are issued to the person or at the time of the person’s appointment.

EC §201

(a) A person shall not be considered a candidate for, and is not eligible to be elected to, any state or local elective office if the person has been convicted of a felony involving accepting or giving, or offering to give, any bribe, the embezzlement of public money, extortion or theft of public money, perjury, or conspiracy to commit any of those crimes.

(b) For purposes of this section, “conviction of a felony” includes a conviction of a felony in this state and a conviction under the laws of any other state, the United States, or any foreign government or country of a crime that, if committed in this state, would be a felony, and for which the person has not received a pardon from the Governor of this state, the governor or other officer authorized to grant pardons in another state, the President of the United States, or the officer of the foreign government or country authorized to grant pardons in that foreign jurisdiction.

EC §20

Specifically:

School District Governing Board Member

Any person, regardless of sex, who is 18 years of age or older, a citizen of the state, a resident of the school district, a registered voter, and who is not disqualified by the Constitution or laws of the state from holding a civil office, is eligible to be elected or appointed a member of a governing board of a school district without further qualifications. An employee of a school district may not be sworn into office as an elected or appointed member of that school district’s governing board unless and until he or she resigns as an employee. If the employee does not resign, the employment will automatically terminate upon being sworn into office.

ED §35107

Special District Governing Board Member

Candidate must be a resident and qualified elector of the district.

EC §201

City Offices

A person is not eligible to hold office as councilmember, city clerk, or city treasurer unless he or she is at the time of assuming the office an elector of the city, and is a registered voter of the city at the time Nomination Papers are issued to the candidate as provided for in Section 10227 of the Elections Code.

GC §36502(a)

Candidates for city offices must contact their City Clerks for more information regarding candidate qualifications.
Holding Two Offices

The 1999 San Mateo County Grand Jury recommended that all candidates be made aware that individuals cannot hold incompatible offices. If a candidate is elected to an office that is incompatible with the first office, the first office becomes vacant upon the taking of the second office.

This doctrine of incompatible offices precludes public officials from holding two different public offices simultaneously if the offices have overlapping and conflicting public duties. Courts have summarized the doctrine as follows: “[o]ne individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.” (Eldridge v. Sierra View Local Hosp. Dist. (1990) 224 Cal.App.3d 311, 319 (citing Mott v. Horstmann (1950) 36 Cal.2d 388).)

Government Code Section 1099 provides detailed guidance on incompatible offices and specifies the defining characteristics:

Offices are incompatible when any of the following circumstances are present, unless simultaneous holding of the particular offices is compelled or expressly authorized by law:

1. Either of the offices may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over the other office or body.

2. Based on the powers and jurisdictions of the offices, there is a possibility of a significant clash of duties or loyalties between the offices.

3. Public policy considerations make it improper for one person to hold both offices.

A number of legal opinions issued by the Office of the California Attorney General offer additional guidance in determining whether or not certain offices are incompatible. Here are five examples of offices that the Attorney General’s Office has deemed to be incompatible:

1. the offices of city councilman and school district board member where the city and the school district have territory in common;

2. the positions of fire chief of a county fire protection district and member of the board of supervisors of the same county;

3. the offices of trustee of a high school district and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district;

4. a water district director and a city council member; and

5. a water district director and a school district trustee having territory in common.

Nomination Paper (City Candidates Only)

July 15, 2019 – August 9, 2019
With a prudent regard for strict deadlines and eligibility requirements for signers, we strongly encourage candidates to proceed without delay in gathering signatures and submitting them. By filing in advance of the deadline, you will allow yourself time to gather additional signatures. You may need to obtain additional signatures based on the number that are disqualified during the examination of your papers.

Who is a qualified signer to a Petition or Paper?
Any registered voter may sign a Petition or Paper for any candidate for whom he or she is eligible to vote. Each voter shall at the time of signing the Petition or Paper personally affix his or her signature, printed name and place of residence, giving street and number, and if no street or number exists, then a designation of the place of residence which will enable the location to be readily ascertained.
EC §100

Candidates may also sign their own papers, and the signature will be given the same effect as that of any other qualified signer.
EC §106

Voters May Sign Only One Paper Per Open Position
No signer shall, at the time of signing a certificate, have his or her name signed to any other Nomination Paper for any other candidate for the same office or, in case there are several places to be filled in the same office, signed to more Nomination Papers for candidates for that office than there are places to be filled.
EC §8069

No more signers shall be secured for any candidate than the maximum number required. If, however, through miscalculation or otherwise, more signers are secured than the maximum number, the officer with whom the Nomination Papers are filed shall, with the written consent of the candidate, withdraw the excess number.
EC §8067

Who can circulate Nomination Papers?
A circulator must be 18 years of age or older. A candidate may serve as a circulator of his or her own Nomination Paper. Candidates may also sign their own paper, and the signature will be given the same effect as that of any other qualified signer.
EC §§102, 106

Petitions and Papers Must Include Declaration of Circulator
(a) Where any petition or paper is submitted to the Elections Official, each section of the petition or paper shall have attached to it a declaration signed by the circulator of the petition or paper, setting forth, in the circulator’s own hand, the following:

(1) The printed name of the circulator.

(2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.

(3) The dates between which all the signatures to the petition or paper were obtained.
Nomination Paper (continued)

(b) Each declaration submitted shall also set forth the following:

(1) That the circulator circulated that section and witnessed the appended signatures being written.

(2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.

(3) That the circulator is 18 years of age or older.

(c) The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of his or her name. The circulator shall state the date and the place of execution on the declaration immediately preceding his or her signature.

EC §104

Circulating Within 100 Feet of Polling Place
Signatures for Nomination Papers shall not be obtained within 100 feet of a polling place, satellite location or Elections Official's office.

EC §18370

Registering Voters at Time of Nomination Papers
Candidates may register voters at the same time as the voter signs the candidate’s Nomination Paper. For purposes of verifying signatures on a petition or paper, a properly executed affidavit of registration shall be deemed effective for verification purposes if both (a) the affidavit is signed on the same date or a date prior to the signing of the petition, and (b) the affidavit is received by the Elections Official on or before the date on which the petition is filed.

EC §2102(b)

Validation of Signatures
The County Elections Official shall verify the signatures of the signers on the petition or paper with the registration affidavits on file in the office of the County Elections Official. The County Elections Official shall mark “not sufficient” any signature that does not appear in the same handwriting as appears on the affidavit of registration in his or her office, or that is accompanied by a declaration of party preference that is not in accordance with the declaration of party preference in the affidavit of registration. The County Elections Official may cease to verify signatures once the minimum requisite number of signatures has been verified.

EC §8081

No defect in any nomination document presented shall prevent the filing of another nomination document within the period allowed for presenting the nomination document.

EC §8102
The following guidelines will be used when validating signatures on Nomination Papers. A signature can be challenged for any of the following reasons. If the signer:

- is not registered to vote;
- provides a signature on the petition that does not compare to the signature on the voter’s affidavit of registration;
- does not reside in the appropriate district;
- uses a P.O. Box number or a mail drop number for residence address;
- omits residential address;
- provides an address that is different from the voter’s residential address on the affidavit of registration on the voter’s record;
- prints his or her name for the signature, unless registered as such;
- lists and signs his/her name using spouse’s name, such as “Mrs. John Jones”;
- uses ditto marks for an address previously listed.

**WARNING:**

Declaration of Candidacy

July 15, 2019 – August 10, 2019
Elections Code Section 13 states:

(a) A person shall not be considered a legally qualified candidate for an office, for party nomination for a partisan office, or for nomination to participate in the general election for a voter-nominated office, under the laws of this state unless that person has filed a Declaration of Candidacy or Statement of Write-in Candidacy with the proper official for the particular election or primary, or is entitled to have his or her name placed on a general election ballot by reason of having been nominated at a primary election, or having been selected to fill a vacancy on the general election ballot as provided in Section 8807 or having been selected as an independent candidate pursuant to Section 8304.

(b) Nothing in this section shall be construed as preventing or prohibiting any qualified voter of this state from casting a ballot for a person by writing the name of that person on the ballot, or from having that ballot counted or tabulated, nor shall this section be construed as preventing or prohibiting a person from standing or campaigning for an elective office by means of a "write-in" campaign. However, nothing in this section shall be construed as an exception to the requirements of Section 15341 or to permit a person to be a write-in candidate contrary to Sections 8600 and 8606.

(c) It is the intent of the Legislature, in enacting this section, to enable the Federal Communications Commission to determine who is a "legally qualified candidate" in this state for the purposes of administering Section 315 of Title 47 of the United States Code.

Where to File and Authorization for Document Pick Up
Elections Code Section 8028 states:

(a) Except as provided in subdivision (b), a candidate shall not remove a declaration of candidacy form from the office of the elections official, and the elections official shall require all candidates filing a declaration of candidacy to execute the declaration in the office of the elections official.

(b) A candidate may, in a written statement signed and dated by the candidate, designate a person to receive a declaration of candidacy form from the elections official and deliver it to the candidate. The statement shall include language indicating that the candidate is aware that the declaration of candidacy must be properly executed and delivered to the elections official of the county of the candidate's residence by the 88th day prior to the direct primary election. That statement shall be retained by the elections official.

City candidates should file their nomination documents with their City Clerk.
Ballot Name and Ballot Designation

Name on Ballot
The candidate's name as provided by the candidate on the Declaration of Candidacy or Declaration of Intention is the way it will appear on the ballot.

No title or degree shall appear on the same line on a ballot as a candidate's name, either before or after the candidate's name, in the case of any election to any office.

EC §13106

If the candidate has changed his or her name within one year prior to the election, the new name will not appear on the ballot unless the change was made by marriage or by decree of Court.

EC §13104

Ballot Designation
Candidates have the option of using a ballot designation. The ballot designation that a candidate may use is governed by Elections Code Section 13107, which provides as follows:

(a) With the exception of candidates for Justice of the State Supreme Court or court of appeal, immediately under the name of each candidate, and not separated from the name by any line, unless the designation made by the candidate pursuant to Section 8002.5 must be listed immediately below the name of the candidate pursuant to Section 13105, and in that case immediately under the designation, may appear at the option of the candidate only one of the following designations:

(1) Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people.

(2) The word “incumbent” if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people.

(3) No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents.

(4) The phrase “appointed incumbent” if the candidate holds an office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word “appointed” and the title of the office. In either instance, the candidate may not use the unmodified word “incumbent,” or any words designating the office unmodified by the word “appointed.” However, the phrase “appointed incumbent” shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326 and 5328 of the Education Code or Section 7228, 7423, 7673, 10229, or 10515 of this code.

(b) (1) Except as specified in paragraph (2), for candidates for judicial office, immediately under the name of each candidate, and not separated from the name by any line, only one of the following designations may appear at the option of the candidate:

(A) Words designating the city, county, district, state, or federal office held by the candidate at the time of filing the nomination documents.
(B) The word “incumbent” if the candidate is a candidate for the same office that he or she holds at the time of filing the nomination papers.

(C) No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents.

(2) For a candidate for judicial office who is an active member of the State Bar employed by a city, county, district, state, or by the United States, the designation shall appear as one of the following:

(A) Words designating the actual job title, as defined by statute, charter, or other governing instrument.

(B) One of the following ballot designations: “Attorney,” “Attorney at Law,” “Lawyer,” or “Counselor at Law.” The designations “Attorney” and “Lawyer” may be used in combination with one other current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents.

(3) A designation made pursuant to subparagraph (A) of paragraph (1) or paragraph (2) shall also contain relevant qualifiers, as follows:

(A) If the candidate is an official or employee of a city, the name of the city shall appear preceded by the words “City of.”

(B) If the candidate is an official or employee of a county, the name of the county shall appear preceded by the words “County of.”

(C) If the candidate is an official or employee of a city and county, the name of the city and county shall appear preceded by the words “City and County.”

(D) If the candidate performs quasi-judicial functions for a governmental agency, the full name of the agency shall be included.

(c) A candidate for superior court judge who is an active member of the State Bar and practices law as one of his or her principal professions shall use one of the following ballot designations as his or her ballot designation: “Attorney,” “Attorney at Law,” “Lawyer,” or “Counselor at Law.” The designations “Attorney” and “Lawyer” may be used in combination with one other current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents.

(d) For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.
Ballot Designation (continued)

(e) The Secretary of State and any other elections official shall not accept a designation of which any of the following would be true:

1. It would mislead the voter.

2. It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.

3. It abbreviates the word “retired” or places it following any word or words which it modifies.

4. It uses a word or prefix, such as “former” or “ex-,” which means a prior status. The only exception is the use of the word “retired.”

5. It uses the name of any political party, whether or not it has qualified for the ballot.

6. It uses a word or words referring to a racial, religious, or ethnic group.

7. It refers to any activity prohibited by law.

(f) If, upon checking the nomination documents and the ballot designation worksheet described in Section 13107.3, the elections official finds the designation to be in violation of any of the restrictions set forth in this section, the elections official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address provided on the candidate’s ballot designation worksheet.

1. The candidate shall, within three days, excluding Saturday, Sunday, and state holidays, from the date he or she receives notice by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, appear before the elections official or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide a designation that complies with subdivision (a) or (b).

2. If a candidate fails to provide a designation that complies with subdivision (a) or (b) within the three-day period specified in paragraph (1), a designation shall not appear after the candidate’s name.

(g) A designation given by a candidate shall not be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (f) or as provided in subdivision (h). The elections official shall maintain a copy of the ballot designation worksheet for each candidate that appears on the ballot in the county for the same period of time as applied to nomination documents pursuant to Section 17100.

(h) The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days before the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request.

(i) In all cases, the words so used shall be printed in 8-point Roman uppercase and lowercase type except that, if the designation selected is so long that it would conflict with the space requirements of Sections 13207 and 13211, the elections official shall use a type size for the designation for each candidate for that office sufficiently smaller to meet these requirements.
(j) If a foreign language translation of a candidate’s designation is required under the federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10101 et seq.), as amended, to appear on the ballot in addition to the English language version, it shall be as short as possible, as consistent as is practicable with this section, and shall employ abbreviations and initials wherever possible in order to avoid undue length.

Support Your Ballot Designation using Ballot Designation Worksheet

Elections Code Section 13107.3 states:

(a) A candidate who submits a ballot designation pursuant to subdivision (a) of Section 13107 shall file a ballot designation worksheet that supports the use of that ballot designation by the candidate, in a format prescribed by the Secretary of State.

(b) The ballot designation worksheet shall be filed with the Elections Official at the same time that the candidate files his or her Declaration of Candidacy.

(c) In the event that a candidate fails to file a ballot designation worksheet in accordance with subdivision (a), no designation shall appear under the candidate’s name on the ballot.

Use of the term “Community Volunteer” as a Ballot Designation

Elections Code Section 13107.5(a) states:

A candidate’s ballot designation as “community volunteer” shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:

(1) A candidate’s community volunteer activities constitute his or her principal profession, vocation, or occupation.

(2) A candidate is not engaged concurrently in another principal profession, vocation, or occupation.

(3) A candidate may not use the designation of “community volunteer” in combination with any other principal profession, vocation, or occupation designation.

Secretary of State’s Regulations on Ballot Designation

The California Secretary of State has adopted regulations (Chapter 7 of Division 7 of Title 2 of the California Code of Regulations) relating to ballot designations for certain offices. The San Mateo County Elections Official has opted to refer to those regulations to provide guidance in addressing issues which arise relating to ballot designations for local offices; however, the San Mateo County Elections Official retains full discretion to interpret the regulations and to make decisions based on other considerations. The regulations are available online at www.oal.ca.gov/publications/ccr or at www.sos.ca.gov/administration/regulations/current-regulations/elections/ballot-designations.

Other Candidate Filing Forms

The entire set of official forms relating to becoming a candidate and operating an election campaign will be provided by the County Registration & Elections Division at the time of your candidate filing appointment. City candidates should obtain the appropriate forms from their City Clerk.

**Ballot Designation Worksheet (Required if the candidate chooses a Ballot Designation)**
As a supplement to the ballot designation indicated on a candidate’s Declaration of Candidacy, a Ballot Designation Worksheet (in the form prescribed by the Secretary of State) is required of all candidates and must be filed at the same time as the Declaration of Candidacy. The Ballot Designation Worksheet provides verification and supporting information as to the validity of the candidate’s proposed designation as well as alternate designations, should the Elections Official find the proposed designation to be invalid.

*EC §13107.3*

**Code of Fair Campaign Practices (Optional)**
The Legislature encourages every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices. It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

*EC §20400*

At the time an individual is issued his or her Declaration of Candidacy, Nomination Papers, or any other paper evidencing an intention to be a candidate for public office, the Elections Official shall give the individual a blank form of the Code of Fair Campaign Practices and a copy of Chapter 5, Division 20, of the Elections Code, which can be obtained at [https://leginfo.legislature.ca.gov/faces/codes_displayText.xhtml?lawCode=ELEC&division=20.&title=&part=&chapter=5.&article=1](https://leginfo.legislature.ca.gov/faces/codes_displayText.xhtml?lawCode=ELEC&division=20.&title=&part=&chapter=5.&article=1).

The Elections Official shall inform each candidate for public office that subscription to the code is voluntary. The Elections Official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election. Every code subscribed to by a candidate for public office pursuant to the Code of Fair Campaign Practices is a public record open for public inspection. In no event shall a candidate for public office be required to subscribe to or endorse the code.

*EC §§20440 – 20444*

Candidate Statement Guidelines

Candidates have the option of publishing a candidate statement in the Sample Ballot & Official Voter Information Pamphlet.

Candidate Statement Content
A candidate statement may include the name, age, and occupation of the candidate and a brief description of the candidate’s education and qualifications expressed by the candidate himself or herself. A candidate statement shall not include the party affiliation of the candidate, nor membership or activity in partisan political organizations.
EC §13307(a)(1)

A candidate statement shall be limited to a recitation of the candidate’s own personal background and qualifications and shall not in any way reference other candidates for that office or another candidate’s qualifications, character, or activities.
EC §13308

Candidate Statement Word Limit
A candidate statement should be 200 to 400 words decided by the governing body of the jurisdiction.
EC §13307(a)(1)

When and Where to File Candidate Statement
A candidate statement shall be filed in the office of the Elections Official when the candidate’s Nomination Papers are returned for filing. A statement shall be filed in the office of the Elections Official no later than the 88th day before the election, if it is for an election for which Nomination Papers are not required to be filed.
EC §13307(a)(2)

It is strongly recommended that the candidate statement be filed personally by the candidate. If the statement is filed by someone other than the candidate, that person should have the authority to make corrections or deletions to the statement in the event that errors or an excess number of words are detected prior to filing the statement.

Withdrawal and Change of Candidate Statement
Any candidate may withdraw his or her candidate statement, either in person or by a signed statement of withdrawal, no later than 5 p.m. on August 12, 2019 (the next business day following the close of the nomination period) or no later than 5 p.m. on August 15, 2019 for extended offices. A candidate statement CANNOT be changed once filed.
EC §13307(a)(3)

Confidentiality of Candidate Statement before End of Filing Period
Candidate statements shall remain confidential until expiration of the filing deadline.
EC §13311

Public Examination of Candidate Statements
Statements are available for public examination in the County Elections Official's office during the 10-calendar-day review period (commencing at 5 p.m. August 9, 2019, or at 5 p.m. August 14, 2019 for extended races) prior to submission for printing. During this period any voter of the jurisdiction in which the election is to be held, or the County Elections Official, may seek a writ of mandate or an injunction requiring any or all of the material in the statement to be amended or deleted. (City candidates’ statements are reviewed at the City Clerk’s Office.)
EC §13313
Candidate Statement Guidelines (continued)

Format of Candidate Statement
In order to ensure uniformity of all candidates’ statements, each candidate must prepare the statement according to the following guidelines:

- Type the statement exactly as you wish it to appear. Attach a completed copy to the Candidate Statement of Qualifications.
- In addition to a hard copy, please provide the statement on a flash drive or by email to mlui@smcacre.org in plain text format or attachment of a Word document.
- One signed hard copy must be filed by the deadline. If there are any discrepancies between the hard copy and the electronic copy, the hard copy will prevail.
- Do not use formats that are underlined, bolded, italicized or ALL CAPITALIZED.
- Do not use any unusual spacing, punctuation, indentations, bullets or an outline format.
- Check your statement for errors in spelling, punctuation and grammar. Remember, statements cannot be changed once they are filed, and the County Elections Official is not responsible for correcting these errors.
- Do not go over the word number limit. Use the word count guidelines on the following page when counting words.

If a statement is submitted and found non-compliant in format, the County Elections Official will make the necessary changes to create compliance.

Candidate Statement Heading in Sample Ballot & Official Voter Information Pamphlet
The heading includes the candidate’s name (required), age (optional) and occupation (optional). All statements will be formatted to begin with the words: “Education and Qualifications:” followed by the text filed by the candidate. These words, as well as the heading, are standardized and included in the space provided. The words “Education and Qualifications” do not count toward the number of words allowed for the statement.

The “Occupation” field in the candidate’s statement is NOT governed by the laws and regulations pertaining to the ballot designation that appears underneath the candidate’s name on the ballot. Therefore, it may be different from the candidate’s ballot designation. However, if its length exceeds one line, the candidate may be asked to modify words. In addition, the statement of “Occupation” must otherwise conform to all applicable laws and regulations.

Final Review and Sign-Off of Candidate Statement
Final copies of how candidate statements will appear in the Sample Ballot & Official Voter Information Pamphlet will be emailed to each candidate for review and “sign-off” approval. Changes will only be made if the finalized version differs from the hard copy submitted or if an error was made on the part of the Registration & Elections Division.

The same “sign-off” process is used for the Chinese and Spanish translations of candidate statements. Statements are translated by certified translators and then proofed against the original English hard copy. Changes will only be made to the Chinese and Spanish versions of a candidate’s statement if the finalized version differs from the hard copy or if an error was made on the part of the translators.

A 24-hour turnaround time is required to meet printing deadlines. Any delay in signing-off jeopardizes the printing schedule. No reply after the 24-hour review period means the statement is approved as emailed to the candidate.

The Sample Ballot & Official Voter Information Pamphlet mailing period for this election is September 26, 2019 through October 15, 2019
Candidate Statement Guidelines (continued)

**Word Count Guidelines**
Pursuant to the interpretation of Section 9 of the Elections Code by the San Mateo County Elections Official, each word in candidate statements, ballot questions, measure arguments, and impartial analyses will be counted as one word **except as specified below:**

- Punctuation is **not** counted. This refers to the following symbols: , . ; ! ? ( ) [ ] ‘ ”
- Symbols such as $, #, *, and % are **not** counted as separate words.
- All proper nouns, including geographical names, shall be counted as one word. Examples include: *City and County of San Francisco*, *San Mateo County Charter*, or *John Charles Fremont*.
- Each abbreviation or acronym for a word, phrase or expression shall be counted as one word, such as *Feb.* (February), *Wed.* (Wednesday), *NASA*, *e.g.*, *i.e.*, *J.D.*, *PhD.* and *K-8*.
- Hyphenated words that appear in any generally available standard reference dictionary published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted shall be counted as one word. Each part of all other hyphenated words shall be counted as a separate word. The Chief Elections Officer retains discretion to determine whether a word is included in a standard reference dictionary for these purposes.
- Dates shall be counted as one word, whether purely numeric (06/14/1846) or otherwise (*July 4, 1776; September Eighth, Nineteen Sixty-Six*).
- Any number consisting of a digit or digits shall be counted as one word (100; 3; 525,600). Any number which is spelled shall be considered as a separate word or words. Thus, for example, “One” will be counted as one word, while “One Hundred” will be counted as two words and “Five Hundred Thousand” as three words.
- Telephone numbers will be counted as one word.
- Website addresses and email addresses will be counted as one word.
- In an itemized list, headers such as “A.)” or “1)” will be counted as one word. Bullet points will not be counted as a separate word.
- Name, age and occupation located in the **header of a candidate statement only** are **not** counted towards the word count.
- If the text exceeds the word limit, the author will be asked to rewrite the text to bring the total number of words within the required word limit. If the author refuses to alter the text in this manner, the County Elections Official will remove words from the bottom up to meet the word limit requirement.
Candidate Statement Guidelines (continued)

Candidate Statement Costs and Payment
Candidates shall bear the cost of printing, mailing and translating their statements in the Sample Ballot & Official Voter Information Pamphlets unless their jurisdictions agree to pay for the candidates.

All candidates (except those whose statements are paid by jurisdictions) must pay an estimated fee at the time of filing their candidate statements. City candidates should pay the city directly, while other candidates pay the county. Once actual final costs are calculated after the election, all candidates will be either refunded or requested to pay more.

The Registration & Elections Division does its best to provide the most accurate estimated fee, but final costs can vary according to the number of submitted statements appearing on one page, the number of pages required for a particular office, as well as the number of different pamphlets in which your statement will appear.

An Example of How Candidate Statement Estimated Fee is Calculated
Candidate statement fee is based on the printing, mailing and translating costs of the Sample Ballot & Official Voter Information Pamphlets.

Here’s a step-by-step example of how the estimated fee is calculated:

1. Estimate the total number of pages ordered for ALL booklets in the election.
2. Estimate the total printing and mailing costs for ALL booklets in the election.
3. Divide the estimated total printing and mailing costs by the estimated total number of pages ordered to calculate the estimated cost per page per booklet.

   Example: $280,000.00 / 7,000,000 pages = $0.04 cost per page per booklet

4. Multiply each jurisdiction’s total booklet order (the total number of registered voters) by the estimated cost per page per booklet to get the estimated cost of printing and mailing per page for the jurisdiction.

   Example: 30,041 x $0.04 = $1,201.64 cost per page

5. Divide this cost by the estimated total number of filed statements.

   Example: 3 statements = $1,201.64 / 3 = $400.55 per statement.

6. Add the estimated cost of translating the candidate statement into Spanish and Chinese.

   Example: Spanish Translation = $60
   Chinese Translation = $70

In this example, the final estimated cost for the three candidates is $530.55 each.

   Example: $400.55 + $60 + $70 = $530.55 final cost estimate

The actual cost may increase or decrease based on the number of statements among other factors. Spanish and Chinese translating costs are subject to change.
Fictitious Samples of Candidate Statements

Below are fictitious samples of 200-word statements as they would appear in the Sample Ballot & Official Voter Information Pamphlet. Statements will appear in the same order as the candidates’ names appear on the ballot, except for offices elected throughout the county (which are rotated on the Official Ballot by Supervisorial District, but not rotated on the Sample Ballot & Official Voter Information Pamphlet).

The publication of a “simulated ballot” in relation to elections is regulated by Elections Code Section 20009 which states:

(a) Every simulated ballot or simulated county voter information guide (i.e., sample ballot) shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the statement or words or in 10-point Roman type, whichever is larger, in a printed or drawn box and set apart from any other printed matter, the following statement:

NOTICE TO VOTERS
(Required by Law)

This is not an official ballot or an official county voter information guide prepared by the County Elections Official or the Secretary of State.

This is an unofficial, marked ballot prepared by _______ (insert name and address of the person or organization responsible for preparation thereof).

This section shall not be construed as requiring this notice in any editorial or other statement appearing in a regularly published newspaper or magazine other than a paid political advertisement.

(b) A simulated ballot or simulated county voter information guide referred to in subdivision (a) shall not bear an official seal or the insignia of a public entity, and that seal or insignia shall not appear upon the envelope in which it is mailed or otherwise delivered.

(c) The superior court, in a case brought before it by a registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, or distribution of any matter in violation of this section, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition of cases of this nature.

Campaign Advertising or Communication Defined
Elections Code Section 304 states: “‘Campaign advertising or communication’ means a communication authorized by a candidate or a candidate’s controlled committee, [...] or by a committee making independent expenditures, [...] or by a committee formed primarily to support or oppose a ballot measure, [...] for the purpose of advocating the election or defeat of a qualified candidate or ballot measure through any broadcasting station, newspaper, magazine, outdoor advertising facility, direct mailing, or any other type of general, public, political advertising.”
Mass Mailing
A “mass mailing” is defined as over 200 substantially similar pieces of mail, but does not include a form letter or other mail which is sent in response to an unsolicited request, letter or other inquiry.

GC §82041.5

(a) (1) Except as provided in subdivision (b), a candidate, candidate controlled committee established for an elective office for the controlling candidate, or political party committee shall not send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type that is in a color or print that contrasts with the background so as to be easily legible. A post office box may be stated in lieu of a street address if the candidate's, candidate controlled committee established for an elective office for the controlling candidate's, or political party committee's address is a matter of public record with the Secretary of State.

(2) Except as provided in subdivision (b), a committee, other than a candidate controlled committee established for an elective office for the controlling candidate or a political party committee, shall not send a mass mailing that is not required to include a disclosure pursuant to Section 84502 unless the name, street address, and city of the committee is shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type that is in a color or print that contrasts with the background so as to be easily legible. A post office box may be stated in lieu of a street address if the committee's address is a matter of public record with the Secretary of State.

(b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.

(c) (1) A candidate, candidate controlled committee established for an elective office for the controlling candidate, or political party committee shall not send a mass electronic mailing unless the name of the candidate or committee is shown in the electronic mailing preceded by the words “Paid for by” in at least the same size font as a majority of the text in the electronic mailing.

(2) A committee, other than a candidate controlled committee established for an elective office for the controlling candidate or a political party committee, shall not send a mass electronic mailing that is not required to include a disclosure pursuant to Section 84502 or 84504.3 unless the name of the committee is shown in the electronic mailing preceded by the words “Paid for by” in at least the same size font as a majority of the text in the electronic mailing.

(d) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision (a).

(e) For purposes of this section, the following terms have the following meaning:

(1) “Mass electronic mailing” means sending more than two hundred substantially similar pieces of electronic mail within a calendar month.
(2) “Sender” means the candidate, candidate controlled committee established for an elective office for the controlling candidate, or political party committee who pays for the largest portion of expenditures attributable to the designing, printing, and posting of the mailing which are reportable pursuant to Sections 84200 to 84217, inclusive.

(3) To “pay for” a share of the cost of a mass mailing means to make, to promise to make, or to incur an obligation to make, any payment: (A) to any person for the design, printing, postage, materials, or other costs of the mailing, including salaries, fees, or commissions, or (B) as a fee or other consideration for an endorsement or, in the case of a ballot measure, support or opposition, in the mailing.

(f) This section does not apply to a mass mailing or mass electronic mailing that is paid for by an independent expenditure.

GC §84305

Political Advertising
Any paid political advertisement that refers to an election or to any candidate for state or local elective office and that is contained in or distributed with a newspaper, shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the advertisement or in 10-point Roman type, whichever is larger, the words “Paid Political Advertisement.” The words shall be set apart from any other printed matter.

For these purposes, “paid political advertisement” shall mean and shall be limited to, published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office.

EC §20008

* In San Mateo County, polling places have been replaced with Vote Centers under the California Voter’s Choice Act
Dear Candidate:

Every campaign season our office receives a number of calls from property owners complaining of uninvited campaign signs being placed on private property. This letter serves as a reminder of California Penal Code Section 556.1, which requires the property owner’s prior consent for such advertising activity:

“It is a misdemeanor for any person to place or maintain or cause to be placed or maintained upon any property in which he has no estate or right of possession any sign, picture, transparency, advertisement, or mechanical device which is used for the purpose of advertising, or which advertises or brings to notice any person, article of merchandise, business or profession, or anything that is to be or has been sold, bartered, or given away, without the consent of the owner, lessee, or person in lawful possession of such property before such sign, picture, transparency, advertisement, or mechanical device is placed upon the property.”

Also, I am enclosing copies of letters from the Department of Transportation describing current regulations for the placement of political signs. For your convenience, you will also find a listing of City Clerks in San Mateo County, whom you may contact about specific city ordinances.

I request that you review these materials, and you inform anyone who is posting materials on your behalf of these requirements.

Thank you in advance for your attention to this important matter.

Sincerely,

Mark Church

Dear Candidate or Committee Member:

As a candidate or campaign worker for either office or a ballot measure, this reminder about State law governing campaign signs should be helpful to you.

Section 5405.3 of the State Outdoor Advertising Act exempts the placing of Temporary Political Signs from normal outdoor advertising display requirements.

A Temporary Political Sign meets the following criteria:

A. Encourages a particular vote in a scheduled election.

B. Is placed no sooner than 90 days prior to the scheduled election and is removed within 10 days after that election.

C. Is no larger than 32 square feet.

D. Has had a Statement of Responsibility filed with the Department certifying a person who will be responsible for removing the sign (Attached).

A completed Statement of Responsibility must be submitted to:

Division of Traffic Operations
Outdoor Advertising Program
P.O. Box 942874, MS-36
Sacramento, CA 94274-0001

Temporary Political Signs shall not be placed within the right-of-way of any highway, and be visible within 660 feet from the edge of the right-of-way of a classified “Landscaped freeway”.

State law directs the Department of Transportation to remove unauthorized Temporary Political Signs and bill the responsible party for their removal. We are calling these provisions to your attention to avoid possible embarrassment or inconvenience to you and your supporters. Please share this information with those assisting in your campaign.

Should you have any questions, comments or need additional information, please call (916) 654-6473.

California Voter’s Choice Act

The State Legislature has selected San Mateo County as one of 14 counties statewide that can conduct All-Mailed Ballot - Vote Center elections under Senate Bill 450, the California Voter’s Choice Act.

On September 12, 2017, the San Mateo County Board of Supervisors authorized the Chief Elections Officer to implement the California Voter’s Choice Act in future elections.

How does this affect voters?
All registered voters in San Mateo County will be mailed their ballot 29 days before the election. You can choose one of three methods to cast your ballot:

**Mail**
You can vote and mail your ballot in the postage-paid return envelope on or before Election Day.

**Drop Box**
You can return your voted ballot to a secure Ballot Drop Box. Ballot Drop Boxes will be available throughout San Mateo County starting 28 days before the election.

**Vote Center**
Vote Centers look and feel like polling places, but provide additional services and options for voters.

You can go to any Vote Center in San Mateo County to:

- Vote on an accessible voting machine
- Vote on a paper ballot
- Access election materials in a range of languages
- Receive assistance from staff fluent in English, Spanish, Chinese, Filipino or Korean
- Drop off your ballot
- Receive a replacement ballot
- Register to vote or update registration information through Election Day

Check our websites, [www.smcacre.org/current-election](http://www.smcacre.org/current-election) and [www.smcvote.org](http://www.smcvote.org), for a complete list of Vote Center and Drop Box locations in San Mateo County.
Election Day

Vote Centers are open from 7 a.m. to 8 p.m. on Election Day.

Election Day Observing
The Registration & Elections Division has procedures in place for election observers at the Vote Centers. It is important that activities at the Vote Centers are organized, operationally smooth and hassle-free for both the voters and the Vote Center Representatives.

- Observers are welcome to watch all proceedings at the polls, including Vote Center Representatives while opening up the polls, citizens preparing to vote, and, more commonly, to observe the closing activities.

- Observers have the right to raise questions to the Vote Center Representatives, and may direct their questions about procedures to the Lead, or in the absence of the Lead, to other Vote Center Representatives who are in charge.

- Observers may not go near a voting booth while occupied and may not approach voters during the voting process. Observers may talk to voters outside the Vote Center, beyond the “no-electioneering zone.”

- Observers may not directly challenge a voter. Election law provides that only the Elections Official, and/or Vote Center Representative holds the right to challenge a particular vote.

- Observers may not interfere in any way with the voting process.

Election Night Results: Semi-Official and Official Canvass
The semi-official canvass will commence immediately upon the close of the polls at 8 p.m., November 5, 2019. Votes are extracted and cumulated at the secure, central counting location within the Registration & Elections Division at 40 Tower Road, San Mateo, CA 94402.

Generally, the election night results will be released as follows:

- **8:05 p.m.:** Vote by Mail Ballots Only

- **9 p.m.:** All Vote Center Electronic Voting Results (Updated every 30 minutes until completion)

There are two different ways you may obtain Election Night Semi-Official results:

- View the results as they are posted on our website at [www.smcacre.org](http://www.smcacre.org)

- Subscribe to emailed reports, via subscription form posted on [www.smcacre.org](http://www.smcacre.org) one week prior to the election

Upon completion of the regular vote count, we publish a Precinct Turnout Report on [www.smcacre.org](http://www.smcacre.org).
Official Canvass and Election Certification

Final Official Canvass
The purpose of the Official Canvass is to thoroughly audit, account for and validate every ballot and vote cast in the election, so that the Elections Official may derive and certify the final vote counts. This process tests the accuracy and validity of partial vote counts derived in the Semi-Official Canvass, and goes beyond those preliminary processes to validate and count additional Vote by Mail ballots, provisional ballots and write-in votes, and to account for unused and damaged paper ballots. 

EC §15300-15360

During the Official Canvass, any interested person may choose to observe the Registration & Elections Division procedures. To observe this process, please feel free to contact 650.312.5222 or visit the office during normal business hours, Monday through Friday, from 8 a.m. to 5 p.m.

A press release detailing the Official Canvass will be available on the Registration & Elections Division’s website: www.smcacre.org.

Election Certification
Official results must be certified no later than 30 calendar days following an election. A certified “Statement of the Vote” will be available on the Elections website at www.smcacre.org and for purchase or viewing at the Registration & Elections Division, located at 40 Tower Road in San Mateo.
