This exclusion applies to transactions within San Mateo County, and extends to purchases of replacement residences in a limited number of other California counties. The exclusion can also extend to permanently disabled owner-occupants. A claim must be filed to determine eligibility and time limits apply!

To apply:

Go to www.smcacre.org/reappraisal-exclusion-seniors-or-disabled and look in the

BUILDER'S EXCLUSION

New residences built for immediate sale may be excluded from the supplemental assessment that would normally apply. Builders must file a claim within 30 days of the start of construction. Upon sale, the property will be assessed normally in the name of the new owner. Builders of subdivisions that contain five or more parcels that are offered for sale need not apply. The exclusion will be granted automatically.
