REBUTTAL TO ARGUMENT AGAINST MEASURE U: 249 words

Measure U was placed on the San Mateo County ballot following two public and duly advertised hearings by your local elected representatives. There were no "closed doors".

All of the revenue derived from this measure will support existing services provided by the County of San Mateo as required by law including a broad range of health and human services, the county hospital, public safety services as well as county parks and libraries.

Those organizing opposition to this measure are not from San Mateo County and have no vested interest in the local services this minor tax will support.

Every city in the county that hosts visitor serving hotels imposes a Transient Occupancy Tax paid by visitors to our county that support the services that make their visits pleasant and memorable. Of the 15 local cities that impose such a tax, nine do so at a rate of 12%. This measure will simply bring the county’s rate in line with nine other local jurisdictions.

Opponents offer no tangible evidence that this modest 2% hotel tax increase will reduce the number of visitors coming to our county as the same rate increase has had no significant impact in nine San Mateo County communities that charge the same rate already.

Opponents are attempting to confuse local voters. Measure U represents a 2% increase in tax paid by visitors to a few hotels.

Don’t be deceived by unproven and misleading claims.

Vote YES for San Mateo County by voting YES on Measure U.
