Argument in Favor of Measure __

Vote Yes on ___ to renew local funding for local schools to support the continued success of local students. Measure ___ stays here in our community to support our schools—the state can’t take a single penny.

Student achievement has increased substantially in recent years, yet our community’s elementary and middle schools remain among the lowest funded in San Mateo County. We need Measure ___ to ensure that local children have equal access to the same quality education as students in neighboring communities.

Measure ___ renews locally controlled funding that our schools have relied on since 2012 to support strong and innovative educational programs that enable student success. Without Measure ___, this vital funding will expire.

Award-winning elementary and middle school teachers are also integral to local student success. Voting Yes on ___ helps our schools continue to attract and retain the best teachers by providing them with the resources needed to help our students excel.

Measure ___ will be distributed equitably per student. Teachers, staff and parents at each school will continue to determine the use of funds for their students.

Measure ___ Is Focused on Student Success:

- Enhances math, science, reading and writing skills in local classrooms
- Attracts and retains qualified teachers
- Enhances quality arts and music programs
- Updates classroom computers and instructional technology

Every Penny Supports Local Elementary and Middle Schools

- Every penny of Measure ___ benefits local elementary and middle schools and cannot be taken away by the state
- No funds can be used for administrators’ salaries
- Independent citizens’ oversight ensures funds are spent as promised
- Senior citizens are eligible for an exemption
- Measure ___ expires in 14 years and cannot be renewed without voter approval

All local students deserve equal access to a quality education. Please join us in voting Yes on ___.
