RESOLUTION OF THE BOARD OF TRUSTEES
OF THE PORTOLA VALLEY SCHOOL DISTRICT CALLING
FOR A MAY 7, 2013 ALL-MAIL ELECTION FOR VOTER
APPROVAL TO RENEW EXISTING
EDUCATIONAL PARCEL TAX MEASURES

WHEREAS, the Portola Valley School District (the “District”) is devoted to providing high
quality (K-8) education; and,

WHEREAS, the District has implemented a number of changes to generate sufficient funds
for its education programs, including initiation of local fund-raising efforts and the
previous passage of two education parcel tax measures; and,

WHEREAS, property values within the District are directly affected by changes in the
quality of education available in the public schools; and,

WHEREAS, future funding for the District from the State of California and other sources is
projected to be inadequate to provide the level of support to the District’s educational
programs which the citizens of the District expect; and,

WHEREAS, Article XIII A, Section 4 of the California Constitution and Sections 50075 et
seq., of the California Government Code permit a school district to propose the adoption of
a special tax for specified purposes and to levy an education parcel tax following approval
by at least two-thirds of the voters voting upon the proposition; and,

WHEREAS, the District’s current education parcel tax measures have been in place since
2004 and 2010, respectively, are currently assessed against each parcel (except for
exemptions as noted under Sections 3 and 5), and are due to expire on June 30, 2014; and,

WHEREAS, the Board of Trustees of the District proposes to renew and consolidate the
levy of both of the existing education parcel taxes upon parcels of land within the District
for the purposes set forth in this Resolution;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Trustees of the Portola Valley
School District as follows:

Section 1. This Board of Trustees (the “Board”) finds and determines that the
foregoing recitals are true and correct.

Section 2. This Board hereby proposes to renew the levy education parcel tax
measures to be used to:

• Maintain quality math, science, reading and writing instruction;
• Develop advanced programs in engineering and technology;
• Keep class sizes small; and
• Support art and music programs.

UNDER NO CIRCUMSTANCES SHALL ANY OF THE PROCEEDS OF THE
EDUCATION PARCEL TAX BE USED FOR ADMINISTRATORS’ SALARIES OR
BENEFITS.

Pursuant to Government Code Section 50075.1 the Board determines that the
proceeds of the education parcel tax shall only be applied for the purposes stated above.

Section 3. The two existing education parcel taxes which expire on June 30, 2014
shall be consolidated and renewed for eight years commencing on July 1, 2013 in an
amount equal to $581 per parcel per year, assessed against each Parcel.

As used herein, the term “Parcel” means any parcel of land which lies wholly or
partially within the boundaries of the District, for which the Assessor/Tax Collector of San
Mateo County issues a separate tax bill for ad valorem property taxes; provided, however,
that any such parcels which are (i) contiguous, (ii) used solely for owner-occupied, single-
family residential purposes, and (iii) held under identical ownership, may, by annually
submitting an application of the owners thereof by May 1 of any each year, to the District
to be treated as the single parcel for purposes of the levy of this special tax.

Section 4. Subject to voter approval as set forth below, the education parcel tax
shall be levied commencing with the 2013-2014 fiscal year of the District, and shall be
collected with, and in the same manner and subject to the same interest and penalties as,
general ad valorem taxes collected by the San Mateo County Tax Collector. In accordance
with the requirements of Government Code Section 50075.3, the District shall create a
separate account into which the proceeds of the special tax shall be deposited.

Section 5. The levy and collection of the education parcel tax is not intended to
decrease or offset any increase in local, state or federal government funding sources that
would otherwise be available to the District at any time during which the education parcel
tax may be levied. In the event that the levy and collection does have such an effect, the
District shall reduce the education parcel tax levy to the extent of any such decrease or
offset. In addition, any owners who are 65 years of age or older on or before May 1 of the
fiscal year immediately preceding the fiscal year in which the tax would apply, of a Parcel
used solely for owner-occupied, single-family residential purposes or persons receiving
Supplemental Security Income for a disability, regardless of age, may obtain an exemption
from the levy of the education parcel tax, by annually submitting an application of such
owners or persons, prior to May 1 of each year, to the District.

Section 6. The Board shall provide in each year (pursuant to Section 7902.1 of the
Government Code) for any increase in the District’s appropriation limit as shall be
necessary to ensure that proceeds of the educational parcel tax may be spent for the
authorized purposes.
Section 7. The Board hereby requests that the San Mateo County Registrar of Voters submit the following measure to the voters of the District and to print this entire Full Ballot Text in the ballot pamphlet to be published and mailed for the all-mailed ballot election scheduled for Tuesday, May 7, 2013:

MEASURE “_”

Portola Valley School District

INTRODUCTION AND PURPOSE

To continue to provide local reliable funding that cannot be taken by the State and continue its emphasis on maintaining quality math, science, reading and writing instruction, supporting music and art programs, keeping class sizes small, and developing advanced programs in engineering and technology, the Portola Valley School District (K-8) proposes to renew and extend its expiring education parcel tax measures for a period of eight years from their current expiration date (June 30, 2014) at a new rate equal to $581 per year per Parcel, beginning July 1, 2013, with an exemption available for senior citizens and recipients of Supplemental Security Income for a disability, and to implement accountability measures to ensure the funds are used to:

- Maintain quality math, science, reading and writing instruction;
- Develop advanced programs in engineering and technology;
- Keep class sizes small; and
- Support art and music programs.

The proceeds of the education parcel tax shall be deposited into a separate account created by the District.

DEFINITION OF “PARCEL”

For purposes of the special tax, the term “Parcel” means any parcel of land or interest in real property which lies wholly or partially within the boundaries of the Portola Valley School District, that receives a separate tax bill for ad valorem property taxes from the San Mateo County Assessor’s office. All property that is otherwise exempt from or upon which are levied no ad valorem property taxes in any year shall also be exempt from the education parcel tax in such year.

For purposes of this special tax, any such “Parcels” which are (i) contiguous, (ii) used solely for owner-occupied, single-family residential purposes, and (iii) held under identical ownership may, by annually submitting an application of the owners thereof by May 1 of each year to the District, be treated as a single “parcel” for purposes of the levy of this education parcel tax.
EXEMPTION OF SENIORS AND SSI RECIPIENTS

Pursuant to the California Government Code Section 50079 (b), any owners who are either receiving Supplemental Security Income for a disability, regardless of age, or who are 65 years of age or older on or before May 1 of the fiscal year immediately preceding the year in which the tax would apply, of a Parcel used solely for owner-occupied, single-family residential purposes may obtain an exemption from the education parcel tax by annually submitting an application by May 1 of each year to the District.

With respect to all general property tax matters within its jurisdiction, the San Mateo County Assessor or other appropriate County tax official shall make all final determinations of tax exemption or relief for any reason, and that decision shall be final and binding. With respect to matters specific to the levy of the education parcel tax, including the Senior Citizen and SSI Exemptions and the classification of property for purposes of calculating the tax, the decisions of the District shall be final and binding.

REDUCTION IN TAX IF RESULT IS LESS OTHER GOVERNMENT SUPPORT

The collection of the education parcel tax is not intended to decrease or offset any increase in local, state or federal government sources that would otherwise be available to the District during the period of the education parcel tax. In the event that the levy and collection does have such an effect, the District shall cease the levy or shall reduce the education parcel tax to the extent that such action would restore the amount of the decrease or offset.

ACCOUNTABILITY MEASURES

In accordance with the requirements of California Government Code sections 50075.1 and 50075.3, the following accountability measures, among others, shall apply to the education parcel tax levied in accordance with this Measure: (a) the specific purposes of the education parcel tax shall be those purposes identified above; (b) the proceeds of the education parcel tax shall be applied only to those specific purposes identified above; (c) a separate, special account shall be created into which the proceeds of the education parcel tax must be deposited; and (d) an annual written report shall be made to the Board of Trustees of the District showing (i) the amount of funds collected and expended from the proceeds of the education parcel tax and (ii) the status of any projects or programs required or authorized to be funded from the proceeds of the education parcel tax, as identified above.
The abbreviated text of the ballot proposition with respect to the foregoing measure shall read as follows:
