RESOLUTION ESTABLISHING NOVEMBER 6, 2018 AS THE DATE FOR A MUNICIPAL ELECTION ON A PROPOSED BALLOT MEASURE TO ADOPT AN ORDINANCE AMENDING CHAPTER 4.20 OF THE SOUTH SAN FRANCISCO MUNICIPAL CODE IN ORDER TO INITIALLY INCREASE THE CITY'S TRANSIENT OCCUPANCY TAX (TOT) RATE BY TWO PERCENT (2%) EFFECTIVE JANUARY 1, 2019, AND AUTHORIZING AN ADDITIONAL ONE PERCENT (1%) INCREASE EACH SUBSEQUENT JANUARY 1 UP TO A TOTAL MAXIMUM OF FOURTEEN PERCENT (14%) FOR UNRESTRICTED GENERAL REVENUE PURPOSES, SUBJECT TO THE APPROVAL OF THE VOTERS; ESTABLISHING POLICIES AND PROCEDURES IN CONNECTION WITH SUCH ELECTION; AND REQUESTING THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN MATEO CONSOLIDATE THE ELECTION WITH THE STATEWIDE GENERAL ELECTION PURSUANT TO SECTION 10403 OF THE ELECTIONS CODE.

WHEREAS, the City of South San Francisco ("City") adopted Ordinance No. 554, codified as Chapter 4.20 of the Municipal Code, which provided for the imposition and collection of a general excise tax on the privilege of using hotel accommodations in the City, otherwise known as the "transient occupancy tax" ("TOT") to be paid by hotel users and collected by hotel operators. The TOT rate has subsequently been amended several times by the City Council and the voters of South San Francisco; and

WHEREAS, Article XIIIC, section 2(b) of the California Constitution requires that any general tax for unrestricted general revenue purposes, such as the TOT rate, must be submitted to and approved by a majority vote of the voters voting on the issue of increasing the tax; and

WHEREAS, pursuant to section 7280 of California Revenue and Taxation Code, the legislative body of a city may levy a tax on the privilege of occupying a room or rooms, or other living space, in a hotel, inn, tourist home or house, motel, or other lodging for a period of less than 30 days; and

WHEREAS, the City Council of the City of South San Francisco ("City Council") last adjusted the TOT rate from nine percent (9%) to ten percent (10%) during the duly noticed regular meeting held July 23, 2009; and

WHEREAS, the City’s current TOT rate of ten percent (10%) ranks among the lowest in San Mateo County; and
WHEREAS, a substantial portion of the City’s General Fund is used for public safety purposes and the City Council has determined that an additional increment to the TOT rate is an effective way of recouping costs associated with the impacts travelers and visitors have on the City’s many amenities, such as but not limited to police and fire protection services, traffic circulation, parks and recreation programs, and public roads; and

WHEREAS, the proposed increase in TOT rate would generate additional funds for unrestricted general revenue purposes, including but not limited to helping offset the costs of public safety, community development, rising infrastructure needs related to streets and storm drains, and reducing the per capita cost of general municipal program and services paid by local residents and businesses; and

WHEREAS, after receiving information at its June 13, 2018 City Council meeting, and after subsequently receiving testimony from the public, the City Council determined that the public interest would be well served by asking the voters of South San Francisco to authorize an additional two percent (2%) increment to the existing TOT rate with an additional automatic one percent (1%) increment over two years, initially raising the total TOT rate from ten percent (10%) to twelve percent (12%) effective January 1, 2019, subsequently raising the total TOT rate to thirteen percent (13%) effective January 1, 2020, and finally raising the TOT rate to a maximum fourteen percent (14%) effective January 1, 2021; and

WHEREAS, Article XIIIIC, section 2(b) also requires that an election by the voters to approve a general tax must be consolidated with an election for City Councilmembers; and

WHEREAS, the November 6, 2018 election includes an election of members of the City Council; and

WHEREAS, as a general tax for unrestricted general revenue purposes, the two percent (2%) increment with an additional one percent (1%) increment over subsequent years up to a maximum of fourteen percent (14%) effective January 1, 2021 must be approved by a majority vote; and

WHEREAS, a proposed ordinance attached hereto and incorporated herein by reference as Exhibit A (“Ordinance”) would, following voter approval, implement the adoption of this tax; and

WHEREAS, pursuant to Government Code section 53724 and Election Code section 9222, the City Council desires to submit the Ordinance to the voters of the City.

WHEREAS, after considering the foregoing information, the City Council believes that the proposed incremental adjustment to the existing TOT rate should be authorized by the voters of South San Francisco in the amount described herein, with implementation of the initial two percent (2%) increment effective January 1, 2019; and

WHEREAS, the cost of conducting the election is included in the City Clerk’s Fiscal Year 2018-19 Operating Budget; and

WHEREAS, based on all of the information presented at the June 13, 2018 City Council meeting, both written and oral, including without limitation the public comment, staff reports, minutes, and other relevant
materials (hereafter the “Record”), the City Council finds that under CEQA Guidelines 15060(c)(2) and 15378(b)(4), this tax does not constitute a project under CEQA and therefore review under CEQA is not required.

NOW, THEREFORE, BE IT RESOLVED that the City Council of South San Francisco hereby RESOLVES as follows:

SECTION 1. Findings. The City Council finds and determines that each of the findings set forth above are true and correct.

SECTION 2. Call for Election. Pursuant to California Elections Code Section 9222, the City Council hereby calls an election at which it shall submit to the qualified voters of the City of South San Francisco a measure that, if approved by a majority vote, would increase the Transient Occupancy Tax from ten percent (10%) to twelve percent (12%) and an additional one percent (1%) increase in subsequent years up to a maximum of fourteen percent (14%), with the additional funds generated to be used for unrestricted general revenue purposes. WHEREAS, after receiving information at its June 13, 2018 City Council meeting, and after
subsequently receiving testimony from the public, the City Council determined that the public
interest would be well served by asking the voters of South San Francisco to authorize an
additional two percent (2%) increment to the existing TOT rate with an additional automatic one
percent (1%) increment over two years, initially raising the total TOT rate from ten percent (10%)
to twelve percent (12%) effective January 1, 2019, subsequently raising the total TOT rate to thirteen percent (13%) effective January 1, 2020, and finally raising the TOT rate to a maximum fourteen percent (14%) effective January 1, 2021; and

WHEREAS, based on all of the information presented at the June 13, 2018 City Council meeting, both written and oral, including without limitation the public comment, staff reports, minutes, and other relevant materials (hereafter the “Record”), the City Council finds that under CEQA Guidelines 15060(c)(2) and 15378(b)(4), this tax does not constitute a project under CEQA and therefore review under CEQA is not required.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SOUTH SAN FRANCISCO, SUBJECT TO VOTER APPROVAL, DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Incorporation of Recitals.
The City Council of South San Francisco, subject to voter approval, finds that all Recitals are true and correct and are incorporated herein by reference.

SECTION 2. Amendments
Chapter 4.20 of the South San Francisco Municipal Code is hereby amended to read as follows:

Section 4.20.030 Amended: “Tax Imposed. For the privilege of occupancy in any hotel, each transient is subject to and shall pay a general tax for unrestricted general revenue purposes in the amount of eleven percent of the rent charged by the operator and a special tax of one percent. The general tax rate shall automatically increase each calendar year after the effective date at a rate of one percent per year up to a maximum rate of thirteen percent. The total general and special taxes imposed pursuant to this chapter shall equal no more than fourteen percent of the rent charged by the operator. If a room is rented by a firm, corporation, partnership, joint venture or any other organization on a long term
basis, the tax imposed by this section shall fall upon and be borne by each individual who occupies or has the right to occupy the room for a period of thirty consecutive days or less. The tax constitutes a debt owed by the transient to the city, which is extinguished only by payment to the operator or to the city. The transient shall pay the tax to the operator of the hotel at the time the rent is paid. If the rent is paid in installments, a proportionate share of the tax shall be paid with each installment. The unpaid tax shall be due upon the transient’s ceasing to occupy space in the hotel. If for any reason the tax due is not paid to the operator of the hotel, the tax administrator may require that such tax shall be paid directly to the tax administrator.”

SECTION 3. Compliance with the California Environmental Quality Act
The approval of this ordinance is exempt from the California Environmental Quality Act (Public Resources Code §§ 21000 et seq., “CEQA,” and 14 Cal. Code Reg. §§ 15000 et seq., “CEQA Guidelines”). This ordinance imposes a general tax that can be used for any legitimate governmental purpose; it is not a commitment to any particular action. As such, under CEQA Guidelines section 15378(b)(4), the ordinance is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment. If revenue from the tax were used for a purpose that would have either such effect, the City would undertake the required CEQA review for that particular project. Therefore, pursuant to CEQA Guidelines section 15060, CEQA analysis is not required.

SECTION 4. Severability
If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

SECTION 5. Effective Date of Tax
If this ordinance is approved by a majority of the voters voting on the issue at the November 6, 2018 election, pursuant to Elections Code Section 9217, this ordinance shall be considered adopted on that date and the tax shall become effective January 1, 2019, or no sooner than 10 days after the City Council certifies the results of the election, whichever occurs later.

SECTION 6. Voter Approval Required
This ordinance shall only become operative if the tax imposed is approved by a simple majority of voters voting on the question at the November 6, 2018 election.

SECTION 7. Publication
This Ordinance shall be published once, with the names of those City Councilmembers voting for or against it, in the South San Francisco Examiner, a newspaper of general circulation in the City of South San Francisco, in accordance with Government Code Section 36933.
